Friends of a Couple of Teachers Who Were Dropped Petition for Their Reinstatement_Prof. Allen Wants a Pinno.

The expected resignation of Rev. T. C. Crambiet did not materialize at the meeting of the Board of Education last night, the indications being that the member who had ep. 60,850; horses and mules, 733; cars, the document in his vest pocket had not succeeded in perfecting a combination on his successor. The only matter of more than ordinary interest that was considered was a resolution by Tukey that the resolution by which it had been decided to dispense with the services of a supervisor of drawing be rescinded and that the board proceed to elect 265 pounds; average weight of hogs for May a supervisor. Tukey explained that he was convinced it would be poor economy to do away with the department of drawing. The last month, owing to the scarcity of that kind of stuff on the market. The total was only 139 cars, 3,908 head, of which Newas only 139 cars, 3,908 head, of which Ne-braska got forty cars and Iowa eighty-three and he believed the taxpayers were generally desirous that it should be continued. Anderson supported the resolution and Edwards and Johnson opposed it. They said they had voted to do away with the supervisor purely on the score of economy and it was just as economical now as it was then.
