

THE LAST DAY

In Which to Consult the Magnetic Healers Now at the Paxton Hotel.

No New Cases Will Be Taken for Treatment After Saturday, June 8th.

The past two weeks our city has been electrified and dumfounded by a strange and most wonderful occurrence. Two young men, known throughout the world as the Human Magnets, have daily been accomplishing cures of the most chronic and aggravated cases that have for years defied the skill and ability of the most eminent and learned practitioners.

There has never been a medical practitioner in this part of the country who has caused the excitement and comment that have been occasioned since the advent of these Magnetic Healers in this city some two weeks ago, and it is no wonder that such has been the case, for the cures performed, not only upon the public stage, before thousands of the best citizens of Omaha, but at the Paxton hotel in private, have never been equalled by any other mode of treatment.

While it has been extensively advertised that patients would only be taken for treatment the first week or from June 2d to June 5th, there still exists the idea among many that because the Human Magnets will remain in Omaha at the Paxton hotel one month, or to June 30th, that patients will be taken during that time. Therefore, to correct such impressions, it is now stated that NO NEW cases will be taken for treatment AFTER SATURDAY, JUNE 8th.

Those who desire private treatment and are able and willing to pay for same may call at the Paxton hotel THIS WEEK ONLY, to Saturday, June 8th, where consultation, advice and examination will be given entirely free.

"We wonder, while we try to realize the marvel of our great growth as a nation, as a community and individuals. We suppose in a certain measure this is due to the spirit of national independence and personal liberty, but this seems to have been an error. It is claimed now to be the result of the incomparable force of one of these Magnets to a patient."

"In the race to jingle gold dollars in our pockets many have been compelled to forego nearly all kinds of dollars, and then, at the last moment, they have found that the gold dollar is the only one that will hold its own."

ROYAL BAKING POWDER CO. 106 WALL ST., NEW-YORK.

Rice Pie. Paste No. 4, 1/2 cup rice, 1/2 pint milk, 1/2 pint cream, 1 egg, pinch salt, 1 cupful sugar. Boil rice in 1/2 pint water and milk until very soft; then rub through sieve, add the cream, beaten eggs, salt and sugar. Line pie plate with crustard pie, plain, pour in rice mixture; bake in hot oven about twenty-five minutes.

Duchesse Sauce. Beat 2 ounces grated chocolate in half pint milk five minutes; strain on 2 yells of lemon juice, 1/2 gill cream and 1/2 cup sugar, strain, return to fire, stir until thick as honey; remove and add 1 teaspoonful Royal Baking Powder.

HARD SAUCE. Beat one cupful sugar and 1/2 cupful butter to white cream; add whites 2 eggs, beat few minutes longer; tablespoonful brandy and 1/2 spoonful Royal Extract Nutmeg; put on ice until needed.

Custards require to be made carefully and need not unless occasion demands it, be made expensively. The plain boiled custard usually served in with tarts or puddings may be cheaply prepared.

Custards may have the delicate flavors of lemon, orange, rose, vanilla, nutmeg, etc., communicated to them by using Royal Flavoring Extracts. A few drops of rose will answer where a teaspoonful of two of vanilla would be required. By their use you avoid the necessity of straining the custard; flavor should be used after boiling it, to save driving off the fine aroma by the heat.
