The injury was not thought to be serious at the time, but last Saturday he was suffering so much pain that a surgical examination was decided upon, and it was found that the upper end of the femur was dead, and the entire member was badly inflamed as a consequence. It had to be amputated at the hip joint. Ever since the accident he has been steadily losing vitality, so that he is not nearly so well prepared for the nervous shock occasioned by the amputation as he would have been had the operation been performed at first. His recovery is a matter of grave doubt.

NEWS FROM COUNCIL BLUFFS

COUNCIL BLUFFS. Lottie Beadle Commits Suicide by Hanging at St. Bernard's Hospital.

MATTER SECRET FOR SEVERAL DAYS. Attache of the Institution Declare that They Merely Followed the Request of the Relatives of the Victim.

Lottie Beadle, one of the inmates of the insane department of St. Bernard's hospital, committed suicide last Friday morning, but the hospital authorities succeeded in keeping the matter a secret until yesterday. The unfortunate girl had been an inmate of the hospital on two occasions, and during her stay appeared like one suffering with melancholia, which, leaving her at times, caused the people at the hospital some doubt as to whether she was really insane. About 9 o'clock in the morning she went to her room and made up into bed. Sister Mary Ignatia was with her, but left her returning in about three minutes to find the door shut. She tried to open it, but found that Lottie had crowded the bed against the door. A hard push succeeded in opening the door, when Lottie was seen hanging by a strap from the transom. She was cut down, when respiration began. The work of the physicians failed to bring her to, however, as had been hoped, and she died soon after.

DES MOINES' NARROW ESCAPE.

Her Corporation Assailed and All but Overthrown in Court.

FORMED UNDER UNCONSTITUTIONAL ACT.

Law Passed by the Twenty-Third General Assembly Was Invalid, but Its Acceptance Has Resulted in Its Being Finally Upheld.

DES MOINES, Feb. 18.—(Special Telegram.)—Judge Holmes in the district court today decided the case of a state of Iowa on a petition of A. C. Wise against the city of Des Moines, in which the constitutionality of the act enlarging the city is assailed. After a thorough discussion of the questions at issue the court says: "It seems to me, both upon authority and reason, that chapter 1 of the Acts of the Twenty-third General Assembly is not a general law and is an act for the incorporation of a new city of Des Moines, and is therefore within the inhibition of the constitution, and that had the validity of the act been brought in, at or immediately after its passage, the courts would have been compelled to declare it void." The judge adds: "But the claim is made that by reason of the lapse of time, and more certainly upon consideration of the gravity of the act, attached since the act was believed to be a law, and of the serious consequence that will now result from a determination that it is invalid, the courts ought not and will not so declare."

The fact is noted that while such legislative acts are unusual in Iowa, they are not infrequently made by other departments of legislation. Many cases are cited, and the court concludes to sustain the demurrer chiefly on account of "the gravity of the consequence that will now follow upon the dissolution of the corporation, the length of time the state has acquired in the exercise of corporate powers, and the fact of recognition the state itself has given the corporation."

The decision shows that the city has had a narrow escape from being declared unconstitutional.

DEATH OF HON. JUSTICE CLARK. Well Known Iowa Citizen Passes Away at Los Angeles, Cal.

RED OAK, Ia., Feb. 18.—(Special Telegram.)—A telegram announcing the death of Hon. Justice Clark at Los Angeles, Cal., was received today. To say that the people of this city feel the loss deeply is expressing it mildly. He was born at Roynton, Vt., March 22, 1819. In 1839 with his father he came west, his father at that time buying the largest and finest farm in the state, the Governor Chittenden farm in Chittenden county. Near here was Williston academy, taught by the father of President Arthur, whose Clark was educated. Iowa had then been organized as a territory but one year.

When Mr. Clark first cast his lot in Iowa, thrown upon his own resources, he engaged in the business of mercantile business. Eventually he became interested in farming upon a large scale until he, with his nephews, B. B. Clark, and Clark, organized the Bank of Oak National bank, one of the first banks financially in the state. Mr. Clark becoming its president. He was also president of the Chicago and North Western, the Kenesaw Mountain, Atlanta, Macon and Tifton, takes up immediate connection of L. & N. trains, leaving St. Louis at night, in Union depot at Nashville.
