Prompted by Mallee. WASHINGTON, Nov. 1 .- Attorney General Harmon has received from Judge Kilgore of the United States circuit court of)maha this morning. the southern district of the Indian territory his answer to the charges filed by W. O Davis of Gainesville, Tex., on September 18

last. These charges allege incompetency, oppression in office, gross official misconduct, etc. The judge takes up each charge in detail, and in some instances quotes from the court records, with a view to showing that the charges are unqualifiedly faise. Judge Kilgore says Davis' charges originated in the disagreement between him and the ime.

master in chancery in the case of Armour Bros. Banking company's case against Ad-dington et al, during the pendency of which Davis, Judge Kilgore says, deliberately sought to taka advantage of the friendly relations previously existing between them to influence him, the judge, in behalf of his clients.

The allegation that Judge Kilgore said t Mr. Davis that if he made charges against him he would cut his throat is characterized as false. During a conversation with Davis

Judge Kilgore says that he, Davis, drew his knife on him and demonstrated threaten-ingly. At the time the indge told him if he undertook to assault him with his knife he would drop him out of the window. reply is a lengthy one and is evidently in ended to answer all allogations made. The substance of the answer is that the charges

are wholly false and were prompted by malice, and that Davis' supporters in th matter are either disappointed politicians or influenced by improper motives. MONTH'S DEFICIT SIX MILLIONS.
