District Court Cases.

WAS A WELL KNOWN PIONEER. Death of Francis Guitiar, One of the First Settlers in This City.

Francis Guitiar died at his home, corner of Willow Avenue and Bluff street, yesterday morning, at the age of 80. Judge Smith, master of the day yesterday, is the old man for whom Pomeroy sues Attorney Sweet for \$300 alleged to have been appropriated by him. Sweet has a counter claim for attorney's fees.

In the partition suit of Allen and Joseph Hancock against John Butterfield and other heirs of Anna Russell the court ordered Ed. E. Mayne, referee, to sell the property and divide it equally among the five heirs of the estate.

Harry Maddox and William Kirby were appointed referees to divide the estate of William Tyson and apportion it equally among the heirs of deceased Tyson, J. W. Tyson and Lillian Clarke.

In the case of E. W. Nash against John W. Paul the plaintiff filed a reply to Paul's counter claim. The reply alleges that the attachment commenced by Nash was not for the purpose of annoying the defendant, but for the sole purpose of collecting the amount due and preventing the defendant from disposing of the property.

The hearing of the claim of W. M. Evans against the estate of M. A. Harding was set for May 11.

Grocery Store Robbed.

When the first clerk reported at C. O. D. Brown's grocery yesterday morning he found one of the rear doors open, the cash register showing that it had been tampered with and other evidences all around that burglar had been in the store during the night. An examination showed the pane of glass broken through one of the front windows upstairs. The burglars had climbed up on a shed in the rear of an adjoining store and over the roof of the building and had stepped from there upon the balcony in front of the Brown's establishment. Although in plain view from the street, they had succeeded in breaking out a pane of glass and getting inside without attracting attention. When they got through with their work and were satisfied they left through the rear door, opening it by removing the bar across it. Brown was unable to discover what had been taken, or if any damage done.

The store was robbed a week ago with the same satisfactory results to the proprietor.

At that time the front door had not been properly bolted and it was forced from the outside.

SMALL CHECKS TO MANY MEN

WITH THE BLUFF CITY CHURCHES.

ANNOUNCEMENTS OF THE Y. M. C. A.—Announcements from Palist.

ARMY OF CITY TEAMSTERS AND SHOVELERS PAID OFF.

WHOLE OF THE AFTERNOON REQUIRED

LONG LINE FORMED BY INTERESTED PERSONS AND ROUTINE OF SECURING FUNDS SLOWLY LOOKED AFTER.

The army of teamsters and shovelers engaged on the Indian creek ditch knocked off work at noon yesterday, and many of them were obliged to spend nearly all of the afternoon in an effort to get their pay. The delay was not caused by any reluctance on the part of the city to pay the time checks, but from the fact that the number of checks was so great that it required all afternoon to pay them.

The pay roll showed that 479 time checks had been issued to each man, aggregating \$2,900. Each check had to be made out and the stub filled in and signed by the men, and the paying was necessarily slow work. The men took their places in line by numbers, and the line wound up and down and around through the corridors of the city building, and in the shade of a gigantic letter S on the sidewalk and in front of the church. The men were very weary, but many of them grew exasperated and struck all kinds of attitudes in the effort to rest their tired legs. An officer was present to keep order along the line and prevent the men crowding into the entrance. No trouble was experienced at all, except a very little shuffling of tempers on the part of two or three who became involved in a dispute about their position in the line. Both were determined, and each believed the other to be infringing upon his rights. They squared off to fight it out with bare knuckles, but one of their comrades stepped in the way intercepting an object. The combatants stopped and waited for the arrival of the pastor.

The New Line was filled from pit to door, and the smoking room was sold long before the curtain went up. Dennis Thompson's "Old Homestead" was never presented in a better shape to a Council Bluffs audience than the Chase-Lister people rendered it last night. The success of the company has been so great and the demand so strong that they have decided to continue their engagement another week.
