QUINCY, Ill., Sept. 16.—(Special Telegram.)—Quincy and Omaha played two games today and divided honors. Omaha won the first game easily. It was all settled in the first inning, when four hits and a home run by both teams was rather ragged. Score, first game: Quincy, 4; Omaha, 1.

Knock Out Near Vicksburg. VICKSBURG, Miss., Sept. 16.—A finish fight with five-ounce gloves between Billy Parks of Montreal and Elmer Miller, light-heavyweight, took place at a mile from the city. Parks was knocked out in the second round, after displaying decided courage and pluck. The fight was witnessed by about 200 persons.

UP SPOKE THE PARROT. An Opportune Remark of the Bird Eoked the Taking Bid. "Going" for the third and last time, gentlemen are you all done? Solet said to the colonel for \$50. It was a good price, gentlemen, and we'll all have a bowl."

These were the closing words of the auctioneer at the sale of a parrot in the apartments where the bird had been a conspicuous figure for years, says the Chicago Tribune. He belonged to a man about town whose name was not given. It seems that the parrot was to be sold for a parrot, but this is no ordinary bird, and the purchaser had been told that the parrot was a reputation for being one of the smartest entertainers in the city, and his apartments have been the scene of many a merry gathering.

Some time ago "Cap" announced he was going to the ranks of the "un-domesticated" and join the ranks of Benedit. He also announced that he would do so in a public way, and that he would crowd those faces familiar in their particularly desired any object contained in the room in the way of a memorial or for a memento. He is reasonable to believe, same by making known his wants. At this announcement there was a general request for the parrot. Everybody wanted him. COMMERCIAL AND FINANCIAL. Cera Was Heavy. Large Receipts of Wheat. MANY CALIPING LONG LEGS COM. CUI.

Primary Market Receipts, Including Those at Kansas City, Announced to Nearly One Million Bushels of Wheat—Stocks and Bonds.

CHICAGO, Sept. 15.—Cera was heavy today on large receipts and wheat meekly followed. They both ran down another 1/4c. Provisions were smashed by the virile buyers of the heavy packers, pork closing at a decline of 1/4c, and the early dealings.

Wheat opened very weak, December, which closed yesterday at 56 1/2c, and which was the bottom of a 1/4c decline, sold a moment after the start this morning at 56c. The corn market was suffering from what the speculators chose to regard as very heavy receipts of that article, and the northwestern market was also depressed.

Corn was weak early, heavy all day, and closed at 56 1/2c. The market was 1/4c lower at the opening. Receipts of 600 cars this morning exceeded the estimates for the week, and the price of wheat at Minneapolis was likely to be 1,200 cars on the same day, prevented any change in the heavy feeling which has prevailed all day.
