The next session of the Dodge county distime in which to prepare a bill of exceptions was allowed, but the reporter failed to get the bill of exceptions ready and the time was several times extended. Notwithstanding that fact, however, he alleges that the reporter has failed, neglected and refused to

make out the transcript of testimony, without which it would be impossible for him to bring the matter before the supreme court for review. He avers that it was not his fault that the transcript was not prepared, as after the court's attention had been called to the matter the reporter promised to make it out, but never did. He declares that ho relied upon the reporter entirely, and no other notes were taken, and now that the statutory time has long since passed it would

be impossible, even were the notes trans-cribed, to bring the case before the supreme imp court for review, and that by reason of the laches of the reporter he has been deprived of his constitutional right of appeal. There-

EXCELSIOR HAIR TONIC Turns gray hair back to its original color WITH-OUT DYE. It affords me great pleasure to call the attention of the public to the Excelsion Hair todie, which is the first and only remedy known to chemistry which positively turns gray hair back to its original color without dye. It has some on record that Mine. Yale, that wonderful woman chemist, has made this most valuable of all chemical discoveries. Mine, Yale personally endorses its action and gives the public her sol-come yarantee that it has been tested in every conceivable way, and has proven itself to be the only that Specific on record. It stops hair falling immediately and creates a luxuriant growth, con-tains no lead, no subplur er any other injurious ingredient. Physicians and chemists invited to analyze it. La Freckla can be ob-tained at any first class drug store or can be sent for by mail. Orders promptly filed upon re-ceipt of price. Price, \$1.69 per bottle. SAN FRANCISCO, Dec. 11.-A contest was segun this morning to set aside the will of James O'Carrol, who made a fortune of a James O'Carrol, who made a fortune of a quarter of a million dollars in the laundry business here, and who left the great bulk of his estate to Archbishop Riordan and various charitable institutions. Eighty-six thousand dollars he willed to numerous rela-tives in Ireland, though \$5,000 was the great-est sum left to any one of them. James O'Carrol of Dublin, brother of the deceased, is the contestant. He alleges that his brother was of unsound mind and that un-due influence was used. An attempt will be made to show that this alleged undue in-fluences was exercised in behalf of the insti-tutions benefited. Under the will Arch-bishop Riordan, as residuary legates, would

EXCELSION SKIN FOOD. MME. M. YALE'S EXCELSION SKIN FOOD is the only genuine Alsonibing Food in the world is the compounded by a secret process known only to Mme. Yale, whom the whole world must thank for this marvelous remedy that feeds the shrun-ken and impoverished skin by absorption as sat-isfactorily as we feed this stomatch. Wrinkles and every trace of age disappear from the face, neek and hands, which must be fed through the pores of the skin to keep them fresh, youthful, plump and free from wrinkles. This is the science of restoring and preserving youth as created and taught by Mma. Yale's Excelsion Skin Food, as it is the only genuine and there are many im-mitations.
