Captain Teja, at the head of thirty-three eavalrymen and 110 foot soldiers, recently surprised the band of Jose Veitla at his camp at Las Posar, province of Santa Clara. The insurgents were quickly dispersed, leaving four dead on the field. Government officials here have just re

ceived reports of the murder under the most revolting circumstances of two peaceful countrymen near Camajuani. It is claimed that these murders were committed by members of the bind of Plateados, and that the men cilled had not taken any part in the con

Reports were received here to that the insurgents have burned the village of Cuatro Caminos, province of Santa Clara In Ceja de Tana, province of Puerto Prin-ipe, according to advices just received by Marshal de Campos, the insurgents lately at-tacked a column of Spanish soldiers who were protecting a train of wagons employed in transportation of ammunition. The insur-tents were defeated, two of them being left dead on the field, while two were made prison-ers. The captured insurgents say that as their comrades retired from the field they car-

ried away with them two of their dead and four wounded. Official advices have been received here to the effect that 200 insurgents attacked Lieu-tenant Cabanolas, who was at the head of a scouting party numbering fifty, near the Alta Gracia railroad. The troops were ex-pecting an attack, and although two of their were killed at the first firing, they formed in a hollow square and repulsed sev-eral times the cavalry of the insurgents. The attacking party divided into several com-panies and continued the assault on all sides. Though reinforced, the insurgents were com-valled to ratio with many of their dead and pelled to retire with many of their dead and wounded. Of the troops besides the two killed four or five were wounded.

A report has been received by government officials to the effect that a column of General Ruiz has completely routed and dispersed the insurgents near Guayamaro. The in-surgents left forty dead and these, according to the second the reports, were buried by the troops. After the action at Ubalta Gracia the troops went in pursuit of the insurgents and found seven of them dead. Of the insurgents who were killed in today's fight near Guimaro one was Second Lieutenant Jorge Castillo, one was Second Lieutenant Jorge Castillo, son of General Angel Castillo, who was killed in the last Cuban revolution while attacking Fort Lazarone, near Lopes, province of Puerto Principe.

The police of La Jas, province of Santa Clara, report that they have captured Carolos Sola and that seven of the band of Aguerro have surrendered to them. The death is reported of Jose Hernandez Abro, a prominent autonomist. It is said

that 411 of the army officers on the Islands are natives of Cuba. Well founded rumors which find credence

Well founded running which find credence in official quarters state that the insurgent leader. Masso, is displeased with this pro-ceedings of the insurgents and has left the inland. > GIVEN NINE YEARS FOR FORGERY. Ex-Mayor Whitman Convicted

Mass of Damaging Testimony. SAN FRANCISCO, Aug. 30.-Alonzo J. Whitman, formerly mayor of Duluth, Minn., ex-member of the Minnesota legislature, exselling for every window glass company in Indiana and not a box will be sold except banker and millionaire, who has dissipated a fortune in a few years, was today sen-tenced to nine years' imprisonment for for-gery. After his conviction here for forgery. Whitman obtained an affidavit from Chi-cago, purporting to have been signed by Frank Dixon, in which Dixon declared that the check was genuine. The check referred brough the Muncie office. The agency will control the output of 664 pots, which amounts o 2,500,000 boxes of glass annually, equal to \$9,000,000. They also agreed to start all In-diana factories on September 21. There will be an increase of 5 per cent within the next the check was genuine. The check referred to was passed by Whitman and was held to be a forgery. Counter affidavits were read in court today by the district attorney, who few days, which will raise the wages of glass workers. A committee will be sent from this agency to Baltimore next, where another agency will be organized which will have con-trol of all the window glass manufactured at obtained them from Chicago. They were declarations of citizens of Chicago, and their eastern points, and with the one organized in Cleveland last week will have charge of import was that Dixon was either a myth import was that Dixon was either a myth or an accomplice of Whitman. An affidavit was also read today from Detective William Pinkerton, who stated that he knew Whit-man, and that the latter was the most plaus-ible liar he had ever met, and one of the most accomplished swindlers in the country. He detailed a number of Whitman's trans-actions, in which the defendant was pictured as a dangerous criminal, whose particular all Pennsylvania factories. They will sell all the window glass manufactured in the sixtyfive factories of the United States, which amounts to about \$20,000,000. Blow on the Head Prevented Him as a dangerous criminal, whose particular delight was in swindling his friends. Pinfor-ton said Whitman is wanted for forgery in Nashville, Chicago, London and in the City SOUTH BEACH, S. I., Aug. 30 .- The body of Roby W. Inman, who was drowned from of Mexico. He was accordingly sentenced to his yacht, Adeline, after a collision with the nine years in prison.
