

COMMERCIAL AND FINANCIAL

Wheat Fluctuated Lively Yesterday and Closed One-Eighth Cent Lower. BUSINESS WAS DULL FOR AN HOUR.

Corn Was Again Extremely Active but the General Tone of the Market Was Firm—Stocks and Bonds.

CHICAGO, Jan. 9.—Wheat fluctuated lively today between 57 1/2c and 58 1/2c and wound up 1/8c lower for May. The news was generally bullish, but the world's visible decrease was not up to expectations and on that the market finished easy. Corn closed bid high, 47c, higher, and provisions at slight gains.

Wheat opened about as it closed on the previous afternoon, May brought 57 1/2c to 58 1/2c on the opening, and then between these prices and 58c for half an hour and then made a slight advance. Business was exceedingly dull for an hour.

Bradstreet's visible supply occupied speculation and the general expectations previous to its receipt was favorable to the bulls. Receipts were again light and export clearances fair. Foreign markets were generally quoted firm and the market advanced that another 100,000 bushels of wheat sold this morning for immediate shipment to the seaboard, making 250,000 bu. disposed of in that way in the last three days.

Corn was again extremely active but the general tone of the market was firm. Stocks and bonds were also active. The market for wheat was generally quiet, but there was a slight advance in the price of wheat here, which was due to the fact that the market was generally quiet.

There was about half an hour of moderately active trading, but the day's fluctuations were slight, but for the most part above the price of 47c. The market for wheat was generally quiet, but there was a slight advance in the price of wheat here, which was due to the fact that the market was generally quiet.

On the Producers' exchange today the butter market was steady, creamery, 12c; dairy, 11 1/2c. Eggs, steady, 18c. The market for wheat was generally quiet, but there was a slight advance in the price of wheat here, which was due to the fact that the market was generally quiet.
