

CITY COUNCIL PROCEEDINGS

Rejection of Bis on Sherman Avenue Paving Will Be Investigated.

KILPAIRCK AS A PRACTICAL REFORMER

He Refuses Pay for Park Commissioner for Three Months Because He Was Out of the City—Takes the Thanks of the Council.

The only sensational feature of an otherwise tame council meeting last evening was the following resolution, introduced by Bechel, which brought the Sherman avenue paving matter before the council.

Resolved, That the Board of Public Works be directed to submit to this council a complete abstract of the bids submitted to it on October 19, for asphalt pavement on Sherman avenue and Sixteenth street and its reasons for rejecting the same, and that the city engineer and city attorney be each directed to submit his views in writing with reference to the validity and propriety of such bids and their rejection.

Wheeler took the floor to remark that the Board of Public Works was vested by the charter with the right of passing on these bids, and it was not proper for the council to interfere.

COUNCIL WILL LOCK INTO IT. Bechel vigorously contended for the resolution and was supported by Howell, who asserted that there was a good deal of controversy over the Sherman avenue paving, and the council had a right to all necessary information on the subject.

The mayor's appointment of W. G. Shriver, James Stockdale and Charles H. Shriver as appraisers on the Boulevard street grading was confirmed.

An additional communication from the owner of the Colman hotel offering to dispose of the building to the city for jail and hospital purposes was referred to the committee on police and the board of health.

PLEASUED BY THE INNOVATION. A rather unusual communication was one from Thomas Kilpairck returning three months' salary as a member of the Board of Park Commissioners on the ground that he was out of the city for that time.

The city comptroller was granted a month's leave of absence.

A resolution by Wheeler ordering the licenses of all city weighers revoked and directing the inspector of weights and measures to see that all scales were taken down was referred.

Card of Thanks. We wish to return our heartfelt thanks to the kind neighbors and friends who were so kind to us during our late bereavement.

Merrett Hotel—B. Silway, Manager. Rates reduced; \$2.00 to \$3.00 per day.

Omaha and Chicago Limited Fifteen-Hour Train. Leaves Omaha at 6:25 p. m. and arrives at Chicago 9:40 a. m. via C. M. & St. P. Ry.

IN THE DISTRICT COURT. New Trial of the Linton Cases Asked For—Suits Instituted.

The ghost of the case of Phoebe R. E. E. Linton and her husband, Adolphus, against John Whitaker, Cooper, Brown, Janson & Co., the London bankers and barretters, has drifted into the courts of Douglas county again, where the defendants have filed a motion for a new trial before Judge Ferguson.

In this case they were completely knocked over the wires a few days ago, the court holding that a \$50,000 mortgage upon property in this country was null and void, as was the deed to twenty-one lots in this city.

PERSONAL PARAGRAPHS. State Auditor Moore is at the Millard.

Judge Crawford of West Point is at the Paxton.

J. R. Brown and wife of Red Cloud are Arcade guests.

C. I. Hamilton and wife of Salt Lake are at the Millard.

George Brooks and wife of Bazile Mills are Millard guests.

Mrs. J. W. Perry and daughter of Ord are at the Millard.

Mrs. J. M. Owen and two children, Quincy, Ill., are at the Paxton.

G. A. Luskhart, democratic candidate for state treasurer, of Tilden is at the Millard.

George W. Trouton of the Brotherhood of Locomotive Engineers is registered at the Arcade.

A. A. Henderson and wife, C. L. Berry are at the Millard.

R. Oldland, George Lehmann and O. P. Y. Burch of White River, Colo., are registered at the Merchants.

J. W. Kirkpatrick, T. A. Stone, George Benham, Walter Culbertson and C. B. Stroud are a party of stockmen from Sheridan, Wyo., at the Millard.

Nebraskaans at the Hotels. At the Paxton—Fred W. Vugha, Fremont; H. P. Knight, Lincoln; W. E. Kern, Hastings.

At the Arcade—J. B. Pugh, Minden; W. Heiber, Tyler; J. K. Van Demark, Valparaiso.

At the Millard—Dr. Artz, Charles Adams, W. S. Noyes, Hastings; Charles Hyatt, Hastings; George E. Norris, Kearney; O. Fields, Tilden.

At the Merchants—Dr. Peckles, Fremont; George W. Trouton, N. E. Harwood; W. J. Lamb, G. A. Adams, Lincoln; J. H. Chapman, Ansley; F. M. Rublee, Broken Bow.

LOCAL BREVITIES. At 10 o'clock yesterday Gustav Huhn and Charles Emery left for the north on fatboat to look for work, one as a tinner and the other as a machinist.

TON OF DYNAMITE EXPLODED

Terrible Result of Carelessly Handling the Dangerous Stuff.

SIXTY PERSONS BLOWN INTO FRAGMENTS

Rio de Janeiro Feels an Aftertaste of the War—Accident During the Removal of a Mine of Explosives and its Awful Results.

BALTIMORE, Oct. 23.—Captain Higgins of the coffee bark Dom Pedro II, now in port, gives a graphic description of a dynamite explosion that occurred in Rio de Janeiro a few days prior to September 6, when his vessel sailed for Baltimore.

A Brazilian soldier discovered near the English cemetery a subterranean magazine in which the insurgents of the recent rebellion had concealed a large quantity of gunpowder, cartridges and dynamite shells, which they evidently intended using against the government.

The soldier reported his find to the general commanding, and a rough cart drawn by two mules was sent to the scene to remove the contents of the hidden magazine to a place of safety.

A detachment of soldiers accompanied the cart and a curious crowd of citizens followed it to the little hole which had been dug out to haul the explosives. A quantity of the shells had been placed in the cart and a pile of others had been passed out close behind it.

When one of the soldiers, while in the act of handling a shell, suddenly threw it, and everything from view. The vessel in the harbor rocked at their moorings and the city was thrown into wild excitement.

Over a ton of dynamite had been dug out to haul the explosives. A quantity of the shells had been placed in the cart and a pile of others had been passed out close behind it.

GROCERY STORE BLOWN UP

Sudden Rise in the Contents Just at the Day's Busiest Hour.

MYSTERIOUS EXPLSION IN ST. LOUIS

Five Persons Hurt and One Will Probably Die—Leaking Gas Main Suggested as the Cause—Italy's Marvelous Escape—A Complete Wreck.

ST. LOUIS, Oct. 23.—H. W. Damme's grocery store on the northeast corner of Bidde and Ninth streets, was blown to ruins by an explosion just before noon and five persons badly hurt, the injuries of one being thought face and hands severely burned and body bruised, will probably die.

August Beer, 3519 Chouteau avenue, head, face and hands severely burned and body bruised, will probably die.

Patrick Dwyer, 214 Cass avenue, legs hurt.

Frank Kelly, 214 Cass avenue, legs and body bruised, skull fractured.

Albert Kurtz, back hurt and face cut.

Mrs. H. W. Damme, leg hurt and body bruised.

The cause of the explosion is yet a mystery. The only person in the store, which was a two-story brick, of which the second story was used as a residence by Mr. Damme, were Mr. and Mrs. Damme and Albert Kurtz, an employe. The explosion came with a rushing, roaring noise, then a tremendous explosion, like the bursting of a dynamite bomb.

The walls of the building were blown outward, the floor lifted from the joists and Mr. and Mrs. Damme were forced through the openings where the walls had once been and into the street. Kurtz went down into the cellar, half buried beneath a heap of debris.

A baby on the second floor was blown out into the street, alighting on a pile of bricks, and escaped without a scratch.

Dwyer, Kelly and Beer were passively and happened to be immediately alongside the store when the explosion occurred. It was at first thought a gasoline tank had exploded, but this was found intact, and at yet no cause for the wreck, which was most complete, has been found, though it is suspected that a leaking gas main was the cause.

THE OLD SYSTEM OF TELEGRAPHY. It is established between the brain and the nerves which transmit instantaneously to the great organ of sensation and thought every shock they experience.

These electric shocks are very vivid, painful and disturbing when the nerves are weak. Hostetter's Stomach Bitters strengthens, soothes, and restores the nerves' strength. It induces sleep, sound digestion and appetite, and conquers biliousness, malaria, rheumatism and kidney trouble.

ANNOUNCEMENTS. In these days of big productions there is much more expense attached to the launching of a new play than was required in "days gone by."

In former years a presentation meant only a production without any special preparations. In the present era new scenery and effects are essential and a new drama cannot be produced without the outlay of several thousand dollars.

One of the most complete productions that has been placed before the public for many years is "Shant-Nee," Mr. Frank L. Bixby's electrical presentation which is to be seen at Boyd's on this and tomorrow evenings.

The scenery for this attraction, which consists of a full orchestra, was designed and painted by the celebrated artist, Mr. W. D. Davis, of the Auditorium theatre, Chicago, while the electrical features—of which there are a great number—due to the inventive genius of Mr. J. C. Myrahoffer, the electrical expert of the Carnegie institute, New York City. The scenery and electrical effects of this organization originally cost more than \$100,000.

Samuel McKee, agent for William J. Collier and company, in "A Buck Number," is in the city. His attraction comes to the Boyd on Tuesday and Wednesday of next week.

DIED. HAGELIN—Oscar Remick, aged 1 year, 7 days, September 22 at 7:45 a. m. Funeral Wednesday afternoon at 2 o'clock from family residence, 222 Lindsey avenue. Friends invited.

COMMIT THIS TO MEMORY—LATEST STYLES—LOWEST PRICES—O. K. SCOFIELD CLOAKS, SUITS, FURS. Cor. 16th and Farnam Sts., OMAHA PAXTON BLOCK.

BAILEY, Dentist. Paxton Block, 16th and Farnam.

Painless Extraction of Teeth—Painless Filling. Full set teeth \$5.00. Silver fillings \$1.00. Pure Gold \$2.00. Gold Crowns \$6.00 per tooth and at discount. Telephone 1043.

STRAIGHTEN UP THE CHILD. In the way they should go by using Shoulder Braces. We have them AT ALL PRICES. The Aloe & Penfold Co., 1408 FARNAM ST.

WELL! WELL! WELL!!! WHY NOT GET WELL? THE LION DRUG HOUSE.

Dr. Price's Cream Baking Powder superior to all others in strength, purity, and efficiency. Dr. Mott writes:—

"New York, March 20th, 1894. I find Dr. Price's Cream Baking Powder to be superior to all others, for the following reasons:—

1st. It liberates the greatest amount of leavening gas and is consequently more efficient.

2nd. The ingredients used in its preparation are of the purest character.

3rd. Its keeping qualities are excellent.

4th. On account of the purity of the materials and their relative proportions, Dr. Price's Cream Baking Powder must be considered the acme of perfection as regards wholesomeness and efficiency, and I say this having in mind certificates I have given several years ago respecting two other baking powders.

The reasons for the change in my opinion are based on the above facts and the new method adopted to prevent your baking powder from caking and deteriorating in strength.

HENRY A. MOTT, Ph. D., L. L. D."
