Yesterday afternoon's ball game was a slugging match from start to finish and was the worst game of the season played on the home grounds, the only redeeming feature being the consoling fact that the Omahogs gave Methusaleh Traffley's "colta" a firstclass drubbing, although they came out of the acrimmage themselves pretty badly disfigured. It was ladies' day and there was a great crowd of the fair sex present, and it tickled them immensely to see the husky ball tossers come up in succession and swat

Donnelly started in to do the twirling for the home team, but the Prohibitionists jumped on him from the beginning, Letcher, Mohler and McVicker touching him up for a double apiece and Holmes following with a single, the whole batch netting two runs. They waited for the next inning, though, before they went after him in real earnest, and after nine luscious runs came in he sat down on the bench to cool off and Darby went into the box. Only eight hits were made off him during the remainder of the game, two of them homers, but together with a lot of odoriferous errors by Siagle, who muffed four flies that came down into his hands, brought in eight Hutchinson played a star game, both at the bat and in the field, and Miles held up his end well, too.

It was an uphill game for Tom McVittle's gang from the second inning, but with a continual slap, batter, bang, which made Figgy look rather rosy around the gills. and with some assistance from Colonel Mc-Kibben, they pulled out the game. Here are the details of the carnage; OMAHA. SH. SB. PO. A.

BILLY SUTHERLAND WINS THE MILE

Was Never Bothered by the Field from Post to Wire-Four Events Surrounded by fome Elements of Uncertainity.

Notwithstanding the torrid weather and the strong counter attractions on this side of the river there was a fair attendance at Union Park yesterday, the thirteenth day of the running meet. The card was an excellent one and run off under the most auspicious conditions that have yet favored the management. The late rains have left the picturesque park in a lovely form and the track has again been worked down to perfection itself, and the Pottawattamie bluffs looked down upon as fair a scene as ummer sun ever shone upon. It was truly perfect day for the great sport of kings. There is one thing the management should understand-that promptitude is the success

of any event where the patronage of the people is depended upon for its support. The Omaha people have been getting home too late to suit their fastidious tastes. Getting back broke is bad enough, but to be faced by a deserted dinner table after you get there Duisville 0 0 0 2 0 0 0 0 1 0-3

The first event yesterday was half-mile heats for horses that have not won during this meeting. There were eight startors and they were flagged for a splendid get away, Bay View first pulling out of the bunch, followed by Dick Tiger and Beeton. away. Just before rounding into the stretch Scott's chestnut gelding, Parole, forged to the lead and kept it up down the stretch and home with Bay View second, Beeton third and Dick Tiger fourth. Parole was a 6 to 1 shot, Linden Boy and Bay View being the favorites at 3 to 2. BALANCE WAS EASY.

The betting opened up for the second heat as it may, however, the winner of the first heat wasn't in it. Bay View got the best of the start and led the bunch home, al-though Victor B, who was lapped with the Jones horse, made a sort of a fight for first place. The two winners got a good start, with

The second race, a three-quarters, selling, was slow coming on. Borderer was a pro-hibitive favorite, and, in consequence, the betting was light, even the "place boys" being leary of the outlook. "But hoss rac-ing is very unsartin, sah," as the Kentucky gentleman put it. Borderer wasn't in the hunt. The horses were sent off finely, and coming down the stretch Pony Bob and John R were nose and nose, and remained that way under the wire. The mile race was the race of the day Billy Sutherland was favorite on the slate at 3 to 2, but was not the favorite in betting, as all the money went in on Little Nell and Constant at 2 to 1. It was a rat-tling race and the talent who went on Sutherland won their money. He beat out Deceit and Little Nell by a head, but could easily have accomplished it three lengths.

The fourth race, a six and a half furlong selling, was taken by a rank outsider, who sold at 12 and 19 to 1, while Artless brought 3 to 2 and La Juive the same figures. Craft

WASHINGTON WAS WINNING.
WASHINGTON, June 5.—At the beginning of the fifth game between Washington and Cleveland a heavy downpour of rain began. It cleared up inside of 30 minutes, but the grounds were so wet that Umpire Long decided the game could not be resumed. Up to that time, Washington had four runs to its credit and Cleveland one. Eight hits had been made off Young, while Stockdale had not allowed the visitors to obtain one. Zimmer made the only error. Glasscock is expected to be here tomorrow afternoon. WILL CLOSE TODAY.

Today will be the last day, and a very attractive program has been prepared. In addition to the regular card there will be a gentleman's riding race, the horses to be used being drawn from the different stables on the grounds. The following well known Council Bluffs gentlemen will have the mounts: Thomas Metcalfe, Ned Everett, Bert Woodbury, L. Zurmuhlen, T. C. Dawson, Paul Aylesworth, George S. Wright, George Mayne and Herman Ogden.

The Associated press reporter called on Fitzsimmons tonight. The ex-middleweight champion said: "I feel perfectly satisfied the contest will take place at Dallas. I can assure you, and the public generally, that I am just as ready to meet Corbett as I would be to meet an inferior in the ring. Corbett, I believe, has said I was not in his class, but if Charlie Mitchell was, then I certainly must be, and I cannot see where I could possibly be left out. Depend upon my word, Mr. Corbett has a big costract on his hands, and when he meets me he will tackle a better man than he has ever met before. Give me a fair, trustworthy referee, and I have no doubt that I shall prove myself the better man. It is just possible I may weigh twenty pounds lighter than Corbett, but I can easily make up for that and our relative weights may be 168 and 187."

Fhilip J. Dwyer, stakeholder for the coming fight between Corbett and Fitzsimmons, when seen tonight, said: "I am perfectly satisfied that Fitzsimmons and Corbett will meet to test indir scientific abilities in the latter part of October near Dallas. Tex. I have now in my possession \$25,000, \$10,000 each from the principals as a side bet, and \$5,000 guarantee from the Dallas people. THOUSANDS WATCHING THE D'ZZY WHIRL

Fredrickson and Holloway Continue Their Frantic Endeavors to Overhaul the Flying Kid, but Make No Headway-Wild Time at the End.

There was an old-time crowd at the Coliseum last night and no mistake, a crowd that embraced its thousands and recalled vividly the stirring days of '88 and '89. Competent judges placed the attendance anywhere between 2,500 and 3,000 people. All of the seats outside the reserved enclosure were packed with delighted and enthusiastic throngs, the promenades were blockaded and hundreds viewed the thrilling spectacle from the opera chairs in the area set aside for those who are willing to pay a little extra for the privilege.

Referee Potter did not announce that five laps had been deducted from Edghill's score, as the judges took no action. Complaints had been made to them in reference to some supposed errata in the scoring in favor of Edghill and the judges unanimously agreed to investigate the matter and correct any fault that may have been committed. They did this and discovered no good and sufficient reason why the original score should be altered or amended. Consequently the score remained last evening just as it was announced in The Bee yesterday morning.

Edghill comes out in an affidavit to the fact that Holton did not foul or even take the slightest illegitimate advantage of him The race began at 8 o'clock to the dot, and to the resonant cheers of the expectant thousands the eight riders were sent away at a merry clip. 'Round and 'round the oval track the tircless racers whirled, with Herman Gadke acting as pilot for the gang. His pace was sharp and clean and kept his followers pumping away at a furious rate Hardly ten minutes had elapsed when Holoway and Fredrickson set out to do a lit tle business by themselves. They were succeeding, too, in admirable form, when on the upper turn of the big track their pedals came together with a crash and down went both men in a promiscuous heap. Fredrickson was the first to recover his mount and get up steam again. Still he lost a lap, while the plucky Plattsmouth man, who had much trouble in getting another wheel, lost two. An hour later on the lower turn the kid took a tumble. His handlers, however, were quickly at his side and, assisting him astride his wheel, away he went, swifter, steadler and nervier than

ever. His jump-up cost him a lap FINE PRIZE FOR TONIGHT. Such is the extraordinary interest in the ontest, and so great all the crowds flock ing to see it, that Manager Heyden has felit incumbent upon himself to offer some ad-ditional special prizes, and tonight he will hang up a handsome stop watch for the first man across the tape at the finish. It was nothing but spurt after spurt las

light, and such scenes of wild excitement and picturesque confusion have seldom beer witnessed in this or any other city. The uproar was fairly diabolical. The Kid did a lot of masterly riding and again and again demonstrated that there is no man in the race who stands a ghost of a show of beat ing him out, that is if he lasts. Most of the time he rode at a thirty-mile clip, and did t casy. Holloway also did some great riding, and had he a wheel to his liking, there is no telling what he might be able to accom-plish. He started out for a lap last night at an early stage of the game and got it. The Kid was apparently willing and contented himself with banging on to Fredrickson's trail, while Harvey was engaged in his me teoric flight. Tessier, the Sutton man chafed a tire on his eleventh mile, and mournfully threw up the sponge. Holton be in the ring fit and ready on the day to be fixed in the latter part of October by the Dallas people. The Associated press reporter called on posed, and he concluded to rest until tonight. uous effort to collar the stop watch on the

final spurt for the wire.
For the information of those who do not know much about cycling racing rules, is stated here that Fredrickson committed no foul last night or at any other time. When he took the pole last evening at the upper turn by going on the inside of the Kid, he did only what he has a perfect right o do. A rider can pass another either on the inside or outside, so long as there is room. If any disaster follows it is the one province of the referee to decide, which he ould do by proclaiming a foul. If no acc dent is caused no foul has been committed. HOT WIND UP.

The finish last night was another cataciysm of excitement. It seemed that the frenzied masses would lift the roof from the building. They shricked and yelled, gestleulated and jumped up and down like so many lunatics at a charivari party. Everybody did their worst. The cat was closed up in the folding bed, the bookcase was rolled down the spiral stairway, and the hired girl dumped the coal oil can into the kitchen fire, while the old man seized a sledge hammer and lit into the furniture It was pandemonium personified. And all the time the riders flew like versi colored streaks about the track, Holloway, Fredrickson and the Wonderful Kid viein with each other in their thunderous course. But it was no use. The Little Messenger Boy was the hero of the hour. His pluck was marvelous, his speed incredible and when Referee Potter's pistol cracked he shot over the tape a dozen lengths ahead of Holloway, and Holloway two or three ahead of Fredrickson.

But now that the wild scenes of turmoi have died away, sober lookers-on of last night's stupendous performance will evidently see that that man Holloway is a dangerous contingent. The kid can take no naps from this on. The big fellow from Cass county is coming and coming fast. However, the kid is the idel of the hour and if he is beaten the man who heats him will have the honor of beating one of the wonderful riders of the age.

Johnson of Minneapolis to race him for \$5,000 a side, the distance to be from a \$5,000 a side, the distance to be from a quarter of a mile to fifty miles, at the option of Johnson. Johnson is given two weeks' time to answer the challenge. If accepted the race will take place at Asbury park during the big meet there, which begins July 8. Zimmerman has placed a deposit in the hands of J. D. Beeg, of the Asbury Park wheelmen. Zimmerman. Tom Eck and Beagle were in the city today and called on Chairman Gideon of the League of American Wheelmen to ascertain if such a match would be sanctioned. Mr. Gideon said he saw no objection to such a race.

Gldeon said he saw no objection to such a race.

ALBANY, N. Y., June 5.—Tom Eck said tentisht that Johnson challenged Zimmerman on June 1 to race at \$1,000 a side in three weeks at Waltham or on any other track unknown to both cyclists. "Zimmerman is the champion and he is the one to be challenged," said Eck. "Johnson has only \$1,000 to put up and Zimemrman knows it. Zimmerman has been practising on the Asbury track and seeks thus to gain an advantage over Johnson."

DEVELOPED SOME VERY GOOD TENNIS

Play in the City Tournament Reaching the

Exciting Stages. There were some more good games played in the city tennis tournament out on the grounds of the Omaha Lawn Tennis club last evening, and there was a fair crowd present to witness them. The hottest games of the tournament, however, are oming in the next three days, as the poorer players have been weeded out, and is nothing more than giving good ad-

poorer players have been weeded out, and it is nothing more than giving good advices to the tennis players of the city to come out to witness them if they do not want to miss a treat.

The game that excited the most interest yesterday afternoon was that between Young-Doane and Cullingham-Harts in the doubles. Although the latter team won in three straight sets it was a closer game than the score indicates. There was not much difference in the individual playing of the members of the team, Young almost equalling Cullingham, if not fully doing so, and Doane being almost as good as Harte, but the team work of the winning team gained the victory. Doane has not been playing recently, and consequently was not in form, especially for a match in the doubles, and Young naturally on that account did not have much confidence in him and did not play his usual game. On the other hand, while Cullingham does not play a game in the doubles equal to his game in singles by any means, he and Harte worked together in good shape. There were many pretty rallies in the match, especially about the net, but Doane frequently fell down in them on account of his lack of practice.

The first set was played sharply by both teams, and resulted in favor of Cullingham and Harte by the score of 6-1, the points being 29 to 20. The score of the second set by games was 6-3, and by points 36 to 26. The last set was hard fought, the score being deuce twice, 5-5, 6-6, but then Cullingham and Harte obtained two love games, the only ones in the match. They were really lost by Young, he losing

then Collingham and Harte obtained two love games, the only ones in the match. They were really lost by Young, he losing four points in one and three in the other. There was another well contested match in the doubles, between Denise-Tilden and Bancker-Findlay. Three sets were played, two being won by Bancker and Findlay and one by the other team. The match was stopped by darkness and will be played out this afterneon. The other match that had been scheduled was between Austin-Haskell and R. Young-Hopkins, and it was defaulted to the former team.

Two good games in singles were played in the afternoon between Haskell and Tilden and between Harte and Colpetzer, but there was nothing noteworthy in the play. Haskell and Harte winning easily. The summaries are as follows:

Singles-Haskell beat Tilden, 6-0, 6-2. Harte beat Colpetzer, 6-2, 6-2.

Doubles-Cullingham and Harte beat Young and Doane, 6-1, 6-2, 6-3, 8-6; Austin and Haskell beat R. Young and Hopkins by default.

On Saturday the champlenship matches are to be played, the winner of the tournament in the singles to meet Austin, the present champlon, and the winners of the doubles to meet the champlon team, Haverstick and Colpetzer.

MERICAN-ENGLAND ATHLETIC MEET Oxford-Cambridge May Meet Yale, but No

an All-Imerican Team. OXFORD, June 5.-During the past week the Oxford Athletic association has been occupied with an extensive correspondnce with the Athletic association of the University of Pennsylvania, Representatives of the University of Pennsylvania have requested that the winners of the have requested that the winners of the American intercollegiate games in the month of May should be allowed to come to England to compete with teams selected from the Oxford and Cambridge universities. The proposed contest, it was represented by the University of Pennsylvania, could easily take place after the Oxford-Cambridge events, fixed for June 7, had been decided. A committee from the Oxford-Cambridge University Athletic clubs carefully considered the proposal of the University of Pennsylvania students at two conferences held during the last fortnight. Yesterday this committee cabled officials of the University of Pennsylvania students at the Cambridge University of Pennsylvania fortnight. Yesterday this committee cabled officials of the University of Pennsylvania Athletic association: "Unable to accept challenge." ssociation: "Unable to accept ch he Associated press has obtained Oxford-Cambridge committee the following statement of the reasons which induced this First-The Oxford-Cambridge Athletic as

decision:

First—The Oxford-Cambridge Athletic association would be overweighted from the outset in competing with a team which, it is understood, contains representatives of all the American universities. To make such a contest equal, the challenge of the Americans should be so worded, as to allow athletes from all the universities of Great Britain to take part. Representatives from Oxford, Cambridge, Edinburgh and Dublin, for instance, should be allowed to participate to make the event fair for all concerned.

Second—The Oxford-Cambridge committee felt that the first right of challenge ought to be conceded to Yele, in consideration of the fact of Yale having sent a team to England in 1894.

At the recent conferences of the Oxford-Cambridge the challenge was discussed and the situation fully convessed, so far as Yale and Harvard were concerned. Of the Yale men who competed here in England in 1891, one of the members of the committee said: "They were the nicest fellows in the world, and true sportsmen. Therefore, we would be giad to help out, and we have decided to send a challenge, and we have also malled to them a formal challenge. We, that is Oxford and Cambridge, would be glad to take a team to America next September to competes with Yale and Harvard, and the decision whether this match shall take place rests with them alone."

BUT 3 DAYS REMAIN

In Which to Consult the Magnetic Healers Now at the Paxton Hotel.

No New Cases Will Be Taken for Treatment After Saturday, June 8th.

The past two weeks our city has been descripted and dumbfounded by a strange and most wonderful occurrence. Two young men, known throughout the world as the Human Magnets, have daily been accomplishing cures of the most chronic and ag-gravated cases that have for years defied the skill and ability of the most eminent and learned practitioners. In fact, so truly marvelous and phenomenal have been many of the cures effected that doubt and skepticism no longer exist, especially in the minds of those who attended any of their public demonstrations at the opera house, or who have taken the trouble to gate for themselves. The incredulous-of whom there were hundreds prior to the public exhibitions—have been forced to admit that Animal Magnetism in the hands of these Human Magnets possesses the most unlimited curative properties of any treatment now known to the medical world. Words fail to do justice to the many outhing and pathetic scenes which daily and hourly transpire in the private parlors of the Magnetic Healers at the Paxton hotel, as the blind, lame, sick and crippled emerge from the treating rooms to join their anxious friends in the parlors, their step more firm and elastic and their faces beaming with smiles and satisfaction, as they realize for the first time in years that finally there is hope of their sure and permanent restoration to a life of health and happiness, and that greatest of all blessings-health-to be accomplished the use of medicines.

There has never been a medical practitioner in this part of the country who has caused the excitement and comment that have been occasioned since the advent of these Magnetic Healers in this city some two weeks ago, and it is no wonder that such has been the case, for the cures performed, not only upon the public stage, be-fore thousands of the best citizens of Omaha, but at the Paxton hotel in private, have never been equaled by any other mode of treatment. While many of the grateful patients look upon their recovery as mircles, it is not so claimed by these Magnets, and is easily accounted for on strictly scientific principles. It is well known that these two Human Magnets daily generate eight times more Magnetism than the average man, and the wonderful cures accomplished are all produced by the transfusion of this Magnetic force from one of these Magnets to the patient.

While it has been extensively advertised "that patients would only be taken for treat-ment the first week, or from June 3d to June 8th, there still exists the idea among many that because the Human Magnets will remain in Omaha at the Paxton hotel one month, or to June 30th, that patients will be taken during that time. Therefore, to correct such impressions, it is now stated that NO NEW cases will be taken for treatment AFTER SATURDAY, JUNE 8TH. Those who desire private treatment and are able and willing to pay for same may call at the Paxton botel THIS WEEK ONLY, to Saturday, June 8th, where sultation, advice and examination will be given entirely free
