GREETED BY A CROWD. All of the railroad men in town were at the union depot yesterday morning, out of interest in the new time cards that were put into effect yesterday, scheduling the passenger trains on the Iowa roads to reach Omaha an hour and fifty minutes earlier than hereto-fore. None of the railroad officials had any doubt about the ability of the roads to make order of things, but they were all at the depot at 8 o'clock just to see how the new schedule worked. The Burlington came in to were unusually heavy, but the trainmen reported that there had been no difficulty in making the new schedule. Commencing yesterday afternoon at 3:30 the Union Pacific fast mail left Omaha and will do a little record breaking of its own. This train will run from ten to fourteen cars each day and will leave Omaha one hour and thirty minutes later than the former time of No. 1, the Overland flyer, and arrive in Ogden at the same time as the old train. It will be one of the heaviest trains ever run

The Rock Island, alone of the Iowa roads, will not reach Omaha in time to make connection with the new fast train of the Union The Rock Island leaves Chicago at the same time as the other lows roads, 6 p.m., but does not reach Omaha until 8:30, twenty minutes after the departure of the "Overland limited." The purpose of this is The purpose of this is undoubtedly to keep its western business in its own hands, by carrying the passengers through to Denver and sending them west over the Denver & Rlo Grande.

Representatives of the Chicago newspapers accompanied the party on the Overland Limited as far as Boone and representatives of the Associated press and the United press joined the party at Omaha for the western

CHICAGO TO HAVE A NEW RAILROAD Canadian Pacific to Connect with the

CHICAGO, Nov. 18.-The Evening Post asserted that Chicago is to have a new line of railroad connecting it with the Pacific coast. It says the Canadian Pacific company is building a line into this city from the northwest to connect with its "Soo" line at Lake Superior, and by that line with its main line system. The construction of the new line has already been commenced. It is said by the Post as being done ap-parently under other auspices than those of the Canadian Pacific and in such a way as to permit the management of that line to deny diplomatically all connection with the new enterprise until it is ready for operation. However, says the Post, the Canadian Pacific is back of the enterprise and will fur-nish all the means necessary to build it which cannot be obtained in other direc-

This is the third trial of the prisoner, acised of wrecking the Rock Island passenger rain one night in August, 1894. The first atempt at conviction resulted in a mistrial, and the second was interrupted by the audden inequity of one of the jurymen. The full jury was secured shortly before noon today. All day Sunday the sheriff's force was busy serving summens. When the name of E. J. Weston was called this morning a woman came from the body of the court room and presented herself before his honor. She was, course, refused permission to serve, but owing to the mistake she succeeded in collecting her \$2 per diem and mileage. The jury was excused until 2 p. m., when the state again opened the case, presenting the same line of prosecution as in the two former trials. Davis is accused of having wrecked the train and caused the loss of eleven lives.

STILL HOLDS THE BOOKS Today the court overruled the motion of Frank Hilton's attorneys that the state be compelled to make specific each detail of his alleged embezzlement of \$5,000 while serving as oil inspector. The fact was brought out in the argument that Hilton has never yet turned his books over to the new inspector, Edmisten, making it impossible to comply with the terms of the motion.

L. A. WELSH, Observer,

TO A RIPE OLD ACE.

The sincof youthful ignorance, the dissipation, the weakness that proves a barrier to marriage—these are the things that are daily plouging thousands of men into a condition of utter ruin.—The wasted parts, emissions, nervousness and physical debiny all resulting from abuses and excesses, continue to sapthe life away simply because the sufferer in his ignorance is too bashful, too far gone in a shrinking fear of discovery to make known his condition or to seek out a friend. It is this lack of courage, this blighting, backward fear that has prompted me to make known to every man, weak and worn out from dissipation or secret sins, that there is a chance for you, an opportunity whereby you may be or you, an opportunity whereby you may b ifted out of that state of dread and despair to lifted out of that state of dread and despair to a happy condition of self respectant I manly courage. I, too, had secretly suffered for years, but through the agency of a remarkble remedy I am now a happy, vigorous man enloying to the fullest measure the blessings and privileges that only complete manhood can bestlow. I will send (scaled) the recipe of this wonderful remedy FREE to any sufferer who will write to me. It cured me after everything class and failed and it will cure you. Address,

WEDDINGS THIS MONTH-

To some there's no more perplexing problem than "what to buy for wedding presents." Those who look to us for help say we generally have something besides butter knives and sugar spoons. We make a specialty of wedding presents-from small ever had. Price 50c. Deveting our entire feet means health and comfort. You live cost to as much as you want to pay. The mostly in your shoes-then try cork. For lowest priced gife we can think of just now argument that we are always supplied with men we have them at \$4.00 and up. \$3.50 is a beautiful thing in a new Dresden clock nt \$6.98.

Mandelberg,

That's what we do for responsible people who buy our furs-You can buy a beautiful marten cape of us for \$85,00, lined with Skinner's satin, 30 Inches long and 104 wide, that's worth \$125. Make a small deposit and we'll lay it aside for you till Christmas. Your wife will appreciate it.
