The details. Here it is Bald of the Press Cycling club, Buffalo, N. which Lewis struggled desperately to break. The crowd, which was four-fifths for Burns, OMAHA Such as placed another world's record to his credit. It was a remarkable perform-ance, in view of the fact that Bald rode a road wheel, his racing wheel not having arrived from the east. His performance of yesterday had caused much favorable com-ment and 5,000 people attended today's races, expecting to see him establish a new record in the mile invitation, and they were not disappointed. Bald ran second in his heat and qualified, starting in the final with Burke, Foster, Ozen, Terrill and Coul-ter. At the crack of the pistol Bald got away first, and tacked on the rear wheel of the tandem, urging them on at every turn. He kept his position for the first hap, when he dropped back and allowed Coulter and Foster to get between him and the tandem. He remained in the position until the last turn into the stretch, and then, with a spurt equal to any the mighty Zimmerman ever made, he passed the tandem and across the tape a wheel's NEWMARKET TRADITIONS ALL UPSET.
