New York Mercury. citement and trying in vain to arrange her Olivia? Do I remember her? Ah, yes! beautiful hair; while on the bed lay her She lives at Mgadgwside still, where the lovely new muslin, and beside it her dainty gloves. quaint white cottage with its green shutters

you've come at last," she exclaimed, restles in a sweet little valley of the Em-I entered the room. 'Yes," I made answer, feeling as if I were pire state. DarM cedars shut out the op-

pressive heat of the summer's noontide and lend their spicy fragrance to the cool shad-ows beneath. "Oh," she said, nervously, "I am going to

Elton tonight on the evening train with Mr. Norcross, and don't tell a soul, Edith," she But to return to Olivia. Poor girl! I find myself saying unconsciously, though I used added tragically, coming closer and speaking o comfort my heart by revelling in my adwhile all the color fled from her miration of her rich costumes and elegant home, luxuries to which I never hoped to as-pire, and often in my adoration of her loveface, "I'm going to be married at 8 o'clock o Mr. Norcross What a countenance for a prospective

ness I would call her the queen of the bridet With her winsome face and luxuriant 'Your parents are going along?" I could

not help but ask. " she answered hurriedly, looking "They don't know or even dream of tresses, in which the sunshine was forever coming and going, she was queenly, and the fascination in the depths of her eyes, the "No. BWAV. my marriage tonight. They think we are go color of dew-wet pansios, was enough to enthrall a more fastidious soul than mine. ing down to 'The Amateurs. "Then you are not going," I said. "Oh,

for Lee Summerton had worshipped at her shrine for a quartet of years. And she had smiled on him encouragingly, and it seemed for once that the course of true love was running exceptionally smooth, but "the well Olivia! "Hush!" .she ejaculated wildly; "don't make a scene. Mother will hear you. For

ny sake, keep quiet, Edith." "What in the name of sanity are you poslaid plans of mice and men gang aft agley.

eased of Olivia? Think of Lee Summerton Early one lovely June there came among us a young artist, claiming to be from the city, ' I said, trying to shake her wild deternination Bradford, Rhodes & Co., 78 Williams street, "Don't mention him. I'd rather not think New York

and an invalid. At any rate, his stay at Meadowside, he convinced them, was for his health and to obtain a few sketches of real of him now, for I love Mr. Norcross better rural scenery. He was not a bad looking fel-low in the main, yet, under his pleasant exterior there lurked an evil, deceitful

"Then why not have a civilized welding?" urged, driven to the wall. "Mr. Norcross had rather not have it that Bohm-Bawerk's papers on "The Positive Theory of Capital and Its Critics," Willard

Mr. Norcross had rather not have it that way. He thought, perhaps, there might be objections raised. So now come and help me dress. It is getting late," she answered. "I shall not help you," I cried, excitedly, putting my hands behind me for further em-phasis. "I am going home." "I might have known you would fail me." ature, 1 felt sure. I said as much to Olivia one evening as w Fisher, comments on "Coin and His Critics," and William B. Shaw reviews "Social and loltered along the path across the fields. I had been to spend the day with her, and she came home with me as far as Pebble rook which divided my humble home from

"I might have known you would fail me," he sobbed, "when I need you the worst." "I am going home," I reiterated, taking no

her father's beautiful farm. "Olivia," said I, "you are forgetting Lee Summerton altogether, and the way you smile on this evil-looking fellow promises no good to you, either."" "Pooh!" she answered, elevating her eye-brows as if surprised. "Lee really has no claim on my affections and Mr. Norcross is our guest; I must be entertaining Lee Sum-merton, notwithstanding." eed of her tears. "Don't tell mother, then, as you go down," she pleaded hysterically, clutching my arm. I wrenched away from her, saying: "Please et me alone. I am too disgusted to my a word to your good mother. Good afternoon,

She uttered this last in rather an uncer-Miss Alcott.' thin tone and with a decided shrug of her pretty shoulders. She never had spoken "Oh, but you are pitiless and angry, Edith must marry Allan Norcross, because I

pretty shoulders. She never had spoken so lightly of her lover before and I did not half like the seeming infatuation for this evil genius, Norcross. We walked on for some time in silence, she gathering stray daisies by the way and I busy thinking. "Don't apologize to me, Olivia; go apolo-gize to Lee Summerton; apologize to your own soul," and I pulled away from her the second time and left the house abruptly. I was so dazed, so hurt, so excited that I "Look here. Olivia," I said, presently, "I don't want to interfere with your affairs, ex-actly, but you must not care for this fellow; hardly knew where I was going, when-was it fate, and an evil one at that?-I met

te is only a pretender, I verily believe, and rou should discountenance him. And while was it fate, and an evil one at the tree." I cried. "You must not go over there." I cried. "She is going to be married to that fellow, am epeaking I may as well-tell it all." "Do!" she cried, with much warmth "Do?" she cried, with much warmth and rising color, "make him out anything you

"She is going to be married to that fellow, Norcross, this evening, and her parents know nothing of it, either." I sank down on the mossy bank of Pebble brook and gave yent to my agonized soul through a torrent of terms blease, if it adds to your satisfaction, but all you can say will not change my heart toward Mr. Norcross in the least. I may as well confess now that I prefer him to Lee Summerton already." She shut her lips de-cisively, while her fair cheeks reddened and of tears. "Oh, God, no," exclaimed Lee, staggering

back as if I had dealt him a blow. "An elegement?" he asked, presently, looking down at me, white and flerce. aled alternately. 1 gazed at her in amaze-

"Oh! yes; and cannot you prevent it, Lee?" asked. Ah, luckless question! He stood or a moment regarding me; then, putting "Why don't you go on with your recital, instead of looking at me so?" she asked, for a moment regarding me; then, putting for a moment regarding me; then, putting his right hand in his pocket, he withdrew it with a bitter smile of hatred and sor-series, by Joveph Newton Hallock, editor of had forgotten for the moment what had said, so great was my ill-concealed

ow. "It shall never be! I swear it to you chagrin at this confession. "Well," said I, recovering myself, "there editor of the New England Magazine. The Writer Publishing company, Postoffice box Miss Kingsley," and he turned on his hest and was over the brook in an instant.

isn't much to say after you've gone so far as that with a stranger; but, Olivis, did you not notice, when we teasingly said to him in

which, when leve'ed off, made quite a stretch of ground, and the ship's company proceeded to put it to good use by planting a stock of garden truck in it. The seeds came up all right and the pants flourished fibely and, when the ship was in the tropics, grew with great rapidity. As they most-seed toward the born and the weather grew colder things came to perfection rapidly. lost ones in battle; and the description of the "Here of Johnstown" is full of vivid the and thrilling pathos. Antietam and Gettyz-burg will awaken a patriotic cord in every true American. Henry T. Coats & Co., Philadalabi toward this born and the weather prov-colder things came to be fection rapidly. The crew and ship's apprentices anused themselves by weeding and cultivating the clants and all had green vegetables to their heart's content. As they came ar und the born the garden was replanted. The only drawback to the gardien were the weeds which grew so rapidly that they could hardly be kept down. 'A Man's Foes," by E. H. Strain purports

er father's beautiful farm.

merton, notwithstanding."

better off without him, as he was a bad one, was Norcross, not fit to die in any way, letreak their hearts, is something ng alone this way. Well, well!" "You're puritanical," she answered lightly. "You're puritanical," she answered lightly. Then added, coaxingly: "If I invite you to my wedding, and prove to you that Lee Sum-merton doesn't love me, you will think bet-ter of me, will you not?" train moved off, carrying the dead body Olivia Alcott's lover and some other be-

eaved woman's husband. Everybody thought that the matter had en dropped, when suddenly it began to be "You never can prove anything of the kind, and as to attending your wedding, if celebrated with that rascally Norcross, why

"Complimentary, I will admit, to my in-"Complimentary, I will admit, to my in-tended husband," she answered slowly, as tended husband, in a puzzled manner.

springing over the brook, on the stepping stones, for we had reached the dividing line. "And so angry with me, too," she murmured No one seemed to imagine that I knew any thing of it; perhaps no one did, unless it may have been Olivia, but ever since the n a frightened tone, with a look of appeal on tragedy she had been more dead than alive, seeing no one and talking to no one, but "No." I answered, "not angry, but terribly going about the cottage dumb with grief and remorse, I hoped.

One evening, being alone in my room, I heard a peculiar noise at the window. I started, then listened with bated breath; it

"No," I answered, "not angry, but terribly disappointed in you, Olivia. I thought you had a better heart, and were true." "To Lee Summerton?" she questioned. "Yes; and to everyone elze," I replied, "Well, I am sorry," she said softly, kissing her hand to me across the brook as usual, "Good night." And I answered my friend for the last time across the little rivulet. was repeated; a low, muffled tapping. The thought came to me that it might be one of the little swallows which had fallen from or the last time across the little rivulet its nest under the caves, so I opened the blinds carefully to investigate. It was Lee Summerton standing there in "Good night." In the clover lot I met Lee Summerton

the shadows, his face white and drawn with pain and his eyes with restless gleam that

made me shudder involuntarily. "Why, Lee Summerton!" I whispered, as he put his hand over his mouth to signal

In the clover lot I met Lee Summerton, and his anxious face irritated me as he asked: "Is Olivia at home this evening?" Then the spirit of evil took sudden pos-session of me, and goaded by the memory of her words, I burst out with, "Yes, take good care of her invalid; she has forgotten her old and true friends for that puty face." "Oh, Miss Kingsley." pleaded Lee, "do not say such cruel things of Miss Alcott;" then he asked hurrisdiy. "You don't believe she cares for him -not in particular, do you?" he put have come to say goodbys," he said, "I have come to say goodbys," he said, peet me of killing Norcross, but they can't prove it," he muttered defiantly. His face wore a look of entreaty as his honest eyes watched me in earnest, resolute uestioning. How I pitted him standing there she cares for him-not in particular, do you?" His face wore a look of entreaty as his
