Star Chamber Methods Introduced Into the City Council.

ELECTRIC LIGHT BILL GOES OVER

Interesting Measures Discussed and Referred to the Proper Committees - Police and Fire Department May Hold Annual Balls.

The city council met last evening, with Mayor Cleaver and Aldermen Brewick, Gleason, Grahl, Keller, Nicholson, White and Fishman present. The matter of allowing the bill of the electric light company for September came up in pursuance of the plan agreed upon in star chamber session. It was laid over until the regular meeting next month.

The committee of the whole made a report recommending that the profits of Union avenue be referred to the city attorney; that the matter of the gravel pit be referred to the committee on streets and alleys, with instructions to get rates of transportation from the Northwestern Railway company, and if satisfactory, to authorize the street supervisor to get a lot of gravel for a test; that John Wallace be notified to complete his paving contract on Harmony street, and the contractor on Fleming avenue to complete his job; that the committee on light be instructed to find out how many light towers belong to the city, and to ascertain to whom the others belong; that the report of the committee on streets and alleys regarding the matter of special assessments be referred to the financial committee with power to act. The report was concurred in.

An ordinance vacating seventh street between Thirtieth and Fourteenth avenues, was read and laid over under the rules.

An ordinance was given its first reading fixing the charges of common carriers from the city to the school for the deaf at \$1.50 for one passenger and 50 cents for each extra passenger.

An ordinance was presented and laid over allowing the police and fire departments to give one ball each year.

James Saguin, B. W. Hight, J. C. De Haven, W. S. McMillen and W. W. Loomis presented a petition asking that Oakland avenue be paved with a crown center instead of as provided in the ordinance, and stating that the contractor would make a reduction of 7 cents a foot for grading. The petition was referred to the committee on streets and alleys.

Petitions asking for the opening of Third street from Storz street to Fifth avenue, First street to Harrison, and South Twentieth street were referred to the committee of the whole.

A petition bearing the signatures of seventy-five property owners asking that the railway companies be compelled to plunk their tracks on South Seventh street was referred to the committee of the whole.

W. A. Sinder asked to be allowed to put up a corrugated addition to the building at 329 1/2 Broadway, but a motion was made and referred to the committee on streets and alleys was lost.

On motion of Alderman Gleason the bids for grading Fifteenth avenue were laid over until the next regular meeting.

Bids for paving Second avenue from Wickham Bros., F. Cooper, C. H. Huber, J. J. Hughes, Iowa Brick company, F. Stinson and C. H. Huber, were opened and referred to the engineer for tabulation.

The council then adjourned until Wednesday night, when the bids will be acted upon. The committee on streets and alleys will meet Wednesday morning at 9 o'clock.

For the Death of Her Son. Anna Swaney is suing P. H. Guanello and C. R. Mitchell of this city for \$5,000 damages for the death of her son. The trial is now in progress in the district court. The young man was employed at a gravel pit owned by and the next regular meeting.

Work there was a cave-in of the sand and he was buried to such a depth that he died before he could be removed. Mrs. Swaney alleges in her petition that the accident was due to the negligence of the defendants, and she wants damages. Guanello and Mitchell allege contributory negligence on the part of the young man, and as their defense, and they further deny all responsibility for the sand slide.

W. H. Ware filed a demurrer yesterday to the petition in the suit instituted by Henry Anderson to recover about \$200 which he claimed Ware had secured from him by means of dress and false representations. This suit, it will be remembered, was commenced about election time last spring, when Mr. Ware was running for city attorney, and was made up of freely as an ingredient in the campaign and balls that the republican organ was in the habit of slinging about that time.

Last August while working in the harvest field I became overheated, was suddenly attacked with cramps and was nearly dead. Reared a Troublesome Family. The residents of Scott street and vicinity are having a deal of trouble on account of a lot of noxious pets which one of their number innocently raised. His daughter found them in the woodshed one morning last summer. They were little bits of fellows, white as they could be, and as none knew just what they were they decided to run all necessary risks and raise them. The little family lived happily, and was made a great deal of until a few days ago, when the fact presented itself in a way that could not be misunderstood that the little animals, which have now attained a robust majority, were nothing less than abominable representatives of the mephitic mephitic. They have overrun the neighborhood, undermining one lady's home and establishing winter quarters in her cellar. Four or five of them have been caught with steel traps, but the others make up for their lamented comrades by an increased intensity of expression. There are still about a dozen of the fellows who were killing, and an active crusade is now being carried on in the hope of cleaning them out before a new generation springs up.

Police Failed to Stop Another "Athletic Contest" at Coney Island.

MIDGETS TRY TO KILL EACH OTHER

Billy Plimmer and Charles Kelly at 114 Make the Fight So Fast that the Authorities Interfered—Englishman the Winner.

CONY ISLAND, Nov. 26.—The Seaside Athletic club offered a very attractive card tonight for the lovers of boxing. Maxey Haugh and Gene Garcia were the first pair to don the gloves, the men weighing in at 110 pounds, for a six-round bout, the fight being declared a draw at the end of the third round. Bobby Debbie of Minneapolis and Billy Vermon, the "Haverstraw Brickmaker," were scheduled to fight at 135 pounds. Vermon seemed to have a sure thing of it when the fourth round began, but in a swing his blow fell short and the impetus was so great that he fell down, his head striking the floor of the ring. The referee counted ten seconds before the Brickmaker could regain his senses, and the sports had the privilege of seeing a man knocked out by himself. The big contest of the night was next in order. Billy Plimmer of England and Charles Kelly of New York were the contestants at 141 pounds. Plimmer was seconded by his brother, Jack, Benny Murphy and Al Robbins of England. Kelly's seconds were Rowie Judkins, Tommy Connelly, Jim Kelly and Pete Butler. Both men looked to be in perfect condition. They each weighed 141 pounds, and the bout was to be twenty rounds. A good deal of money was bet on the result, two patterns being offered at 2 to 1.

At the opening both sparred cautiously. Plimmer kept Kelly in his corner. Kelly landed on the head and again on the jaw. Both landed again on the mouth. Kelly got the worst of this round and everything was in Plimmer's favor. In the thirteenth round Kelly's head and Kelly's face and his off hand jabs put Kelly's head twice through the ropes. The battle was soon over and Kelly was interfered when the round had only lasted one minute. Kelly's blows fell short and Plimmer landed again on the mouth.
