HAD THINGS THEIR OWN WAY

Society Women Give Their First Leap Year Ball.

AN AFFAIR THAT WAS A DECIDED SUCCESS

Participants Showed Their Male Friends That They Were Fully Equal to the Emergencies of the Occasion.

The social event of last week was the leap year ball given at Creighton hall on Wednesday evening by Misses Himebaugh and Colpetzer, two of Omaha's favorites.

This was one of the most brilliant as well as one of the most enjoyable events of the season. Nothing was left undone that could in any way contribute to its success. Much credit is due these parties, who, notwithstanding the small price of the tickets, succeeded so admirably in managing money matters that they have still quite a sum on hand which they will devote to some charitable institution.

The hall was beautifully decorated with paims, ferns, rubber plants and holly. The floor was canvassed for dancing.

The musicians were on the stage, which was a perfect bower of palms and potted plants.

Tete-a-tete chairs were placed here and there about the room, and behind screens thus making charming retreats.

Beverage was served from a prettily deco-rated table on the landing at the head of the stairs. Refreshments were served up-stairs in the balcony, which was elegantly up with handsome rugs, divans and a number of tete-a-tete chairs, with number-less pillows, giving it a very homelike ap-

pearance. The polished mahogany was brautifully decorated with huge bows of violet-colored satin ribbons, with quantities of fragrant violets gracefully strewn over the surface. Bunches of violet candy curls were thed with ribbons and placed on the table. Cut glass candelabra and dishes of almonds completed this pretty picture.

refreshments were served, and it is needlers to say the men were all well looked after, Miss Himebaugh and Miss Col-

petzer pouring the coffee. The music was splendid and the musiciant obligingly responded many times to hearty encores.

The programs, too, were quite unique and
