All the meetings of the Southwestern Iowa Teachers association yesterday were well attended. Every train that arrived in the morning brought in a company that helped swell the general crowd of blushing femininity. The morning session was held at the omer school building. The question of 8 o'clock this morning sharp at the High modern methods in geography was up for school to have exhibition crill. By order of consideration. O. J. Laylander of Cedar Falls was down on the program for a paper, but he was unable to be present. His paper benefit of the nurses at the Women's Chris- | was read by Superintendent Sawyer of this city. It was discussed by Iva Beck of Shenandoah, H. A. Kinney of Woodbine and

> others. The subject of instruction in English was treated in an exceptionally interesting manner by Bertha M. Bangs of Carroll, with reference to the graded school work, and Mrs. Morna Moore of Council Bluffs in the High school. A discussion followed, in which Miss Edith Brooks of Tabor, Miss Ellen Heilman of Missouri Valley and others took part. Superintendent H. E. Kratz of Sioux City, who was to have read a paper upon the subject of "Child Study," was detained at home by sickness, but his paper

was read by Superintendent Sheldon A business session was held, at which the following officers were chosen: President, H. W. Sawyer of Council Bluffs; vice president, I Crow of Woodbine; secretary Parsons of Creston; treasurer, J. C. King Hamburg. A resolution was unanimously adopted requesting the High School cadets to give an exhibition drill at 9 o'clock in front for \$1.75 or more.

E. B. Fonda of the Council Bluffs Board of Education presided. The first subject for consideration was school holidays. A paper was read on the subject by Hon. C. W. Neal of Stuart, who favored the idea of the observance of at least all of the legal holidays, and was very much opposed to deducting the days from the teach ers' salaries. His remarks seemed to please the teachers present so well that the subsequent discussion was lost sight of, and a sor

of general experience meeting was hold with a free-for-all discussion.
"Free Text Books for the Public School" was the subject that brought out a very warm and interesting discussion, following a paper on the question read by Hon. W. M. Beach of Carroll. A spirited discussion followed the remarks of Hon. C. W. Neal of Stuart, who did not seem to be committed o either side of the question, but contented himself with pointing out what he considered to be grave objections to the system. The gravest of these was the pauper tendencies that should in the very nature of the case and of mankind follow the universal adoption of the custom. Dr. M. B. He suggested that there should be no option about it, but the law should by like the Nebraska statute, which declares that all school districts must buy books for the district, and permitted those who chose from sentiment or personal pride to buy books to get them at exact cost. The programs at the First Presbyterian Baptist and Congregational churches were almost equally interesting. At the Presby-terian there were papers by A. E. Parsons of Creston, Cora I. Smith of Harlan, Lydia

E. Turuer of Audubon, Hattle E. Peckham of Villisca and Etta M. Hunter of Creston. At the Baptist church Superintendent W. C. Moyer of Atlantic, County Superintendent O. R. Patrick of Glenwood, A. Farnsworth of Defisnce, County Superintendent A. J. Burton of Council Bluffs, Emma Funk of Red Oak and ex-Superintendent M. L. Daken of Logan took part in the discussions. At the Congregational there were papers and dis-cussions by I. S. Condit of Red Oak, A. W. Merrill of Stuart, F. A. Lacey of Shenan-doah and E. D. Y. Culbertson of Jefferson. In the evening the Presbyterian church was crowded to the limit with teachers and others to hear the address on "Heating and Ventilation" by Superintendent A. P. Marble of Omaha. It was a thoroughly practical presentation of a subject that has received too little attention from instructors, but is

coming to be regarded as an important thing in connection woth educational work. The convention will close this afternoon morning session, commencing at 8 clock, there will be class drills in mus in the Presbyterian church and a discussion of the question of school athletics. In the afternoon there will be a business meeting and a number of ten-minute speeches.

WASHINGTON, April 12 .- The letter sent by Commander Tanner of the Union Veteran league requesting the various encampments to contribute to a fund to be used in testing in the courts the validity of the actions of the commissioner of pensions in reducing or suspending pensions has aroused considerable interest in the Pension bureau.

The law states that a pension shall not be reduced or suspended without a thirty days notice to the pensioner, containing a full and true statement of the charges of allegations on account of which action is con emplated. Speaking of the matter today Commis
