

CIRCUS SUFFERS FROM THIRST

Water Shut Off from the Fair Grounds at Lincoln.

TROUBLE FOR RINGLING BROTHERS

Blitz with the Water Commissioners Results in a Very Unpleasant Predicament for a Hot Day.

LINCOLN, Sept. 11.—(Special).—The Lincoln combination of fair and circus, while a big thing in point of numbers, was a source of considerable dissatisfaction to many.

When the parade got back to the fair ground it was discovered that the water had been shut off by order of Water Commissioner Percival. The panting animals, employes and attendants at the fair grounds were suffering from the intense heat and there was nothing with which to assuage their thirst on the ground.

How Train Service for State Fair is Being Arranged.

EXTRAS WILL KEEP THE RAILS WARM

Best of Facilities for Reaching Omaha from All Points in Nebraska and Western Iowa—The Local Service.

The railroads centering in Omaha are preparing to do their share toward making the coming state fair a success. Passenger agents and traffic managers have been busy for some time past planning on the probable amount of passenger business that will fall to their care during the big show, and making arrangements to properly care for it.

It has been conceded all along that the attendance at the Omaha show would exceed that of any fair ever held before in the state, but it has only been within the last few days that the men charged with the duty of furnishing transportation facilities have realized the immense increase in attendance that is promised over that of former years.

General Manager Dorringer of the Missouri Pacific and his assistants worked all day yesterday in arranging the train service for the fair.

Trains carrying harvest excursionists are beginning to pass through Omaha from the east. No. 5 on the Burlington yesterday had two sections and all the other roads attached extra coaches to their regular trains.

a radius of 100 miles of Omaha and the roads in that territory are figuring on a large business to the fair. The Rock Island will run specials from Omaha, Neb., and from western Iowa within the prescribed radius and other lines will make provision to care for the business as occasion demands.

DIVIDING WITH WESTERN ROADS

Central Traffic Association Accedes to Request of Connecting Lines.

CHICAGO, Sept. 11.—At the meeting of the freight agents of the Central Traffic association today it was decided to grant the requests of the western roads for a restoration of the through rates and division in westbound transcontinental traffic that were in effect previous to April 10, 1893.

The proposed fight between Condit and Pitzammons is making a red hot fight between the railroads interested in the business, and from present indications the latter will be the better off. The Missouri, Kansas & Texas is said to have bought up a large number of tickets of admission to the fight and is using them as a lever to draw the business between St. Louis and Dallas.

BEAT THE GREAT ENGLISH RECORD
