A meeting of the executive committee of the Southwestern Iowa Teachers' association was held in this city yesterday for the purpose of deciding upon the place and time of holding the first meeting of the associa-tion. Those present of the committee were: Mrs. Helen Clute of Atlantic, F. A. Lacy of Shenandoah, Superintendent Sim Shenandoah, Superintendent Simons of Fre-mont county and Superintendent H. W. Saw-yer of Council Bluffa. Several places had sent invitations to the association, but it was finally decided upon that the first meet-ing should be held in as accessible a place as possible in order that the attendance at the outset might be large. Council Bluffs was accordingly selected, and the meeting will be held for three days, commencing April 11. It is expected that between 600 and 700 teachers will be present.
