

GLIMPSE OF THE CITY BUDGET

Departments Furnish Estimates of Expenses for Coming Year.

LOOKS LIKE FOUR HUNDRED THOUSAND

Tables Show Less Amount Than for the Past Year and Protest is Made Against Salary Reduction.

All heads of municipal departments, with the exception of the legal department and the city treasury have submitted to the comptroller estimates of the cost of running the various departments during 1896.

The comptroller's estimate foots up \$7,560, of which \$7,169 is for salaries and \$890 for telephone, stationery and other extras.

The Board of Public Works estimates its expenditures at \$73,000 in all departments. The license inspector expects to expend \$250 for incidentals, which, with his salary, makes \$1,435 for his department.

The park commissioners content themselves with a request for a levy of 1 1/2 mills, the same as this year.

The Board of Fire and Police Commissioners approximates the expenditures of the fire and police departments during the year as follows: Police department—Salaries, \$80,270; rent, \$2,400; stationery, telegrams, postage, etc., for chief of police, \$700; food, repairs, etc., for police patrol department, \$1,125; police alarm department, \$220; license board, salaries and incidentals, \$1,300; fire and police board, salaries and incidentals, \$1,500; other expenses, \$1,850, a total of \$89,425.

When tabulated these estimates amount to this: Mayor \$3,275.00; Comptroller \$7,560.00; City clerk \$9,081.00; Board of Public Works \$73,000.00; Health department \$9,920.00; Police department \$89,425.00; Fire department \$119,410.00; City hall \$14,594.00; Building inspector \$4,100.00; License inspector \$1,227.00; Plumbing inspector \$1,227.00; City electrician \$1,200.00; Board of park commission \$7,000.00.

Total \$363,577.42. The addition of the estimates of the city treasurer and the legal department will bring the total up to very nearly an even \$400,000.

Hope to Find Mr. Wood.

A letter was received yesterday by Chief Sigaart from Chief of Police Park of Peoria, Ill., requesting him to try to locate a traveling man, F. J. Wood.

Six weeks ago I suffered with a very severe cold; was almost unable to speak. My friends all advised me to consult a physician. Nothing Chamberlain's Cough Remedy advertised in the St. Paul Volks Zeitung I procured a bottle, and after taking it a short while was entirely well. I now most heartily recommend this remedy to any one suffering with a cold.
