Benson and Allen T. Howard. Miss Benson

To assume that when you get a B., K. & Co. bargain

you get one that's not equalled anywhere. You may pay less than \$7.50 for a suit, but you don't get the 'way up suit for \$7.50 that you are sure to get of us. Now \$7.50 is not the regular price of the suits we are selling for \$7.50, be-

cause they are winter suits, left from many different lines; suits that are as good cold weather suits as you'll get often for \$10 or more, but they are not suits bought to sell at \$7.50, mind that. There are others, better, more money. Overcoats-we're stuck on a few. If you come in and see the prices you'll get stuck on one of them yourself. The spring overcoats are in, and so are the new block spring hats in "Stetson Special" at \$4.50 and the "Browning-King Special" at \$3.50.
