

HALF MADE LAWS WAITING

Bills that have Passed One House or the Other Now Hung Up.

IRRIGATION AND BEET SUGAR COUNTY

Measures of Chief Public Interest Started—Labor Bills Linger in the Senate—Garlean Investigation May Mean Many Things.

LINCOLN, March 9.—(Special).—There seems to have been a friendly contest between the house and the senate as to which shall perform the most service to the state by enacting the least legislation, and up to date an experienced judge would have some difficulty in adjusting the claims of the two branches of the legislature. The senate has passed a notable service to the state by passing the two much needed irrigation bills.

House roll No. 76, by Griffiths, of Adams county, has been recommended to the favorable consideration of the legislature by Governor Crounse. It provides for the appointment of a physician and the superintendent and first assistant physician of the State Hospital for the insane shall constitute a penitentiary medical board.

House roll No. 77, introduced by Sutton of Boone county, and which has been briefly provided for by any county now serving itself under the township organization law may return to the commissioner system of the county clerk for a submission of this county clerk for a submission of this township.

House roll No. 82, by Bee, of Furnas county, authorizes the investment of sinking funds in the hands of county treasurers registered warrants on the part of the county boards. It confers a similar authority upon city and school district officers.

COUPLE OF LABOR BILLS. Representative Jennens of Douglas county has introduced a number of bills in the house at the instance of the Central Labor union of Omaha.

Another noteworthy bill in the interests of Nebraska is house roll No. 183, also introduced by Jennens. It is an act to protect employees and guarantee their right to belong to a labor organization.

There has been a friendly contest between the house and the senate as to which shall perform the most service to the state by enacting the least legislation, and up to date an experienced judge would have some difficulty in adjusting the claims of the two branches of the legislature.

WILL HAUL SEED GRAIN FREE

B. & M. Will Haul Actual Donations Only Without Charge to Destination.

LAMBORN'S BOND BILL IS A FAILURE

Only One County Has Voted to Make the Issue and that One Will Not Present Bonds for Registration at Lincoln.

LINCOLN, March 9.—(Special).—The relief commission was made glad today by receipt of the intelligence that the B. & M. road would grant free hauling of seed grain donated to destitute farmers.

It is quite evident that house roll No. 1, Lamborn's bill, to allow counties to vote bonds for seed grain is a dead letter. Word has gone out through all the destitute counties that the act was unconstitutional.

EXETER NOTES AND PERSONALS. Modern Woodmen of that City Entertain a Large Number of People. EXETER, Neb., March 9.—(Special).—Mr. and Mrs. C. A. Bickel, who have been spending the winter in California, returned home Friday, and say there is no place like Nebraska.

LINDSAY DESIRES A NEW TRIAL. Attorneys of the Convicted Fire Fighter File Their Petition. PLATTSMOUTH, March 9.—(Special Telegram).—Attorney Will Gurley of Omaha, counsel for James Lindsay, against whom stands a verdict of manslaughter, came to town this morning, and with the assistance of Lindsay's local attorneys prepared a motion for a new trial, and the same was filed with the clerk of court late this afternoon.

NEBRASKA MAN KILLED IN CALIFORNIA. AURORA, Neb., March 9.—(Special).—Elmer Newton, a brother of Station Agent H. E. Newton of this city, was killed in Los Angeles last week in a row over some trivial bicycle matter.

ORD, Neb., March 9.—(Special).—Mrs. J. W. Perry has returned from a very pleasant visit to Wayne.

LINCOLN LOCAL POLITICS WARNING. LINCOLN, March 9.—(Special).—Local politics in Lincoln is becoming sly. This morning State Senator John B. Wright sent to Mayor Welch a letter, in which he asks that three policemen be stationed at the places of holding the primaries to protect his supporters.

GETTING CLOSE TO DAVIS

Important Testimony Connecting the Lincoln Prisoner with the Rock Island.

HIS PECULIAR CONDUCT AT THE SCENE

One of the Passengers of the Ill-Fated Train Describes the Negro's Actions in Assisting the Victims of the Affair.

LINCOLN, March 9.—(Special).—The jury in the murder trial of the state against George Washington Davis was excused today at noon from further service until Monday.

DEFEAT FOR THE OMAHA CHARTER. Probably that the Bill Will Never Pass the Senate. LINCOLN, March 9.—(Special).—The extraordinary delay in the report of the Omaha charter is occasioning much unfavorable comment among the friends of the metropolis who hope to secure the amendments recommended by the committee.

YORK COUNTY LITIGATION. Suit of Robertson Against Brown Involving Domestic Affairs Settled. YORK, Neb., March 9.—(Special).—The jury in the case of Robertson against Brown, in which the plaintiff sought to recover damages from the defendant for alienating the affections of his wife, after being out for twenty-four hours, returned a verdict in favor of the defendant.

PEULIAR CASE AT BEATRICE. Mrs. Hobelman Acquitted of the Crime for Which Her Husband Was Executed. BEATRICE, March 9.—(Special Telegram).—The jury in the bigamy case of Mrs. Stevens Elliott Hobelman arrived at a verdict just after midnight, dismissing the defendant.

DAVID CITY, Neb., March 9.—(Special Telegram).—The annual educational convention of Butler county has just ended here. The attendance is fully greater by far than last year.

BEATRICE, March 9.—(Special Telegram).—The movement started by Mr. Lehmann for the suppression of prostitution in and around the city of Beatrice is already bearing fruit.

SEARCH FOR WRECK VICTIMS

Body of the Veteran Clerk, Captain Carter, Recovered at Riverside.

NO MORE ADDITIONS TO THE DEATH LIST

Several Parties Who Were Supposed to Be Lost Turn Up All Right—River Men Claim the Pier is Dangerous to Navigation.

CINCINNATI, March 9.—This has been a day of suspense among the relatives and friends of the victims of the Longfellow wreck. Searching parties have gone down the river looking for traces of the missing.

LINCOLN, March 9.—(Special).—The senate took up the new oil inspection bill this afternoon in committee of the whole, and after amending it in some particulars recommended it for passage.

WATSON SAID THAT HE HAD BEEN BURIED. The bill makes the State Board of Public Lands and Buildings the inspector of oil. The board is authorized to appoint five inspectors at a salary of \$300 per month each.
