

YET A LITTLE WHILE LONGER

Portion of Militia to Be Reinstated at South Omaha Indefinitely.

PACKERS DO NOT YET FEEL SECURE

Two Companies to Remain on the Ground - Will Be Believed to Attend Encampment - Citizens Object to the "Move On" Method.

It is now a settled fact that the entire militia will not be taken away from South Omaha until such time as the officers of the guards and the citizens who have interests here are satisfied that there is no further danger of an outbreak among the strikers.

The general has arranged to have company A and company B from York and Fullerton leave for Lincoln this morning. Company D, Second regiment, of the Nebraska militia, and company A, Second regiment, of Kearny will come here on Thursday to relieve the companies here, making it possible for all of the militia to be taken to some portion of the state encampment.

The first brigade consists of twenty-two companies of infantry, a troop of cavalry and a battery of artillery. They will be stationed in Lincoln, with the exception of the companies detained here. In case their services are needed General Colby says the whole state militia could be transferred to South Omaha in ninety minutes.

There will be two camps of instruction during the entire state encampment. One will be at Lincoln and the other at South Omaha. General Colby says that the strikers are not to be allowed to interfere with the men who want to work regardless of what they may be getting.

Has by heavy odds the claim on purity—a hundred dollars to a peanut that our shoes are thorough and thorough leather, sole leather counters, which prevent a shoe from a dose of blind stagers, sole leather inner and outer soles, which makes a shoe flexible (forming a light and unpinched step), and a pure, full stock leather upper—for service—for retaining shape.

And We Prove It—By This Guarantee That we cheerfully refund your money for your old shoes, or replace them with a new pair—any shoe that'll wear out too soon, prove defective, or does not wear reasonably well—and this guarantee bars none, whether you purchase a low or high price shoe.

And here is a pair of brand new shoes, to the man who can prove the existence of a retailer of shoes, under the canopy of heaven, who has this much confidence in his shoes, to offer a guarantee like ours—That's why the Nebraska keeps 2 large shoe factories hustling the year round.

Our fall catalogues will be ready for mailing by Aug. 18th.
