ROBBERED FREIGHT TRAINS

W. H. Buntin, Arrested at Grand Island, Will Be Returned to Wisconsin.

WAS MIXED UP WITH A BAD GANG

Vast Quantity of Stolen Property Found in His House and Identified as Having Been Taken from His Train.

LINCOLN, July 9.—(Special.)—Sheriff J. P. Delaney of Boone county, Wisconsin, was at the governor's office today with a requisition for an extradition warrant for William Henry Buntin, now under arrest at Grand Island. Buntin was a freight conductor on the Chicago, Milwaukee & St. Paul railroad, and lived at Green Bay, Wis. Between the 1st of July, 1894, and June 25 last a number of freight cars were broken into on his run between Milwaukee and St. Paul and property amounting to several hundred dollars stolen. A search warrant was issued and Buntin's house ransacked, where all kinds of dry goods, notions, boots and shoes and hats and caps were found, all of which property was identified. Buntin fled. Two brakemen, Moffett and McKenzie, were arrested for stealing the goods and Buntin was indicted for receiving stolen property.

Requisition papers were honored for the persons of Max Fix and Mrs. Mary Kholiar, now under arrest at Omaha on the charges of adultery. Sheriff Hilger of Shakopee, Minn., secured them.

THOUGHT THE JUDGMENT WORTHLESS. Maude Shugart, who recovered a verdict of \$4,000 against the Lincoln Street Railway company in a personal damage case, and who was ordered by the court to file a return of \$2,500, today or a new trial would be granted, fled the same, evidently believing that a judgment of \$1,500 is worth about as much as one of \$4,000 against the company.

In the case against Alexander Beckner, the state was this morning permitted to amend its reply to the plea of former acquittal by introducing the records of the trial in the Douglas county district court of the evidence and proceedings had therein. The defendant claims immunity from punishment, because, as he alleges, he was once placed in jeopardy in Omaha for the same offense. He supports this by filing the records of the court showing that the judge had instructed the jury to bring in a verdict of not guilty. The state claims that Beckner's attorney failed to file all the record of the proceedings, which will show that the court held that the evidence showed that the district court of Douglas county had no jurisdiction. It is for the purpose of getting this in that the state asked leave to amend its reply.

MRS. DE HAAS OUT ON BAIL. Mrs. De Haas, the pretty little woman charged by Henry Smith with immorality because she would not repay a \$25 loan by marrying him and opening a disorderly house, is out on \$100 bail to answer the charge July 22. Meantime her attorneys may make it plain to Smith that if Mrs. De Haas is what he claims her to be he is likely to be fined for violating her.

Earl Smith, a cousin of T. J. Hickey and a resident of Des Moines, is visiting in the city.

At 2 o'clock this morning Norval Field was arrested for attempting to cut a fire window from the store of J. P. Hendry with burglarious intent.

The State Board of Health, at the governor's office today listened to arguments in the application of Dr. Philip Lieber of Omaha for certificate allowing him to practice medicine. There were present of the board Governor Holcomb and Attorney General Churchill. This application of Dr. Lieber's has been before the board once before and he has been turned down. The doctor is manager of the Omaha sanitarium.

FRENCH PRESS IS ANGRY

Faked Interview Published in the Figaro Causes All the Trouble.

BREACH OF INTERNATIONAL HOSPITALITY

United States Minister Eustis Roundly Abused for His Alleged Interview with a Paris Newspaper, Although He Utterly Denies It.

LONDON, July 9.—M. De Blowitz, the famous Paris correspondent, commenting in the London Times today upon the alleged interview with the United States ambassador to France, Mr. James B. Eustis, published yesterday in the Figaro, said that such an interview evidently constituted a new departure in diplomacy. In reference to the utterances imputed to Mr. Eustis regarding Canada, M. De Blowitz said it would be difficult to believe that the ambassador represented a friendly nation.

Several of the Paris newspapers also comment today on the alleged interview.

The Estafete says that Mr. Eustis admitted that the United States supported Japan against France, Russia and Germany; Canada against England and Cuba against Spain and that the United States has ambitious commercial ideas respecting Madagascar. All these acts and plans, the Estafete comments, "are contradictory of the Monroe doctrine and combined with their apparent forgetfulness of our former fraternal relations, compel us to anticipate that the future will be darkened by disputes and misunderstandings."

The Libre Parole also severely criticizes Mr. Eustis, and, accepting the Figaro interview as genuine, says the American ambassador committed a breach of the laws of hospitality.

JOHN DILLON ACCUSED OF SELLING OUT

Keating Scene at a Convention of Home Rule Delegates.

LONDON, July 9.—At the national convention at Omaha, county Tyrone, yesterday, called to choose candidates for the election in Tyrone, Mr. T. M. Healy amid great excitement accused Mr. John Dillon of selling Tyrone to the English party. He read a letter from Hon. Edward Blake to Privy Councillor Dickson, informing him that the nationalist federation would be unable in future to subsidize North and South Tyrone or North and South Londonderry, which he asked should be subsidized hereafter in the sum of £200,000 yearly by the liberals. "The then government," Mr. Thomas E. Ellis, commented to this on the understanding that the seats named were to be considered liberal and not home rule seats.

The reading of the letter caused consternation among the delegates, who shouted "Sold." Mr. Dillon's voice was so hoarse to reply to Mr. Healy was drowned in the din, but he finally succeeded in shouting out loud enough to be heard: "What you are is an infamous lie. You are a traitor. You read a private letter in public."

A tremendous uproar followed and finally the nonsectarian candidates were accepted.

NEW YORK, July 9.—Private correspondence from Cuba brings the report that General Borrero, one of the insurgent army, was shot and killed in Alpacigra, where a battle was fought by the insurgents under General Gomez on June 29. General Borrero was leading a division and was shot from a house in town, which was ordered to be burned as soon as it was learned that the general was dead. The second engagement was at Coja Alarad, where a detachment of Spanish soldiers was forced to surrender, the men giving up their arms and ammunition.

CHILDREN MURDER THEIR MOTHER

Both of Them Lodged in Jail—No Known Motive for the Unnatural Crime.

GRAND RAPIDS, Mich., July 9.—Mrs. Levi Pierce, aged 60, who lived two miles southeast of Berlin, Ottawa county, was murdered yesterday and her daughter, May Pierce, aged 13, and her grandson, George Kesbro, aged 13, are now in jail at Grand Haven awaiting examination.

Mr. Pierce went to the field to work as usual, leaving his wife and two children at home. At about 10 o'clock May came running to him across the fields yelling that her mamma was dead. Pierce ran to the house and found a horrible state of affairs. On the floor beside the kitchen stove was Mrs. Pierce's dead body. The child was horribly mangled, the teeth were knocked out and the neck was black and bruised as if she had been choked to death. There were evidences of a terrible struggle. At the inquest, owing to the contradictory stories told by George Kesbro, and his evident desire to avert suspicion from himself and turn it toward a mythical tramp, Kesbro's arrest followed and he was taken to the Grand Haven jail today. Today further investigation led to the little girl, who also being taken to jail. It is believed that Kesbro did the killing and the little girl knows all about it and perhaps assisted in the murder.

SPENT SIX HOURS IN THE WATER

Terrible Plight of a Chicago Excursion Party on Lake Michigan.

CHICAGO, July 9.—A yachting party of four people was rescued off Lincoln park at daylight today, after six hours spent in the water clinging to the overturned craft. The party consisted of two young men and a young woman, all prominent society people, and a man servant, who acted as skipper. Yesterday afternoon Allan Fowler, a prominent young attorney, started for a sail with his flight bowyer, taking with him Miss Emma Gibson, James Dalton and a servant. The weather was delightful and the sail was prolonged until late in the evening. About 10:30 o'clock, as the yacht was nearing Lincoln park and the people aboard were quietly resting on the deck, a sudden gust of wind caught the craft and helped by the clumsiness of the servant, who was at the helm, capsized the boat. Miss Gibson, who was swept clear of the wreck, was rescued by Mr. Fowler and the four by the aid of ropes and spars succeeded in clinging to the overturned boat. They shrieked for help until their voices were hoarse and almost helpless they drifted about within sight of the park until returning daylight. The men were ordered to swim and men on the beach. Boats were lowered and sent out and they were taken off the water. They were unable to give their rescuers their names or addresses. They were accordingly taken to a hospital, where all were revived.
