SIX NATIONAL CITIES REPRESENTED

Milwaukee is in and Buffalo May Be the Eighth-Some Well Known Names Are Among the List of

Promoters.

PHILADELPHIA, Oct. 18.—Base ball men representing six cities quietly gathered in a room in the Colonnade hotel, this city, at moon today and after six hours of deliberation Frank R. Richter, editor of a sporting paper, who acted as spokesman for the party. announced the formation of the American Association of Base Ball Clubs, with a circuit made up thus far of Philadelphia, New York, Brooklyn and Washington in the east and Chicago, Pittsburg and Milwaukee in the west. The eighth club is to be located in St. Louis, Detroit, Columbus or Buffalo, with chances favoring the latter. The meeting was composed of the following named William Barnie, representing Brooklyn capitalists generally understood to

be the owners of Ambrose Park; W. H. Becannon, representing New York parties rumored to control the Polo grounds, the lease of which has been heretofore held by the National League team of that city; F. B. Richter and F. S. Kames of Philadelphia, who, it is said, hope to secure the old grounds used by the famous Athletic club of the once powerful American association; Walter Hewitt and M. B. Scanian of Washington, well known in connection with base ball at the national capital a few years ago; Huckenberger, a base bail of national celebrity; A. y, representing Pittsburg, and L. Terry, representing Pittsburg, and Fred Pfeffer, the head of the new organi-station in Chicago. H. D. Quian of Milwaukee

was represented by proxy, but he is ex-pected to arrive here tomorrow. The general admission was fixed at 25 cents, and permission to play Sunday games was accorded to all clubs. Exhibition games during the championship season are probib-Transfera of games will not be permitted. Stringent rules also were adopted on the subject of dirty ball playing and rowdy conduct on the field. It was de-cided there should be no fight with the League if the Association could avoid this, and it was decided to respect all contracts and to play a nonconflicting schedule.

JOE PATCHEN DEFEATS STRATHBERRY

Online's Failure to Appear Makes the Des Moines Race a Two-Itorse Procession. DES MOINES, Oct. 18.—(Special Telegram.)—This was the big day of the fall meeting at the Capital City Driving park. The weather was the worst of the week for 6,000. Owing to a high wind the track was several seconds slow. The great race on the card was the contest between Joe Patchen and Strathberry. Online was advertised to go, but falled to appear. The contest between the two horses, however, was a good one, barring the difficulty of making fast time against the wind. The first heat was won by Patchen in 2:05%, by only half a second. The deartheaver of Strathberry's record by half a second. The quarters were 0:29, 1:05%, The second heat was a most difficult one, the wind blowing a gale in the faces of the contestants, and the dust almost obscured them. The quarters were 0:34, 1:08%, 1:23%, 2:11%, showing the hast quarter was gone in 2:36%. The third heat was gone in comand Strathberry. Online was advertised to go, but failed to appear. The contest between the two horses, however, was a good one, barring the difficulty of making fast time against the wind. The first heat was won by Patchen in 2:35%, by only half a length, which was a virtual lowering of Strathberry's record by half a second. The quarters were 0:29, 1:01%, 1:35%. The second heat was a most difficult one, the wind blowing a gale in the faces of the contestants, and the dust almost obscured them. The quarters were 0:34, 1:68%, 1:43%, 2:111%, showing the last quarter was gone in 27%. The third heat was gone in comparative caim, the wind having died down and a slight rain having laid the dust. Patchen won it by a nose in \$2:03%, though he was pushed by Strathberry, who was getting tired. Jack Curry drove Patchen and John Atkinson was behind the Iowa horse. The last heat by quarters was 0:30%, 1:56, 1:25%, 2:08%, last quarter in a two-minute clip. Fred K went against his pacing record of 2:10%, and did the mile in 2:00%. Summaries:

the gun was jarred sufficiently to make it fall onto the bottom of the wagon box, the result being that the cap exploded and released the heavy charge of shot.

Curry was standing on the ground close to the wagon, and the charge tore a hole completely through the side of the wagon box and then struck him in the right arm, close to the shoulder. The muscles were completely shot in twain, the bone was shattered and a few of the shot penetrated the right lung. A physician was called and the flow of blood stopped, and this afternoon the injured man's arm was amputated.

A Conservative PLatform.

We are truly a conservative concern, with a burning passion to regulate unjust business methods. In doing it we poke our nose in our own business, and study our lessons carefully until we feel competent to teach others. Success is attainable by studying the wants of your own business.

We studied the shoe question for almost a decade. Now we're furnishing a lesson how a shoe can be had that will give all good service for less than a cheap-for-one-day-fixed-up-kind and back it up by giving you a new pair free if any of our shoes, (no matter what grade) prove deffective, do not wear reasonable well, or wear out too

This year we studied how to elevate quality and lower prices, We got there Your shoes will cost you a good bit less hereafter, Dollar-and-Fifteen-Cents for a good working shoe, equal to any \$2.00 shoe made. Dollar-and-Sixty-Five, is as much as you might expect for \$2.50. Two Dollars for a calf shoe, which by-the-way is our new departure from our former \$2.25 value, with a perfect guarantee those to be equal and better to any \$3.00 shoe in anyones shop. Two Fifty, is our reglar standby. We've challenged the world to produce their equal. American Calf ours are in every shoe with a Goodyear welt and double back stays. Every last toe shape and style in vogue, and \$4.00 is their honest worth. Three Dollars invested here for a pair, means a fine \$5.00 pair of shoes, as good and pretty as any exclusive or nonexclusive dealers can furnish without any guarantee. You don't risk by buying shoes here but you do so by buying elsewhere.

Milwaukee Grain shoes. We carry them in quite an extensive selection with box toes or without, suitable for any work subjected to dampness. a grain shoe is recommended, because they're a heap more durable and keep your feet dry. Our prices begin at One Dollar a pair.
