DR. ALBERT HALE AND THE LEPERS.

Proposal Made to the Chicago Physician by the Hawaiian Government.

WASHINGTON, April 16 .- Mail advices from Hawaii state that the government authorities have communicated with Dr. Albert Hale of Chicago, with a view to having him take charge of the government experimental laboratory for the discovery of i means to eradicate leprosy. Dr. Hale visited Hawaii some time ago and expressed a desire to take charge of the bacteriological experiments under government direction and it is in pursuance of that plan that the health department has submitted a proposal which it is believed he will accept. The lepers on the island of Molokal have organized a brass

the Island of Molokal have organized a brass band, and Admiral Beardslee, in command of the United States steamship Philadelphia, is taking an active interest in their efforts. In order to secure instruments for the lepers a concert was given at Honolulu and Admiral Beardslee tendered the services of the Phila-delphia's band for the occasion. The Hawaiian sentiment toward the United

The Hawaiian sentiment toward the United States is shown by the annual banquet and election of the national guard. The stars and stripes were on either side, "as de-fenses" to the Hawaiian flag. The music of the event was "Marching Through Georgia," Rally 'Round the Flag," and "Star Spaneled Bannar" as a finale Spangled Banner" as a finale.

KIRK'S RAIN WATER MAKER. The Many Furposes for Which It Was Designed.

Mr. Kirk and his representatives ar frequently asked the question, "Is your rain water maker simply a hard water We answer emphatically softener?" "No." Kirk's new scientific discovery not only softens instantly the hardes water, but is equally valuable in rain or eistern water, as it renders all water soft and velvety. Clothes washed in this preparation are much sweeter and whi ter and will hold colors from running in printed goods; prevents bluing from curdling in water; prevents flannels rom shrinking. For the bath or tollet it is indispensi le. Accelerating the action of soap,

giving the skin a healthy glow, and elping to remove any superflows excre tions that may adhere to the body. For dishes and general washing pur

oses, it is very essential. Kirk's rain water maker is absolutely harmless, and must not be confounded with soap powders, as it contains no soap, lye, amonia, borax, lime or any deleterious ingredients, and saves 35 per cent of soap, and 60 per cent of labor Kirk's rain water maker can be had o all druggists, and grocers, 25c for 2-lb.
