

CITY COUNCIL PROCEEDINGS

Retrenchment Committee's Report Adopted with Some Promises from Members.

PROPOSE SAVING FOURTEEN THOUSAND

Attention Called to Capitalists Not Named and Corporations Which Shirk Taxes—Where the Council Proposes to Make Cuts—Departments Affected.

The long anticipated report of the finance committee on the matter of retrenchment was the most notable feature of the city council meeting last night. It was as follows:

REPORT OF THE COMMITTEE. In our report which accompanied the annual tax levy ordinance we stated that out of the 41-million levy, 20 million, or nearly 50 per cent of the whole amount levied, were necessary to provide for the charges of honest citizenship, to tax the city for services. Since that time we have been pursuing our investigation against the city for services. Since that time we have been pursuing our investigation against the city for services. Since that time we have been pursuing our investigation against the city for services.

LEGAL DEPARTMENT. Superintendent of buildings, \$4,288; Board of Public Works, \$20,000; Police court, \$1,000; City clerk, tax list, \$1,500; Board of Health, \$1,100; Board of Public Safety, \$1,000; Boiler inspector, \$96; Sewer maintaining fund, \$7,874; Janitor city jail, \$1,000.

ENTIRE REPORT ADOPTED. Bechel moved the adoption of the report and Knemt took the floor in behalf of the building inspector's clerk. He contended that while this official might have been spared during the winter months the busiest season in that department was at hand when the services of a clerk would be needed.

FACTS IN THE CASE. The sum of the whole matter is that the corporations must bear their share of the expense of the city and that it is possible for those who advocate a decided change in the present system to give effect to it. It is possible for those who advocate a decided change in the present system to give effect to it.

IF THE FACTS GIVEN WILL FIND JUDGMENT in the minds of the voters in the different wards in the city and at the next election bear the fruits in the shape of official pledges to a correction of existing wrongs much will be accomplished in the direction indicated.

IN conclusion, we desire to register most emphatically a solemn protest against the iniquitous system of taxation by which organized capital and vast wealth in this city are escaping their just proportion of the expense of maintaining the municipality. Wise and conservative laws are enacted for the protection of our business, our factories, our expensive municipal machinery in order to protect our business, our factories, our expensive municipal machinery in order to protect our business.

CUTS THAT ARE PROPOSED. The committee to which was referred a resolution looking to retrenchment and a more economical administration of city affairs has been to make the following report as to salaries and other expenditures: Legal Department—Discontinue telephone in assistant city attorney's office.

PLUMBING INSPECTOR—Pending action by the legislature on the charter we recommend the favorable the ordinance regulating fees, proposed by the plumbing inspector, which, in his judgment, will bring in a revenue of \$2,000 per year, against \$500 or \$500 by the present ordinance, which will make this office self-supporting.

TO THE CLOTHING TRADE.

Closing out a single stock should not stir up the regular clothing merchants to fits of rage. There's no sense in it. Every one knows that the Cook clothing stock was one of the largest and best in the city to say nothing about spring orders already placed. The Cook Clothing Co. did not sell because the prices were too high. The creditors had to have money, sell or no sell. Does any sane person believe a firm having the money would buy such a stock unless it could be sold at half the former selling price?

WHAT MANAGER CUDAHY HAS TO SAY

Board of Trade Arranging a Banquet for Senator Manderson and Congressman Mercer—Other News from the Maple City.

The oleomargarine law will not affect that industry of South Omaha as yet. The Cudahy Packing company is the only plant in the city which manufactures oleomargarine. Mr. E. A. Cudahy, head of the Cudahy company, last night said that the passage of the bill would not affect his plant in the least. Work in the oleomargarine department will continue just the same, and the product will be shipped out of the state. No oil will be discharged on account of the law, as the company has orders ahead for several months to come. It is intimated that the company will ship the goods to Council Bluffs, and then send it back here and sell it, or the Cudahy company will send the packages of oleo to the Chicago end of the concern and merely exchange products, as the Illinois law permits the manufacture of the oleo products, but prohibits the sale in the state.

SALE OF LADIES' AND CHILDREN'S WEAR. LADIES' ALL WOOL DOUBLE CAPES, \$1.50; HANDSOME SATIN TRIMMINGS, 10 CASES OF THE LATEST STYLES IN CAPES AND JACKETS AT FROM \$1.95 TO \$3.50.
