"Will the Union Pacific and Oregon Rail- way & Navigation company be able to form a traffic agreement?" asked the reporter. Without the least evidence of hesitation Mr. Dickinson replied: "There are no differences between the management of the Oregon Railway & Navi- gation company and the Union Pacific. The Union Pacific is the natural outlet for the Oregon company east, and I believe a traffic agreement will be made favorable to both roads. Mr. McNeill is favorably disposed toward the Union Pacific officials. While I cannot say whether Mr. McNeill will form an agreement with the Great Northern I am inclined to believe that an agreement favorable to both Union Pacific and Oregon will be made before Mr. McNeill returns to the west." About the damage done to the corn by the hot winds of Thursday Mr. Dickinson said that a strip of country 500 miles long, from Omaha to Cheyenne, had been virtually scorched and another day would effectually ruin it. How far this strip ex- tended north and south he could not say, but Imagined that it covered the state. He spoke despairingly of the immediate future, so far as railroads in Nebraska were con- cerned, and saw little ground for hopes of better times until 1895.

An Interesting Letter Which Speaks for Itself.

LOVEVILLE, St. Mary's Co., Md., June 15, 1894.-I have handled Chamberlain's Colic, Cholera and Diarrhoea Remedy for the past year. It gives the best of satisfaction to my customers. I received an order last week for four bottles of the remedy from a man residing sixteen miles from my place. Today I received a letter from him, stating that it has saved the lives of two members of his family. An old gentleman here, who has suffered two years with diarrhoea, was permanently cured by this remedy. He He can now do as much work as any man of his age. A Cure for Chronic Diarrhoea.

I had been troubled with chronic diar-rhoea for over a year when I received a small both of Chamberlain's Colle, Cholera and Diarrhoea Remedy, which I used and it gave me great relief. I then procured a 50-cent bottle and took about two-thirds of R, and was cured. I have taken some twices show when I had a heavaness come on and it

since when I had a loosness come on and it stopped it at once. I hope it will help others as it helped me. I feel very thankful to Mr. Stearns, the druggist, for telling me of this remedy and shall be glad to have this letter published. S. C. Weeks, Melrose, Mass. For sale by druggists,

Wall Paper Scorched.

At 2:45 yesterday an alarm turned in from box 112 called the fire department to Beard Bros.' paper warohouse at 1410 Doug-las street. A blaze had started in the cil com by spontaneous combustion and for a few moments there was a likely prospect of a fire of no small dimensions. The prompt and energetic work of the firemen, however, confined the blaze to the basement of the building. The loss will amount to about \$400.
