SYSTEMATIC PERSECUTION OF CHRISTIANS

Kurds Have Taken to Hating Each Other—Dwellers in the Valley Assailed by the Mountain Tribes—Armenians Suspectious of Consul Pasha.

DJULFA, Russia, May 7.—(Special Correspondence of the Associated Press in Armenia.)—The Turkish government, it is claimed, has just taken the preliminary steps in what may result in a massacre of Nestorian Christians in the mountains of Kurdistan. It is asserted that the government has given orders to starve the independent tribes of Nestorians in the mountain region immediately west of Gavar, which may be described as lying about midway between Mosul and Lake Van, about fifty miles west of the Persian frontier.

ACTOR EMMETT SHOTS AT HIS WIFE

Falling in that He Beat Her with the Revolver.

SAN FRANCISCO, June 9.—J. K. Emmett, Jr., the German direct comedian, attempted to murder his wife last night, and was only prevented from executing his design by the forcible interference of neighbors. Emmett had been about town all day and in the evening returned home in a drunken condition. He and his wife had an altercation and the woman fled from the house. Emmett pursued her and fired a shot which struck her at close range. Then he caught the unfortunate woman and beat her about the face with the butt end of the gun. Two young men pulled the maddened actor from his victim and turned him over to the police. Mrs. Emmett was taken to the hospital, where the refusal to allow her to be examined. She had a violent attack of hysteria and the surgeons could do nothing with her. She insisted that she had not been shot and said her husband was too big a coward to shoot her. There was a slight wound in her temple and the police surgeon said the bullet glanced from the bone and lodged under the scalp.

Baby Sinnott, a precocious child who plays with the Emmetts, made a heroic attempt to save Mrs. Emmett from her husband's attack. He rushed about and fired a shot at her, but it was thrown aside by the drink-crazed man. Emmett and his wife recently concluded an engagement at a local theater, where they presented a play called "Fritz in a Madhouse."

Mrs. Emmett is a California girl and is known on the stage as Emily Liffon. She married Emmett about three years ago. After refusing to be examined at the hospital, she was allowed to leave and is now stopping with friends at a hotel. Emmett is in jail.

HORRIBLY TORTURED BY ROBBERS

Red Oak Horse Trader Has a Rough Experience in Missouri.

ST. JOSEPH, June 8.—George R. Morris, a horse trader, whose home is at Red Oak, Ia., was frightfully tortured by two masked men at an early hour this morning a short distance from this city, and after being robbed of \$53, his watch, chain and revolver, he was tied to a tree and left. He was on his way to this city in a wagon, and while passing through a thick growth of timber was confronted by two masked men, who, at the point of a revolver, forced him to march to a tree, to which he was tied. Then the men pulled off his shoes, and after lighting a fire burned the bottom of Morris' feet to a crisp, and finally forced him to tell where he had his money concealed in the wagon. Then they took his watch and pistol, struck him a stunning blow on the head and left. Morris' condition is dangerous.

TURKEY IS SOMEWHAT UNEASY

Awaiting the Answer of European Powers with Considerable Anxiety.

CONSTANTINOPLE, June 8.—The decision of the powers respecting the unfavorable answer of the Turkish government of the note presented to the Porte by the representative powers regarding the reforms proposed for Armenia is expected next week. There are indications that the Turkish government is uneasy at the silence of the powers and a high official has been sent to three embassies, those of Great Britain, France and Russia, to confer with the ambassadors regarding Armenia and representing to them that the Porte's reply was only a semi-official answer, and that the ambassador of the powers mentioned, however, refused to discuss the question, declaring that they regarded the reply as official and final.

Advices received here from Bilita show that great distress prevails among the Sassoon refugees. It is stated that some of them have died of starvation and that many others are famishing. A local relief committee has left Mosul to distribute bread and to construct huts. The inhabitants ask for seeds and for the restoration of their stolen cattle in order to prevent a famine. It is also feared that the approaching passage of the nomad Kurds across this district will lead to renewed raids.

Central Trade Again Aggravated.

CALCUTTA, June 8.—Dispatches received here from Simla say that the tribesmen of Chitral are again threatening to take to the hills. A body of 800 tribesmen is collected in the vicinity of Dargal and the British are preparing for an attack. Later dispatches from Simla say that a body of Shrinanhas surprised a village twenty miles from Fort Sandeman in the Zhoibio country and killed a British lieutenant and seven men.

BROTHERHOOD OF LABOR

Window Glass Workers of America Will Assist the Belgian Strikers.

PITTSBURGH, June 8.—Preliminary steps with a view of forming an international federation of the Window Glass Workers' association for the protection of its mutual interests have been taken. At the coming convention of the association, which will meet in this city June 18, the proposition will probably be one of the most important on record and an alliance with the amalgamated workmen of France and Belgium is being considered.

A strike has been in progress in Belgium for several weeks and the American workmen desire to ascertain the status of the trouble, with the object of giving them financial aid. Immediate action is urged by many members of the Window Glass Workers' association, as it is recognized that the defeat of the Belgians will work hardships upon the American workmen and will eventually result in the termination of the strike.

The members of the Window Glass Workers' association have urged that money be contributed at once to support the Belgian strikers. Such an alliance between the American and Belgian for many years, but the Americans withdrew.

First Wreath of the Year Marked.

ST. LOUIS, June 9.—The first car of 1895 crop wheat arrived yesterday from Coffeyville, Kan., grading No. 2 red. This is unusually early for wheat, and indicates that the season is forward, if short. The car was auctioned for the call at the premium price of 95 cents.

Escaped Convict Found Dead.

OKTIBBEH, Okla., June 9.—J. P. Smith, the Baptist minister who was convicted of larceny at the last term of the district court at Stillwater and sentenced to five years in the penitentiary, was found dead near the village of Wharton Friday. After he received his sentence he broke jail and made good his escape.

Secretary Olney's Commission.

WASHINGTON, June 9.—The commissions of Mr. Olney as secretary of state and Mr. Harmon as attorney general have been signed by the president. Mr. Olney's commission was left at the State department to await his coming to take the oath of office.

Louisville Lets a Woman Die.

LOUISVILLE, June 9.—In the intermilitary military competition drill at Fern Grove yesterday between company G, First regiment Indiana infantry of Jefferson, and company C, Louisville Legion, the latter won with two points to the Hoosiers' 53.

KANSAS CITY, June 9.—John Schaberg and Nellie Neff were drowned at Washington, Mo., while enjoying their boat ride in the past week that a full yield is assured.

WORK LAD OUT FOR OLNEY

Most of the Foreign Complications Have Been Cleared Up.

TWO IMPORTANT ONES YET REMAIN

England a Party to Both of Them—Bering Sea Regulations and Indemnity to Canadian Sealers in the Venezuela Boundary Dispute.

WASHINGTON, June 9.—Secretary of State Olney is expected to take the oath of office tomorrow. There will be no more haste, however, on the part of the new chief of the State department. Mr. Olney has given much close study to the larger law questions before his department, and it will take some time for him to put the work aside and for the new attorney general to get into it. Mr. Olney, moreover, is equipped in advance for the duties of his new office, as he has been consulted constantly during the last year on the various complications over Venezuela, Nicaragua, Bering sea, the Waller case, for Spain's conflict with Cuba and the lesser questions in which the United States has been brought into relation with the rest of the world.

The last year has been unusually fruitful in foreign complications. Some of these were closed by Mr. Gresham, or advanced to such a state that they will not require his attention, among them the British-Nicaragua incident, in which the United States aided toward a settlement, the Papan-China treaty of peace, which was effected as a result of King's intervention by the United States, and the friction with Hawaii as the result of the demand for the recall of Minister Thurston.

With Great Britain there are two questions of special importance to be adjusted, viz: Those affecting Bering sea and the Venezuela boundary question. So far as the Bering sea is concerned, the conference will be held in Washington in October next. Sir Julian Pauncefote having effected the preliminary arrangements with Mr. Gresham, the purpose of the conference is to settle the claims of Canadian sealers for alleged seizures and losses will be submitted to a commission. The conferees will not arbitrate the question, but will recommend adjusting the Bering sea regulations in order to make them effective. This will come later and promises to call out a vigorous legal and diplomatic controversy.

KNOTT'S PROBLEM TO SOLVE.

The British-Venezuela question is mainly significant in involving the Monroe doctrine. The United States has asked Great Britain to arbitrate the question. The British government has no definite answer has been given to Ambassador Bayard, who presented the request of this country, but as the British foreign office has positively declined to arbitrate, the United States has been instructed to make inquiries with a view to securing arbitration for the settlement of the question.

Spain has a claim to be reached by the United States and the question of the Alabama claims is pending in the Alabama court.

Germany, Austria and Denmark are having numerous tariff complaints registered against the United States, which threatened at one time to bring about a radical retaliation by this country. The readjustment has proceeded largely through the State department. Germany and Denmark continue their exclusion of American meats, but there are prospects that a satisfactory settlement will be effected. The discriminating duties levied against the beet sugars of Germany and Austria brought on the conflict, and Denmark followed the lead of her neighbors.

SPAIN HAS A CLAIM.

The Cuban revolution promises to be a source of controversy with Minister Dupuy de Lome, who has caused the State department to apprehend those sending arms to the Cuban revolutionaries. Spain has a claim on the precedent of the Alabama claims. Officials are not solicited, however, as to this claim.

The only subject of consequence pending with Russia is that concerning the amelioration of the condition of the Jews.

The United States has taken little part in the Armenian question, which is provoking a conflict between Turkey and the European powers.

One of the first acts of Mr. Olney will probably be that of recognizing the new government of Ecuador, which has come into power after a bloody revolution. There are no pending questions with other South or Central American countries, save that in which Venezuela is involved.

K. P. Memorial Day.

ASHLAND, Neb., June 9.—(Special Telegram.)—The Knights of Pythias held the memorial and Decoration day service today, going to the cemetery in blustering weather, where there are but five members interested. At 3 o'clock this afternoon the memorial services were held in the Knights of Pythias hall, where J. H. Becker, Jr., preached a very eloquent sermon on friendship and brotherly love. The ritualistic service of the order was very impressive and beautiful. The decoration of the hall was elaborate.

YORK, Neb., June 9.—(Special Telegram.)—Pythian memorial day was duly observed by the lodge of this city today. The address was delivered by Rev. H. H. Millard, and the lodge adjourned at 11 o'clock. At 3:30 the lodge repaired to the cemetery, where the graves of departed knights were appropriately decorated.

YORK, Neb., June 9.—(Special Telegram.)—The last session of the York council passed the following levy: For incidentals, \$2,000; for repairs, 365 1/2 mills, an advance of 12 mills over last year. The total valuation, as figured by the assessor and Board of Equalization, is about \$200,000, against \$230,000 last year. The occupation tax will no doubt be applied.

Turners' Picnic Spoiled.

NEBRASKA CITY, June 9.—(Special Telegram.)—The Plattsburgh turnverein was to picnic here today, but the rain spoiled their good intentions. However, the turn balls afforded the visitors shelter from the storm, and the afternoon was pleasantly passed.

Harrington the Japs Out of Corea.

ST. PETERSBURG, June 9.—The evacuation of Corea by the Japanese will form the subject of negotiations between the Russian and Japanese governments as soon as the question of the evacuation of the Liao Tung peninsula is definitely settled.

RAISING UP UNPLEASANT MEMORIES

Charmian Smalley Reminded Thurman of the Battle of Gettysburg.

COLUMBIA, Mo., June 9.—Charmian Smalley of Upper Sandusky, chairman of the democratic state central committee, has written a reply to Hon. A. W. Thurman's manifesto to Ohio democrats. Mr. Smalley says he thinks that inasmuch as Mr. Thurman came within 137,000 votes of carrying the state for the democrats last fall, the only duty left for him is to drop his old rank.

Mr. Smalley says there has been no demand for an early convention, neither does he know of any reason why he should not confer with Senator Bruce, Governor Campbell, Larry Neal and members of other level of democratic party matters affecting the prosperity of the democratic party.
