of the dis-charge in 20 days. Cures LOST

This extra-ordinary Ro-juvenator is the most wonderful

quickly. Over 2.000 private endousements.

Prematureness means impotency in the first stage. It is a symptom of seminal weakness and barrenness. It can be stopped in 20 days by the use of Hudyan.

The new discovery was made by the Specialists of the old famous Hudson Medical lastillute. It is the strongest vitalizer made. It is very powerful, but hamless. Sold for \$1.00 a package of 5 packages for \$3.00 (plain scaled boxes). Written guarantee given for a cure. If you buy six boxes and are not entirely cured, six more will be sent to you free of all charges.

Send for circulars and testimonials. Address HUDSON MEDICAL INWITTUTE,

Downstairs, Lillian has drawn her aunt out across the road-and on to the esplanade, thought that you had come here to see, judge of me?" without speaking a word. Here, however, in the shade and the privacy, the torrent of her angry fear breaks out.

"Aunt Bessie," bursting on Mrs. Musgrave "Aunt Bessie," bursting on Mrs. Musgrave
like a small volcane, "did you know of this?"
"I think so," says Mrs. Musgrave, slowly,
and as if taking an inward glance at her
"Do you wish to have a monopoly of the
rudeness then? However, I merely made
that remark to give you the chance of seeing
how things might look from the other point

The very fact of his being here would-" Somebody had come up to them. A tell sound man, with a charming face that has a

suspicion of humor in it.
"lan't it perfort?" says he, lightly. "I
made sure I abould find you here. It is
the one place in the world, where to stay
indeers night or day is an impossibility, so avail ber to hide the distinct start of sur long as one can stay awake." He turns pointedly to Lilian, who is gazing out on the moonlit water as though unaware of his presence, yet all the time sne is wondering if he had heard her jast words. Surely not, his manner is free from embarrassment,

not an arriers peasee in it. "Your first visit, Miss Blaks?" "Yes, her first!" says Aunt Bessle, huriedly, who feels a storm browing.
"First impressions are always best," says, ansdale, whose lips twitch humorously.

You will stay for some time?"
"For a week," says Aunt Bessie, promotly for which speech the girl could will sgly have killed ber. To go tomorrow after that would be impossible. It would look like running away from him. No, whatever it may cost her, she will remain; she will be even friendly with him, she will let him an that his being here is a water. see that his being here is a matter of the most perfect indifference to her, and just at the very end she will say something, just a mere word or two and quite polite that will let him know how distinctly displeasing be is to her, if not indeed abso-

lutely hateful. It is in accordance with this resolution that next morning she meats his proposal to go out boating with him in an aquable, if distinctly careless, fashon. The fact that she address boating, that Aunt Bessle wouldn't go with her, and that a boatman is generally a bore has perhaps something to do with her going

"Nothing shall keep me here," but she nerself purs it down to the "resolu tion." And for three days she goes out boat-ing with him, always with the same selfcontained, cold, indifferent air, speaking to him as little as possible, and giving him to understand silently that though she acknowledges the cousinship between them, he bimself is of no account at all. And Lans-

grown curious, and perhaps a little resent-Today, Thursday, and the fourth of their sequaintance, has opened with a warm, faint, driving mist, that lies like a soft cloud on The federal soldier was B. L. Burr, who is the brows of Hungry Hill and the Sugar-lonf, wrapping them in a garment of purple haze. It is not sufficiently wet, however, to keep any one at home, and in the morning Lilian had acceded to Lansdale's request that they hould take another look at Cromwell's ridge, and had from that wandered on into he lovely woods almost within reach of Lord cantry's shooting lodge. They had of course can it all before, and it was like a farewell disit, as, of course, tomorrow will be their last day—Aunt Bessie having decided on re-turning home on Saturday. Always somewhat taciturn when with him, Lilian had been sin-gularly so this morning, and it is with a sort of degged pertinacity that Lansdale asks her at the hotel deer on her return if she is too tired to go cut for a row. A good deal to his astonishment, she acquiesces at once, and Gooffrey, having secured a very satisfactory luncheon, made up in a dainty basket

they start. But here as on land Lilian's re-terrs continues.
"Why the deuce does she come if she "Why the deuce does are come it said can't stand me?" says Lansdale to himself, all skin eruptions, and positively cures piles, with pardonable irritation, and, falling into her mood, he, too, refrains from speech, until give perfect satisfaction or money refunded. Price 25 ceats per box. For sale by Kuhn

of the water against the sides of the many Islands by which they go is all that breaks They land at Garnish Island and go up to see the Martello tower, an old man with the keys following them. And perhaps it adds to Lansdale's sense of injustice that Lilian talks gayly to this old ancient, laughing her soft. musical laugh, and going into ecstacies with him over the magnificent view below. She had hitherto seemed unsympathetic to Lansdale, who had fallen in love with Glengariff, York Sun. It is called the Tel phone Hirbut now he knows how full and deep is her non o or He aid, co is 2 cents like a printed appreciation of it. And, indeed, the living page, and is valuable to passon who are picture that lies before them could hardly be surpassed—the soft, clear bay, with its blue able or too lazy to use their eyes or who can-waters rippling round its many islets, the not read. It has 6,000 subscribers, who relovely woods growing to the water's edge; the grand old mountains, severe, mysterious, clad with their purple heather, and the glimpse of Giengariff castle amid the foliage. Everything seems so old, so still, that it seems a relief when, from a little rock seems a relief when, from a little rock and special apparatus which prevents the crowded with sleepy gulls that have seemed for the last five minutes part of it, the gray birds suddenly rise as if with one consent and float away like fairy visions across the

and float away like fairy visions across the dark bosom of the water. "Shall we row once more to Proudly River?" says Lansdale, when they are again in the boat. It is very pretty there," says Lilian, with enthusiasm. "Better have some luncheon on our way.

says Lilian absently. Geoffrey could have "Look here," says he, presently laying down his oars. They have finished luncheon and Lilian is amusing herself throwing the

craps to the big white swan, who always collows them in their excursions, with a view o doubt to luncheon on his own part. "Let's "Have what out?" She has reddened, how

"Well, all this absurd nonsecae. You thought I came here in an underhand sort of way to see you—to 'boldly' judge of you?"

"Mr. Lansdale!"

"You did think that." There is a touch an altack of dysentery some ten years ago. It comes on suddenly at times and makes me very weak. A tesspoonful of Chamberlain's very weak. A tesspoonful of Chamberlain's in a little water gives me relief. I could get a dozen testimonials from people here who have been cured by this remedy."

BOULEVARD IN MID-AIR.

Gigantic Rapid Transit Scheme Suggested in New York.
A rather bold plan for rapid transit in New York is suggested by Architect A. H. Thorp of that city. This system, which he has patented, consists of a double-decked structure with six lines of tracks on the first level, and a boulevard on the upper one. He proof sternness in his voice that angers her. poses to build the structure all around the

> the island with the New York Central & Hudson River, the New York & New Haven and other railway lines.
>
> It is proposed to construct these lines on structures of masonry and iron, says the American Architect, close up to the adjoining buildings on one side and open to the air and light on the other, at a height of about

> entire city of New York, along the water

fronts and connecting in the upper part of

thirteen feet above the street level, allowing all cross streets to pass under, and utilizing the street beneath for heavy traffic.

"You will take it back, however," with a touch of hauteur.
"Well, it's difficult, but I'm doing my very best, my dear; I'm stronger than I thought," says Aunt Bessie, who is doing her best to subdue an inclination toward inextinguishable is laughter.
"All your disgraceful maneuvering will be of no use, then," says Lilian, her eyes fashing. "I shall go home in the morning."
"The very fast of the very with a single fast of the very fast of the very fast of the ve "He is not very punctual," says Lilian, indifferently, "She geldom is," with a shrug. "Howwhile the floors on a level with the elevated driveway would be devoted to shops for reever. I have had a line to say she will be

"Oh!" All her self-pomession does not tail business, etc. The system proposes to arrange approaches to the driveway at appropriate distances, by means of inclined roadways for carriages, and at the stations by flights of steps from the

EVIDENT ADVANTAGES That Investigation Soon Discloses. A great advantage to the garden farmer at Orchard Homes is the fast fruit and vegetable trains that take his product to markets of the north and west in twelve to twenty-four hours time. Another advantage is the fact that Orchard Homes lands begin within half mile of the railroad depot. Another other advantage is the fact that these lands

pay a return of \$200 to \$400 per acre each lowly out, and the soldler, quenching his hirst, thanked the boy in gray for his kind-cess. The war was over right there and then year.
In that favored region you are not housed ness. The war was over right there and then between those two fellows. The picket then returned to his post and the incident passed into the realm of memory.

Thirty-three years high passed since that night, but the wounded pankee and the boy in gray are still in the land of the living.

The war was over right there and then are you distressed and disturbed by long terms of hot, dry weather. Two, three and the property is a profit of hot, dry weather. Two, three and the profit of hot, dry weather. Two, three and the profit of hot, dry weather. Two, three and the profit of hot, dry weather. Two, three and the profit of hot, dry weather. Two, three and the profit of hot, dry weather. Two, three and the profit of hot, dry weather. Two, three and the profit of hot, dry weather. Two, three and the profit of hot, dry weather. Two, three and the profit of hot, dry up by the cold four months in the year nor are you distressed and disturbed by long terms of hot, dry weather. Two,threassad tainty of a profitable crop every year. There is an absolute centainly of an average profit of \$200 to \$300 per acre every year for all the vegetables that can be raised. If you want to raise the luscious and profitable strawberry, Orchard Homes is pre-eminently the garden spot for this fruit. A yield of 100 bushels of strawberries to the acre there is now editor of the Tolland County Leader of Rockford, Conn. For years he has been try-ing to find the name of the man who risked his life to bring him a drink of water, and has at last succeeded. Through some chance not uncommon. Apples, peaches.

pears, in fact, all known marketable fruits almost without exception, do well at Or-chard Homes. The climate is delightful, and outdoor work may be carried on every day in the year; living is cheap, the productive fields of labor are numerous, and nature has omitted nothing which cap conduce to the success as well as the happiness of the resident of as well as the happiness of the resident of this section. There is ample room here, as well as opportunities, for millions of people. There is prosperity for all who will dili-gently seek for it. Now is the time, and Orchard Homes is the location for the home-seaker. Do not delay. Organize into small clubs of three families or more. Every fa-cility, is given you to see these lands.

cility is given you to see these lands. All information as to price, terms, railroad rates and other statistics on application to George W. Ames, general agent, 1617 Farnam street, Omaha, Neb. PERFECTION OF MINT JULEPS.

Drink that Makes a Man Thankful that He is Alive. A Marylander and an Alabamaian cannot argue on the subject of mint juleps without are patriotic sons of their respective states Both states claim the origin of the mint Julep. Neither Georgia, Kentucky nor Ten-nessee has yielded its claim to the invention,

but the sons of those straight goods states never come to blows in the discussion, I am of the opinion, says a writer in the Persian invention. Pine mint grows in that country, and from the earliest ages the julep was known as a vehicle for taking medicin-The Greeks also knew the julep, and handed it down to the French and the Spanish. Whisky was not used in the mixture, however, but strong spirituous liquers of other kinds. As to the best modern Julep, there are various opinions. It is not to be had for love or money, or political indusnee, in this city's

public bars.

Only a native of one of the rock-bottomed southern states can make it to perfection. Now is the time for it. The mint is in its tenderest age. The Greeks bruised their mint. We rever think of doing that over here. By "we" I mean those of us who know what a julep it. We steep a bunch of the freshest mint in a glarg of whisky and brandy in cough portions for four hours. of resh mint in a glass and pack well with cracked ice. Over the top sprinkle pulverized sugar to the taste. Then—drink. Bury your nose in the mint till the delightfully cool scent goes away down to your toes. After

Cure for Headache.
As a remedy for all forms of headachs Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreated nabitual sick headaches yield to its influence. We urge all who are afflicted to procure a bottle and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tone to the bowels, and few cases long resist the use of this medicine. Try it once.
