May Not Prosecute. Albert Martin, the 16-year-old boy who stole Mrs. L. G. Knott's bicycle from in front of her residence Saturday, broke down in the jail yesterday morning and confessed the crime with a flood of tears, going into all the details. Mrs. Knott is said to be opposed to sending the boy to the penitentiary on account of his youth. The man for whom he has been working says he has never caught him in anything that looked like crookedness, although he has repeatedly trusted him with various amounts of money. He is too old to send to the reform school and, as you think, they think for the penitentiary. It is possible that some way will be found of giving him a taste of jail life without giving him too much of a dose, and that is what the officers are figuring on now.

NEWS FROM COUNCIL BLUFFS

Danetown the Scene of a Very Lively Skirmish.

CHARLES TULAN VERY HOTLY CHARGED Made Derogatory Remarks About Mrs. Robert Hansen for Which He Was Forced to Leave Home Rather Horribly.

"Danetown," the part of the city lying south of the tracks, came very near having a little excitement in the shape of a boxing last evening, and the would-be victim is occupying a bunk at the city jail because he is afraid to go home. His name is Charles Tulan, and he has been living by himself in a little shanty at the corner of Fifteenth street and Platte street. He used to work on the street gang, but when the change in supervisors took place last spring he was let out and has been cutting willows south of Manawa until very recently.

Several days ago a little discussion arose among the inhabitants of Danetown as to the morals of a Mrs. Robert Hansen. Mrs. Hansen accused Tulan of getting drunk, and Tulan retorted by making a very derogatory remark about Mrs. Hansen. Some of the men of the neighborhood took up the charge, and to emphasize his position, Tulan said he had been intimate with Mrs. Hansen, and all the rest of them had been, too.

Hansen evidently found out that the first part of the remark was true, for last evening he called a lot of his friends together who had been compeled with his wife by Tulan, and swooped down upon Tulan's shanty. Tulan heard the gang coming, but thinking they were trying to frighten him, he locked the windows and went to bed.

HAD A ROPE FOR USE. But he had not lain there very long before he heard a big noise outside, and, going to the window, he saw Robert Hansen, Ole Olson, John Johnson and perhaps a dozen more outside, with a rope. It did not take him more than half a second to decide in his own mind that he would rather die than be hanged, and he rushed out of the back door and over as many fences as came in his way. In his mad rush for safety, with the rope around his neck, he fell into the arms of a man who had been brought up on a stock ranch, tried to lasso him with the rope, but his aim was untrue, and Tulan's neck escaped the rope. After running several blocks Tulan found time to get into the trousers. According to his story they chased him to the corner of Twelfth and Platte streets, where he hid them in the middle of a patch. He kept on his way to the police station, where he begged for a place to stay over night.

He said he had a revolver under his pillow, but on the Fourth he celebrated by shooting all the loads out of it. If it had not been for the negligence of the police, he thought there would certainly have been several Danke funerals.

MAY LEAVE THE OPERA HOUSE. Elliott Alton Expects to Take Charge of the Dokey.

Elliott Alton (Simpson) was in the city yesterday in conference with W. A. Maurer with reference to the proposed leasing of Danoby's opera house. Negotiations have been pending for several weeks past. On Mr. Alton's first visit here he had the misfortune to fall into the society of some of the professional croakers of Council Bluffs, and they succeeded in picturing such a gloomy picture of affairs that he almost decided not to take the house. He has reconsidered his decision, however, and now says that if he is given proper encouragement from the citizens he will lease the building for a term of years and give Council Bluffs a first-class theatre.

He does not ask any bonus, but merely assures that the citizens will support the enterprise. The executive committee of the Merchants and Manufacturers association will hold a meeting today at Stone & Dawson's office and appoint a committee to secure an expression of opinion from the people. Mr. Alton has been in the city for several years, having managed play houses in Leavenworth, Topeka and Fort Madison, Ia., bringing the testimonials from each of the places. He makes the claim that he will spend \$2,000 in renovating it, painting the entire interior, frescoing and gilding the walls and providing new scenery, giving the building a thorough cleaning, and putting in a new heating plant.

By bringing first-class companies Mr. Alton has no doubt that the house will soon be upon a paying basis. While there is still some doubt as to whether the house will be put upon a paying basis, it is little doubt that Mr. Alton less the house and carries his plans into execution it can be made to pay as well as it ever did.

Off for the Convention. The first delegation of republicans started for the state convention yesterday to attend the Danetown, which is to be held tomorrow. I. M. Treynor left in the morning, not as a delegate, but to attend a meeting of the state central committee, which was booked for the evening. In the evening J. J. Chambers, Judge W. L. Smith, Colonel D. B. Dalley, W. E. Balbridge, Jacob Sims and J. S. Stoddard started, all of whom delegates, but upon doing what they could to further the interests of ex-Senator Harlan. T. C. Dawson, chairman of the county central committee, V. B. Bender, E. E. Hart and others of the delegates also went. The rest of the delegates will go today. The idea of having a special car, which was first talked of, was abandoned because the delegates could not agree on a time for leaving, some wanting to start earlier than others. It is said that Council Bluffs will have a larger delegation of lobbyists than ever went from here to any republican state convention.

SPRINGS ITS SENSATION

Des Moines Paper Fires a Heavy Charge at the Harlan Forces.

STIRS THE CORNING GAZETTE SCANDAL

Harlan and McFarland Accused of Preparing and Circulating the Story — Drake Hopes to Wipe by Denying the yarn.

DES MOINES, Ia., July 8.—(Special Telegram.)—The sensation in the contest for the republican nomination for governor, now going on warmly in this city prior to the state convention, which meets Wednesday, which was intensified in these dispatches last evening, will be sprung upon the public by the leading Drake paper tomorrow morning. It contains a series of letters which fasten the authorship of the charges against General Drake, which were published in the Corning Gazette and scattered broadcast over the state, upon the Harlan and McFarland managers. It is expected that the publication of the article connecting Harlan and McFarland with the publication and circulation of the charges against Drake will injure their gubernatorial chances and add sufficient strength to Drake to give him the nomination.

Meanwhile the fallenders in the procession of gubernatorial candidates are successively dropping out. Secretary McFarland claims 200 votes in the first ballot, and that he was a very general second choice. He has a number of supporters, he says that he feels that he has as good a chance as any one in the field. The argument that I am now holding office has been worked against me over the state," said Mr. McFarland, "and I think that it is losing force."

Colonel Ormsby was feeling particularly good over the situation this afternoon. His friends profess to believe that the contest between Drake and Harlan will become so bitter that a compromise will be necessary, and they think they can show that Ormsby is the man. Colonel Ormsby is campaigning as a liberal on the liquor question and contains little else of the crowd. He has 150 votes for the first ballot now, and hopes to gain a number more before the convention opens.

Will Sign Contracts. Contracts are to be signed today for the erection of the addition to St. Bernard's hospital, mention of which was made in The Bee several months ago. Hughes & Son were the lowest bidder on the brick work, and Herman & Brown on carpenter work. It has not yet been decided whether the contract for the steam and plumbing work. The building is to cost about \$20,000. It will be three stories high, with a basement, and will extend from the corner of Twelfth and Platte streets to the present building. The dimensions are 48 by 38 feet. The addition will contain the chapel for the whole building, and the kitchen for the whole party, including the basement. The rest of the wing will be cut up into rooms for the sick. The work of putting up the building will be finished as rapidly as possible, and will probably be completed by fall.

Perhaps a Fatal Unwary. Two little sons of F. M. Krettek, who keep a saloon on Broadway near the eastern limits of the city, were out driving yesterday afternoon. When in front of their home the horse took fright and overturned the buggy, throwing both boys to the ground. The youngest one, a child of five, was skull fractured and last evening his recovery was considered very doubtful, his brain being affected. The older, a 10-year-old, had broken his leg and was thought to be all right, although it is not thought that any serious results will follow. The same horse was an older brother of the boy who was thrown about two months ago and broke her leg.

As a Matter of Fact. Mrs. Parkhill, who lives in the southern part of the city, had Dave Bush, a Streetsville, arrested yesterday on the charge of committing an assault upon her daughter, a girl 14 years of age. The offense is alleged to have been committed on the road to the school for the Deaf.

OLD SOLDIERS GOING SOUTHWARD. Colony Will Be Planted in Two of Georgia's Counties.

INDIANAPOLIS, July 8.—P. H. Fitzgerald started for Georgia this afternoon. He goes to close the purchase for the land for the old soldiers' colony which he has \$125,000 in bank with which to begin business. The colony has taken options on 125,000 acres of land in Crow and Wilcox counties, Georgia. Some of these options expire Wednesday. Such lands will be purchased outright. Mr. Fitzgerald says that the colony will cost 30,000 now and that money from the subscribers to the colony scheme will come on until the entire \$350,000 necessary to take up all the land available is secured. It is not yet incorporated. Fitzgerald says the title will be lodged in ex-Governor Northern of Georgia until the colony is incorporated and takes actual possession.

Gifts to Fool the Public. The condemning of stout as an unwholesome ingredient in baking powder by the government authorities, as well as by physicians generally, has not deterred manufacturers of such powder from foisting them on an unsuspecting public. Following is a partial list of the alum powders found in the stores: "California Yeast," "Kentons," "Grant's Bon Bon," "Hotel," "Taylor's One Spoon," "Climax," "Snow Pure," "Snow Ball," "Giant," "Pineapple," "Crown," "Unwaded," "Silver Star," "O. K.," "Forest City," "Monarch," "K. C.," "Loyal," "Manhattan," "Crystal," "Hatch," "Home," "Eggs," "Faction," "Rocket," "Town Talk," "Vienna," "White Rose," etc.

It is safe to reject all brands sold with a prize. All powders sold at 25c or less a pound are sure to contain alum. In W. Wiley, the government chemist, in his official examination of baking powders at the World's fair, threw out all "alum powders," classing them as unwholesome.

Final Government of the Creeks Ended. EUFAULA, I. T., July 8.—The dual government in the Creek nation, headed by the superseded chief, Perryman, and the chief by Second Chief Bulliet, was ended today by the time by United States Agent D. M. Wisdom, who refused to recognize Second Chief Bulliet in a proffered ending. I shall continue to recognize Chief Perryman as the lawful chief of the Creek nation. You (Bulliet) and all others will take due notice and govern yourselves accordingly. The action of Wisdom is based on the fact that the national council failed to notify him officially of the removal of Chief Perryman. The matter ends here until the Creek nation elects a chief in September.

JEALOUSY RESULTS IN A TRAGEDY

Colored Man Kills His White Wife and Commits Suicide.

CLINTON, Ia., July 8.—(Special Telegram.)—Robert Brown, a colored barber, fatally shot his white wife yesterday and then committed suicide. The tragedy occurred at Calamba, a Clinton county village thirty miles west of here, on the Chicago & Northwestern. Brown is a member of an educated and highly respected colored family here, and was married to his wife less than a year ago.

She was a beautiful white woman, the divorced wife of a railroad man. Ever since their marriage he had been a jealous and jealous of her, and many times accused her of unfaithfulness. She had withstood his abuse as long as she could, and a few days ago had written him a letter of warning.

Yesterday morning they quarreled, and after an exchange of hot words he drew a revolver from his pocket and fired two shots at her, which struck her on the forehead and in the thigh. She fell to the floor, and he thinking she was dead, turned the weapon on himself and sent a bullet through his brain. The woman died this evening.

St. Louis City Preacher Protest. SIOUX CITY, July 8.—(Special Telegram.)—Several weeks ago a number of Sioux City business men applied to the managements of the railroads running into the city for a series of Sunday excursions from neighborhood points during the summer. They proposed to entertain the visitors with races, base ball and other similar ways. Today the Sioux City Ministerial association at a special meeting formally protested against the excursions and served copies of their remonstrance on the roads. The document sets forth that such excursions bring in the worst kind of society and mention a number of neighboring towns which are alleged to have suffered morally through them. The promoters said they will not accept the remonstrance if it is antagonistic to the views of a majority of the citizens.

Iowa Farmer Commits Suicide. CRESTON, Ia., July 8.—(Special Telegram.)—Jasper Moore, a well-to-do farmer residing near Pontanelle, committed suicide by drowning himself in a large water tank.
