Millinery.

A WORD.

Millinery is one of our strongest points this fall. Scason by season this department has improved until now we show you a stock whose absolute novelty and superior creative perfection will convince you of the place we hold in millinery. TRIMMED HATS.

Preach art and American ingenuity are displayed side by side. Deft as the French women are it will puzzle you to pick their creations from the ill as embodied by our American girls. Many exquisite designs from our own work rooms.
"UNADORNED BEAUTIES."

Untrimmed bats in all the autumn and winter styles. The late ideas, all of them, in prefusion. Something to appeal to all tastes here, variety, novelty and beauty are the features. PRICES.

You must see the articles themselves to appreciate the prices on them. Our prices are always popular, because always low. If you wish to see our grand display will be pleased to have you call. If you desire to purchase anything in the millinery line a call will be to your interest. Second floor.
