lf Mr. Glad

WASHINGTON, Nov. 7 .- The Agricultural department has issued a statement showing

that during the storm of September 24-29, 1,089 vessels, valued at \$17,100,000, and in ing once got hold of them she never feels the storm of October 21, 1,085 vessels valued at \$19,138,000, remained in port on the Atlantic and gulf coasts, secured from danger throughout the periods for which warnings were issued by the weather bureau. This makes a total of 2,305 vessels, valued at \$36,283,000, a large portion of which prob-ably would have gone out but for the warnings. It is fair to assume, it is stated, that had they done so nearly all of them would have encountered the storm and been more or less damaged if not entirely lost. The or less damaged if not entirely lost. The records of those who went out in the face of warning show that in every instance they suffered severe injury or were destroyed. Reports from the returning vessels give credit to the weather department. Charles-ton reports 400 lives probably saved by this means

Competition in Phosphate.

WASHINGTON, Nov. 7 .- Serious competition for our southern phosphate producers is at Algiers, in a report to the State depart-

at Algiers, in a report to the State depart-

ment on the phosphate deposits of Algeria. He describes the marvelous extent and rich-ness of these easily worked deposits amount-ing in one bed to 40,000,000 tons and esti-mates the output this year from one field at 35,000 tons delivered on shinbard at 34,65

at 35,000 tons delivered on shipboard at \$4.65

far as the Atchison road is concerned, the switching charge of \$2 per car on all ship-ments of stock received at the Union stock yards in this city. The answer sets forth that Keenan knew all about the charge when he made the contract to ship cattle, and that as the stock was to be delivered at the stock yards the railroad could do nothing but use the tracks of the stock yards company to get it there, the charge therefore of the Atchison road was some-thing that the road proper had no right to regulate. The stock yards company de-mands a like amount for each car delivered at the yards and that compels the road to ask that the shipper make the amount good to it. This is a case of great importance to shippers of live stock throughout the west and the decision, which will probably be handed down in the course of ten days, is eagerly watched. the mills was well known in Europe. The mill proper, with all its costly machin-ery, was burned to the ground. The ware-house, with 5,000 barrels of flour and about 4,000 bushels of wheat, is also a total loss. The loss is estimated at \$165,000. The mill employed 100 men. The fire was discovered about 6:30, in the dust room. Before the fire department could reach the spot, which is isolated, the main building was envel-oped in flames and was hopelessly lost. It is said the insurance will cover only about one-half the loss. The principal owner is J. N. B. Kehlor of St. Louis.

HARRISON, Ark., Nov. 7.-C. F. Aycock, county treasurer, was this morning discovered lying on the floor of his office, with his ered lying on the floor of his office, with his hands and feet tied, a pocket handerker-chief stuffed into his mouth, and another bound over his face. As he was returning home, about 9 o'clock last evening. from Lead Hill he was intercepted by two men, who compelled him to return to the court house and open the safe, which they looted. But little money was in the vault, as the treasurer keeps his funds in the bank. Mr. Aycock was removed to his home, where he lies prostrated.

lies prostrated.
