How to Order.

Send postal order for whole amount or when a sufficient amount to pay express charges is sent, we will send goods C. O. D. If you send too much money we will return the surplus. Always give your full name and address, and measure yourself or have some friend do it for you, giving us all the particulars you can, so that we can fit you perfectly. If your neighbor has an Omaha clothing catalogue, compare our prices with it—You'll find our prices much lower and we'll guarantee the cloth and fit to be better in every instance. If goods are not entirely as represented, you can send them back at our expense.

MAIL ORDERS.

The prices quoted in the numerous catalogues from the Omaha Clothing House may seem low to you, as compared with those of your local dealer, but there was never anything yet but could be improved upon, and this is the way we do it. Having all these catalogues on file, we will fill all orders from them with the same identical or better goods and give you a discount of 5 per cent on \$10 or less and 10 per cent on all orders exceeding \$10, as will be seen by comparing the above lot numbers with whatever catalogue you may have. When ordering state number of lot and what catalogue.
