> Other Reasons for Dissatisfaction-Major Wright and All His White Employes Allowed Twenty Days to Go.

VALENTINE, Neb., Sept. 7 .- (Special Telegram.)-Reports from Rosebud agency are that Major Wright, United States Indian agent, together with his white employes, has been ordered from the reservation, the conditions being that they will be allowed twenty days in which to go without molesta-

It appears that Chief Crow Dog, who killed Spotted Tail in 1881, took with him a lot of young men and left the reservation in July without asking the agent's permission. On his return a few days ago Major Wright had him confined.

This incited the Indians and a council with the agent was demanded, looking to his release. The council was refused and Hollow Horn Bear, speaking for the malcontents, demanded that the agent quit the reservation. Another source of discontent is that the allowance for freighting from here to Rosehas just completed a quarter-mile track that | bud has been cut from 50 to 25 cents, which freighting is done wholly by the Indians, They are dissatisfied also with the manner in which the alloting has been done, in Wheelmen racing board, and will be subject ing their lands in severalty; also in the dilatory manner in which the Indian department is carrying out some of the stipulations of the last treaty, whereby it was to furnish Five-mile handicap: First, gold watch, \$30;
