You didn't see yesterday's game of ball! No? Well, you missed a delightful contest. It was the first ladies' day, and there was a fine attendance of the fair ones. They completely filled the reserved department and dotted the grand stand here and there in gay colored groups. It was probably their inspiring presence that spurred Uncle Dave's crowd on to such a splendid victory.

George Darby pitched for Omaha, and what a game he did put up. The best the hard hitting Blackbirds could do was to garner four nits, one of which was a punk homer over the barn and another a scratch past second. He struck out seven men and had them all guessing every time they came to bat. But Darby was not the only man who played graceful ball, for Miles, Ulrich, Shaffer and Lohman were very much in evidence. Slagle was a bit sloppy, but that is liable to berall any player at any time, and his work is usually so good that a ragget streak occasionally is easily overtooked. There is no doubt but what Darby is going to prove a decided acquisition to the team. over the barn and another a scratch past to prove a decided acquisition to the team, and from this on look out for a nice string

As to the visitors, they are deserving of the fullest meed of praise. They played scientifically, and their defeat is no disgrace. Big Thomas pitched again, and while the Omahogs found him a little more frequently than on his first appearance, he acquitted himself finely. Thomas will be worth a little money to Dugdale before the season is over if he maintains the pace he has set here. Peoria's infield is a strong one, and in all the games here they worked like a well lubricated piece of machinery. This afternoo Jacksonville will make her debut. Score;

MILL MAY COME OFF AT DALLAS Corbett-Fitzsimmons Fight as a Toxas State

DALLAS, Tax., May 9 .- It looks now as if Dallas would surely get the Corbett-Fitzsimmons prize fight and that it will come off during the Texas state fair and Dallas exposition next October. Since the outlawing by legislation and court decisions two days ago of prize fighting in Florida and Louisiana, William A. Brady and Joe Vendig have been in wire communication with Dan A. The details are partially completed and a definite decision will be reached before the sheriff appeared on the course before 1 week is ended. About \$40,000 will be re-

CHICAGO, May 9.—James J. Corbett, who at the Auditorium hotel here, said this afternoon: "In regard to the report that I will fight Peter Jackson, please say that anything that Brady gives out can be relied upon as straight, and I will stand by it. I den't see one chance in a thousand of the Fitzsimmons fight coming off now that the only two places that have allowed a fight to come off in the last three years have been knocked out. I would rather fight Jackson, who is acknowledged by the public and Fitzsimmon himself as the superior, and have always wanted to fight him, but he would fight nowhere else than in London. I will take him on his ground at the National Sporting club. The fight must come off, however, in September, as my time is valuable. I don't think the Fitzsimmons fight can be pulled off and I don't propose to be chased over the ountry without a show of meeting him.

"Under the circumstances, I want to meet one or the other, and so have decided to try Jackson en his own ground."

Corbett will leave here tomorrow night for New York to perfect any arrangements, as he expects some word from London by that

time.

LONDON, May 9.—Sporting Life says that the lovers of boxing were agreeably surprised by Manager Brady's cable dispatch to Matchmaker Fleming, who said that undoubtedly the National Sporting club would entertain the match, but that he was unable to state what the amount of the purse would be or the date of the contest until Monday.
