

NEWS SUPPRESSED IN JAPAN

Populace in Ignorance of the Demands of the European Powers.

OFFICIALS FEEL VERY SORE AT RUSSIA

Ever Propagated Until the Treaty Has Been Signed to Humiliate Japan and Take Her at a Disadvantage—France Not So Offensive.

SAN FRANCISCO, May 12.—The steamship City of Peking arrived today from Hong Kong and Yokohama, bringing the following correspondence: Associated Press:

TOKIO, April 27.—Although totally ignorant up to this day of what is in store, the people of Japan are about to receive a heavy blow of adverse fortune. To what extent the news of the hostile combination of Russia, Germany and France has been made public in Europe, residents of Japan have no means of knowing, but in this country it remains a secret of state and must not be authoritatively disclosed for some time to come. Rumors are prevalent, but the startling fact that the three great powers have united to deprive Japan of the continental territory ceded by China is scarcely suspected by any outside the official circles. The announcement was delivered at Hiroshima on April 22, and after receiving the emperor's command Count Matsuoka set forth to command Viscount Matsui at the sanitary resort of Maki, whither the junior peace commissioner had repaired in order of regaining his shattered health. The heads of departments in Tokyo were notified April 24, but foreign ministers were confidentially advised on the 25th. The following day, by then the government not already concerned were made acquainted with the facts.

PAPERS DEVOID OF INFORMATION. The Japanese paper has received information on the subject, but foreign journals indulge in vague speculation. Upon the general public the stroke has yet to fall. The indignation which the Japanese intelligentsia do not attempt to conceal is intensified with the manner in which the intentions of the three powers were revealed many weeks ago, when they were framed in the cabinet and made public in terms imposed upon China. They know quite well that a part of the Shin-King province would be demanded, but if they had then declared their intention of signing the treaty, their remonstrances would doubtless have received consideration. But it seems that Russia had purposely schemed to put Japan into a painful and disadvantageous position.

By waiting until the great bulk of the Japanese army had been concentrated, he certainly strengthened her own hand, for now the troops are a thousand miles from their base of supplies and the powerful Russian fleet is in the bay. The Russian diplomatic officials have, indeed, signified that such is their intention, unless Japan yields to the pressure exerted by the three powers. Her wrath at the trick which she thinks has been played, it is scarcely credible that she will venture to resist, in case she finds that the allies are thoroughly united. Russia, if Russia is concerned, there can be no question on this point. Germany's policy is hardly less clear, though the language of her communication is so needlingly offensive that a mask of braggadochio might perhaps be suspected. France exhibits no want of discourtesy, and it seems that Russia had purposely schemed to put Japan into a painful and disadvantageous position.

JAPAN REACHING OUT THIS WAY.

Negotiating a Treaty with Nicaragua for Special Privileges in the Canal.

TOKIO, May 12.—The acknowledgment of securing a treaty with Nicaragua by which she would secure marked privileges in the Nicaragua canal. The subject has been under consideration at Washington, between Dr. Guzman, representing Nicaragua, and the representatives of Japan. At one time the basis of the treaty has been the recognition of the United States as the sole power in the canal, but this has been abandoned. The treaty would give Japan special privileges in the canal commensurate with a further prosecution of the war that the president counsels of Count Ito and Viscount Matsuoka might be secured. The news of Peking could be occupied by the victorious invaders. But the highest influence in the nation—the will of the emperor—was on the side of the army. The emperor's will is in favor of a speedy and honorable termination of hostilities had his approval and support. In the face of his avowed wish, the not a word of the emperor's claims, or of prolonged contest, and among the people the knowledge that the sovereign was opposed to the struggle held even the most ardent supporters of the war. The reaction from the bellicose sentiment of two months ago could be so sudden or complete.

PEACE POPULAR WITH THE MASSES.

From the hour that peace was declared a general chorus of acclamation saluted the two statesmen whose wise and patient labors had brought about the cessation of hostilities. The emperor welcomed them on their return to Hiroshima were cheered on all sides with genuine sincerity and in token of honoring the treaty as the will of the masses. It was feared they might, by agreeing to more lenient terms of accommodation than were hoped for by the nation at large, they would have alienated the sympathy of their countrymen to a point which few Japanese ministers of state have ever attained. All talk of their retirement is now at an end. The emperor's will is in favor of the cabinet as long as he chooses to serve in that capacity, and Viscount Matsuoka was discharged, if such is his pleasure, only on the 10th.

LI HUNG CHANG ARRIVED AT TIEN TSI.

He was welcomed by Prince Kung, who had come from Peking to meet him. Orders were sent by the emperor that Li should proceed to the capital, but should forward the treaty thither for ratification.

CLEVELAND GOES ON A FISHING TRIP.

Landed Twenty-Eight Splendid Beauties Today. The day was much refreshed by his day's outing yesterday, when, with Secretary Morton and Mr. Miller, the commissioner of Internal Revenue, he spent the day fishing in the vicinity of Leesburg. The stream at which the party enjoyed the sport had not been opened for about a year, and the catch was plentiful. The party did not commence fishing until after 6 o'clock, though they kept it up till about 7 o'clock in the evening. The president is described by his associates as a good fisherman and landed no less than twenty-eight of the seventy fish caught. The greater portion were brought to the city when the party returned. A fractional all the time was spent in fishing, a stoppage of a short time only being made at the house of the boat. Mr. Miller, the commissioner of Internal Revenue, was maintained by the president and his friends regarding the trip and the party went and returned with but few persons being aware of the fact.

HAZLETON WANTS A HEARING

Unwilling to Resign Until the Charges Have Been Investigated.

DEMANDS TO SEE MEADE'S COMPLAINT

Friends of the Accused Bringing Pressure to Bear to Secure Him a Hearing—Springs Freely of the Course Pursued by Admiral Meade.

WASHINGTON, May 12.—The diplomatic trouble concerning United States Minister Hazleton, resulting from serious charges made by Admiral Meade, as given exclusively in the Associated press dispatch, was the absorbing theme of naval and diplomatic circles today. Mr. Hazleton has received a dispatch from Hon. B. S. Smalley of Vermont, through whose influence he was appointed minister to Venezuela, saying he arrived in Washington to give his personal attention to the case. It is now known definitely that Secretary Gresham, in a cable dispatch to the minister, called for his resignation. The minister desired to see the specific charges, and before tendering his resignation will endeavor to have his side of the case presented to President Cleveland.

Assistant Secretary Uhl expected the written resignation to be tendered yesterday and asked for it in an interview with the minister in the morning, and again at 3 o'clock, but Mr. Hazleton asked that action be deferred until the arrival of Mr. Smalley, with a view of putting in a defense to the charges. He says he feels that his future standing in the world is more at stake than the retention of his diplomatic mission, which he will not resign.

Mr. Hazleton's resignation, leading up to Mr. Hazleton's resignation has been brief and entirely by cable. Secretary Gresham's dispatch stated that facts had come to the attention of the department which required him to call for the minister's immediate resignation. Mr. Gresham spoke with deep regret of the necessity for this course. No specific charges were announced.

Mr. Hazleton's dispatch, in answer, asked permission to learn the charges, but by inadvertence he requested that he might resign "to resign." He is now in a state of mind to accept a resignation, and accordingly Assistant Uhl has asked that the resignation be submitted in accordance with the wishes of the department.

HAZLETON MUCH DEPRESSED. Mr. Hazleton is much depressed over the condition of affairs. He speaks frankly in departmental circles of the situation. He has been ordered to proceed on his way to the United States, but he has refused to do so. He is now in a state of mind to accept a resignation, and accordingly Assistant Uhl has asked that the resignation be submitted in accordance with the wishes of the department.

KNOT FOR THE SENATE TO UNTIE

Senatorial Situation in Delaware an Unprecedented One.

WASHINGTON, May 12.—The probability that Governor Watson will appoint a senator from Delaware to succeed Senator Higgins is considered sufficiently strong in political circles here to cause a general speculation as to what would be the chances of his being seated. The history of the senate does not furnish a parallel case to that which would be presented by the appointment of a Delaware governor, but it is more like the case of two years ago presented from the states of Wyoming, Montana and Washington, that the senate would be likely to refuse to those in so far as it would involve the governor's right to appoint when the legislature failed to elect, and would develop other questions important among which would be the right of the governor to act in the capacity of a state senator in the absence of the legislature.

WASHINGTON, May 12.—During the past twenty-four hours the improvement in Secretary Gresham's condition has been quite considerable. Representative Hitt has been quite comfortable. Brigadier General Casey, retired, is reported as resting easily tonight.
