Meeting at Lincoln Preliminary to the Session at Omaha.

CERTIFICATES TO BE AWARDED TODAY

Saline Land Contest Between Thomas F. Barnes and James Walsh in the District Court of Lancaster County.

LINCOLN, Nov. 13.—(Special.)—At the Lincoln hotel today the State Board of Pharmacy held a short meeting preliminary to the one to be held at Omaha tomorrow.

There were present: President W. D. Haller, chair; Secretary M. E. Smith, secretary; C. M. Clark, friend; Giff J. Evans, Hastings; and A. W. Ducket of Grand Island. For examination there were present a class of fifteen applicants for certificates as registered pharmacists. They were: Harry Alexander, Stromsburg; Lawrence R. Lamb, Ansley; F. Bersuck, Burr; Ed Cole, Lincoln; Walter M. Davis, Dubois; Charles W. Fallon, Seward; Charles E. Barrall, Tecumseh; Stanley G. Green, Fremont; Edgar R. Hildner, Ayr; J. E. Lamb, Walnut; Frank Nedela, Crete; E. O. Peterson, Elgin; Charles A. Ityberg, Stromsburg; Charles E. Sloum, Beatrice; and James G. Walker, Mason City. Henry H. Gering of Plattsmouth, who succeeded Mr. Haller as president of the board after the Omaha meeting, was also present. Some of the board left for Omaha on the 12th train, and will be here for the meeting. The certificates will be awarded to the successful candidates tomorrow.

SALINE LAND CONTEST.

In the district court today Thomas F. Barnes said that he had been awarded 160 acres of saline land from the state, said land being in Lancaster county. He agreed to let James Walsh, who was occupying the land, continue to do so one year longer. In January, 1891, Walsh exhibited a lease for the same land issued by John Steen, at that time commissioner of public lands and buildings. Barnes had no objection to the lease, yet Steen refused to accept any more, owing to Walsh's lease. Barnes stated that the lease was not valid because Steen gave it without the sanction of the board, of which Steen was a member. Barnes asks the district court to quiet the title to this saline land.

DECIDED A CLOSE QUESTION.

United States Commissioner Billingsley has just decided a point affecting the national excise law. A Lincoln courtier named Minnie Gray recently went to her place and purchased a bottle of beer at a neighboring saloon at the request of a visitor. She paid 50 cents for the beer and collected the same amount on her return from the saloon. The question before the commissioner was, did the woman act as a dealer or merely a collector. He decided that she was only a collector, and the money first and with it bought the beer she would have been guiltless. As it was held she was a dealer in spirituous liquors and held a license for \$100. Superintendent D. C. O'Connor of West Point has been appointed by State Superintendent Corbit as member of the State Board of Examiners. The board consists of W. H. Skinner, superintendent of schools, Nebraska City; Miss Anna Foss, principal of Kellom school, Omaha; and Superintendent D. C. O'Connor of West Point, Omaha. The board will meet at the Lincoln-Capitol building, at 10 o'clock, on Monday, Nov. 12. The board will give an entertainment at the opera house December 10, for their benefit.
