TWO STATE RECORDS WERE BROKEN

Only Accident of the Meet Occurred in the Last Race, but that was Not Serious—Stillings of Omaha H a Hard Lock.

The Gaymede race meet closed yesterday. Had it not been for the unfortunate accident that occurred just at the close of the race on the day's program there would have been a single failure to mar the success of the whole meeting.

The second day's crowd was much larger than the first, the track was in better shape, the weather was perfect, and the records were much better.

The riders entered into the contests with more vim than on the day before, and the result was that two state records were broken.

The first record was for the one-mile class, made by H. C. Hattenhauer of Council Bluffs, who won in 1:30.4.

The second record was for the two-mile class, made by H. C. Hattenhauer of Council Bluffs, who won in 3:00.4.
