Governor Holcomb was confined at his restdence today by a slight illness. The gubernatorial offices at the capitol are at the south side of the building, and during the past three days the heat in this department has been intense. It is the intention of the governor to start for the Chicksmauga celebration next

Tuesday.
J. E. Draehmer of Johnson, Nemaha county. has applied to the Board of Transportation for redress in a railroad case in that county. It appears that the county commissioners have ordered the manager of the Burlington road to open a crossing at Johnson, which he has do. Mr. Draehmer was advised by the Board of Transportation to apply to the county attorney for assistance in drawing up a complaint to be filed with the board. The sheriff of Johnson county has wired Chief of Police Melick to forward him the papers taken from the man arrested at Tecum-seh on suspicion. The papers were brought to Lincoln by Deputy United States Marshil Hubbard. It appears that labeas corpus pro-ceedings are to be begun for the release of the man and the sheriff wanted the papers for evidence. As yet nothing has been heard of

the rightful owner of the documents.

Council of State Pardoned Forty Eight Political Prisoners, Among Them Being the Ex-Queen-Olympia Arrives Outside.

SAN FRANCISCO, Sept. 12.-The steamship Australia arrived this evening from Honolulu, bringing the following advices to the Associated press: HONOLULU, Sept. 5 .- Forty-one cases of

holera have been reported to date, with thirty-five deaths. The disease attacks only the natives. Every effort is being made to stamp it out. No island steamers are allowed to leave port without first remaining in quarantine five days. Passengers must undergo the same ordeal. The Australia leaves today County Auditor Myron A. Whidden and one for San Francisco with cabin passengers ndictment against Ernest Mayrosch, jr., only. The cholera, according to the general theory, was brought to Honolulu by the ber. The indictments grew out of the short-age in the tax collector's office which were 9th of August with 536 Chinese immigrants. The vessel had a clean bill of health, but following the custom, the Chinese were placed in quarantine. On the 18th of August it was learned that three of the immigrants had died, two from bowel complaint and the other from exhaustion. As soon as it was publicly announced that a death had ocpublicly announced that a death had oc-curred at the quarantine station people be-came alarmed and declared that Asiatic cholera had broken out among the Chinese immigrants. Doctors declare it was not cholera. More cases broke out soon, how-ever, and this intensified the alarm. This ever, and this intensined the alarm. This time the disease was declared genuine Asiatic cholera. It was decided to inaugurate a system of bouse to house inspection and other precautionary measures were adopted to insure if possible the security of the community. No cases developed among the Chinese at the quaranties station after. Chinese at the quarantine station afte August 16, and the immigrants have since ONE AMERICAN SAILOR DIED.
