Evangelist Pieron Continues to Draw Great Throngs to His Meetings.

METHODIST CHURCH WAS PACKED FULL

Auditorium Sorely Adequate to Hold the Crowd that Assembled to Hear the Sermon-Success of the Meetings is Most Encouraging.

The congregation that assembled to hear Evangelist Pieron at the Broadway Methodist church last evening was larger than that of any previous week night service thus far during the series.

The meeting last evening was opened with prayer by Mr. Sarchet of the Second Presbyterian church. Then followed a very pleasant feature, being a duet by Mr. Johnson and Miss Hattie Palmer. Rev. Henry DeLong was asked for a brief prayer, and he responded in about twenty very appropriate and well chosen words.

Mr. Pieron is noted for his rapidity, as well as brilliancy, of speech, but he fairly outdid himself improving the time last evening, as can be proven by a would-be short-hand reporter who was unable to get a word of his sermon.

DOCTORS TAKE UP THE ENTIRE DAY

Many Theories Advanced in the Duffie Damage Case.

The Duffie case was supported to be still on in the district court yesterday, but to the casual observer the impression might easily be gained that a new medical college was being got under way. Anatomical charts with all their bright colorings, surveys of the brain, road maps of the arteries and everything useful for illustrating the lectures of the medical experts, were displayed before the jury and wise doctors discoursed on all sorts of possibilities, including those of hypnotism.

CITY COUNCIL PROCEEDINGS

Experiment to Be Tried of Cleaning the Streets by Day Labor.

WILL FOLLOW JIM STEPHENSON'S DAY

Decided that Election Booths Shall Remain Where They Are Until After the Next Regular Election-Bonds of Brown and Deaver Approved.

At the expiration of the street sweeping contract with James Stephenson, July 1, the city council has decided that the plan shall be tried of having the streets cleaned by day labor. This was the recommendation of the committee to which the resolution in the matter had been referred. City Attorney Connell had stated to the committee that there could be no legal objections to such a measure and reiterated this opinion to the council last evening.

Mr. Overall, on behalf of the Central Labor union, was permitted to speak in favor of the action, and the report was unanimously adopted. It is stipulated that the work shall be done by electors of Nebraska and citizens of Omaha under the immediate supervision of the Board of Public Works.

It was recommended by a committee that James Stephenson be instructed, under his contract, to proceed with the removal of the election booths, but attention was called to the fact that the contract was dated March 25, its execution delayed in expectation of a special bond election and that in the meantime the booths had been damaged by vandals and small boys. It was suggested that under these circumstances Mr. Stephenson would not execute the contract.

EXTENT OF FROST DAMAGE IN IOWA

Accurate Estimate of the Situation Along the Q's Lines.

OTTUMWA, Ia., May 14.—(Special Telegram)—Exhaustive reports concerning the ravage of the frost last night and for the three preceding nights have been received at Burlington office here from all the stations of the Iowa and Missouri divisions east of the city and north on the Albia branch. The frost was most destructive, the damage being especially heavy on the Iowa and garden truck badly damaged. (Otherwise none of the reports indicate any particular damage to the crops.)

ATLANTIC CITY, N. J., May 14.—(Special Telegram)—The frost of the past two mornings has not caused a very great amount of damage. Fruit is hurt but little, except grapes, in some localities. Many fields of corn on the main line west and south have been injured, but this only retards it for a short time.

BOONE, Ia., May 14.—(Special Telegram)—At the first Methodist church in this city is being held the district conference of the W. P. C. in this vicinity. The visitors have been handsomely entertained by their sisters in the church here. A number of interesting papers read and discussed relative to the work of the society, together with addresses by various members. An interesting feature has been the presence of Miss Lizzie E. Brown, a young lady who has been called to leave her home to do missionary work in foreign fields.

OTTUMWA, Ia., May 14.—(Special Telegram)—Rev. J. H. Lloyd, for years rector of Trinity church, died this morning at his home of consumption. The death mark was made by a cerebral hemorrhage. He had battled long enough to see the new church built this year. The day of his dedication, he was suffering from his illness, and he never before witnessed in an Episcopal church in this city. He leaves a wife and three children. A funeral service will be celebrated Thursday at 10 a. m., and the body will lie in state at the residence of his widow, Mrs. J. H. Lloyd, 1000 North Second street. The bishop and clergy from neighboring parishes will conduct the services.

OTTUMWA, Ia., May 14.—(Special Telegram)—The sixth annual convention of the Cedar Rapids district Epworth league opened at West Branch this evening. The program was a most interesting one. The Epworth League of Cedar Rapids, Iowa, was the first to be organized. Tomorrow morning the officers of the league will submit their reports, which will be followed by a general conference of the state league. In the afternoon a number of papers will be read, and in the evening addresses will be made by R. D. Black, J. G. Van Ness and J. C. Magee.
