MAKES A SOLID PLATFORM.—Democracy Arraigned for Its Record of Incompetency. DEVOTION TO PROTECTION REAFFIRMED. Unequivocal Declaration in regard to the Money Standard—Solidity with the Suffering—Insurgents of Cuba Expelled.

CONVENTION HALL, ST. LOUIS, June 18.—The platform adopted by the convention upon which the republican party will make the campaign of the present year was finally ratified by an overwhelming majority made an emphatic but unexcited protest against the gold standard plank and has given to the press an address in which their views are expressed at length.

The platform is, if anything, longer than usual. It arraigns the democratic administration of the past four years for its inefficient policy and holds it responsible for the demoralized condition of American industry, for the panic-stricken condition of commercial interests and for the large increase in the interest-bearing debt. Protection and reciprocity are affirmed at length.

OUR FOREIGN POLICY.—Our foreign policy should be at all times vigorous and dignified, and all our interests should be protected. The Hawaiian Islands should be controlled by the United States. No foreign power should be permitted to interfere with them; the Neutrality act should be strictly enforced.

PROTECTION AND RECIPROCITY.—We renew and emphasize our allegiance to the policy of protection, the maintenance of American industrial independence, and the foundation of American development upon a soundly protected home market.

EMINENT TESTIMONY.—Regarding the New Discovery for Curing Dyspepsia and Indigestion. Dr. Hartman, who has many testimonials in his praise, has produced a medicine composed of pure pepsin, bismuth, fruit salts and vegetable essences.

Dr. Hartman states that St. Louis Dyspepsia Tablets cure dyspepsia and weak stomachs, because they possess the peculiar power of digesting whatever wholesome food is taken into the stomach. They do not act on the bowels like cathartics, but act directly on the food, digesting it thoroughly and quickly, giving the stomach a chance to rest and recover its natural strength.
