

EXTENT OF BIG EARTHQUAKE

Detailed Reports of the Recent Calamity in Northern Japan.

DEATHS NUMBER MANY THOUSANDS

Hundreds of Buildings Were Swept Away by the Enormous Tidal Wave that Followed the Seismic Disturbances.

VANCOUVER, B. C., July 1.—The Empress of China brings Yokohama news to June 15. Regarding the recent earthquake and tidal wave, the Yokohama Mail has the following:

It will be some time, doubtless, before the full particulars are received of the cruel disaster that has overtaken the people living along the coast of Rikuzen and Rikuchu. Between 8 and 9 A. M. on the 15th, a violent seismic disturbance occurred in the ocean that bathes the northeastern coast of the main island. Accounts thus far received place the center of the disturbance in the vicinity of the celebrated island Kinkwa Zan. Following the coast line northward from Kinkwa Zan, we find these reports from the various places on the beach.

Onagawa, Etahama—Many lives lost, animals destroyed and houses insulated, but no definite number stated.

Washigami—Forty houses destroyed, several boats wrecked.

Okatama—Fifty persons killed, thirty houses washed away. Prison doors blown open and several prisoners supposed to be dead, save as many as were taken in quantities of mail matter swept away.

Motoyoshi (or Shikuzaki)—Eighty houses swept away; seventy-three corpses recovered up to 1 P. M.

Kanashi—Over one-half of the town swept away; many persons and animals killed; telegraph office washed away; Miyako—Much injury to life and property.

Kuji—The same fate as above.

Hachinohe Minato—Eleven persons killed; two missing; school building destroyed; bridge swept away.

Some accounts speak vaguely of a thousand lives lost and 500 houses swept away on the coast of Chiba and Motobu, but that seems to be exaggeration. One statement is to the effect that thirteen houses were felt in the neighborhood of Ichimaki, but they must have been comparatively slight. Undoubtedly there has been a lamentable loss of life and property and large tracts of rice fields have been swept away.

Following are further details regarding damage done and lives lost through the tidal wave.

Omura Mura, Motoyoshi District—Buildings swept away, ninety; deaths, 400.

Hakuhiki—Buildings swept away, 300; deaths, 400; wounded, 200.

Kokuzumi Mura—Deaths, 1,450.

Utata, Murayamotoshi District—Buildings swept away, 600; there being absolutely nothing left; deaths, 600; wounded, 200.

Okachiama, Momo District—Buildings swept away, forty; deaths, thirty-one; wounded, five.

Three districts of Motoyoshi, Ojika and Momo, in Miyagi prefecture, there were most disastrous damages by the tidal wave during the recent earthquake. In fact, Motoyoshi alone had 1,030 deaths and 600 buildings washed away.

CAMPOS PLEADS FOR CUBANS.

Eloquent Language of the General in the Spanish Senate.

(Copyright, 1896, by Press Publishing Company.) MADRID, Spain, July 1.—(New York World Cablegram—Special Telegram.)—Marshall Campos made an eloquent speech in the Spanish Senate today, defending his opinion in Cuba. Without criticizing the government, he declared that if he did not carry out home rule reforms in Cuba it was because the government never instructed him to do so, though he had never concealed his opinion. He appealed to the government and the nation to do all in their power, whatever concessions might be necessary, "not an end to the war, which costs 20,000 lives and \$100,000,000 annually."

Premier Canovas himself replied to Marshall Campos and to the Cuban autonomist senator, Senor Labra, who had advocated autonomy as the best and shortest road to the pacification of Cuba.

Senor Labra, who had made an energetic, powerful speech, which was repeatedly applauded by Senate and galleries, to emphasize the necessity of granting reforms or any concessions in Cuba until the insurrection is vanquished; then, he said, he would support the government's policy in Cuba, but he would not support the government's policy in Cuba until the Cuban aspirations as long as autonomy or other reforms were compatible with the preservation of Spanish sovereignty in Cuba.

Consul General Lee applied for further extension of time to remain in Cuba for General Johnson, lawyer for Dawley, has filed a claim for \$125,000 damages.

A Spanish officer attacked General Johnson on the coast of Cuba, and the latter's personal of the Cuban cause. Friends separated them and it is not believed that there will be a duel.

Thirty Spanish soldiers are reported to have routed about 700 rebels at Pinar del Rio, killing twenty-one and wounding sixty.

General Maceo's troops are reported to be north of the city of Sancti Spiritus. The report of La Lucha says General Gomez met the marquis of Santa Lucia June 21 at Las Estropeles, south of Nuevitas.

The report of the death of the brother of Armando Meneval is confirmed. The rebel leader, Felino Alvarez, wrote to the Spanish captain, Juan Gonzalez, to meet him with five men in the mountains of the Sierra de Guanabo to return two men of the Caneba battalion taken prisoners June 23 at Las Charens.

Captain Gonzalez met Alvarez as requested and the former was taken to the command of Alvarez formerly was in Gonzalez's command.

YARA BESIEGED FOR THREE DAYS.

Cuban Insurgents Finally Repelled by Spanish Troops.

HAVANA, July 1.—A force of 400 insurgents under Rios, it is announced, besieged Yara for three days. They were repulsed with considerable loss. The insurgents, under Felix Triunfo, numbering sixty men, made an attempt to surprise the guerrilla forces defending Cayo Redondo, province of Pinar del Rio. The guerrillas under Lieutenant Aller made a gallant defense and killed the entire force of 100 men.

Frederico Alvarez, the insurgent leader, after sending a messenger to Captain Gonzalez, in command of the Spanish force at Cayo Redondo, ordered his men to withdraw. He is reported to have fled to the mountains of the Sierra de Guanabo, where he is reported to have been seen by the Spanish forces.

Peredunjo, the insurgent leader, has joined the Spanish forces. He is reported to have been seen by the Spanish forces at Santa Clara, coming from the eastward with a number of men. He has succeeded in recruiting his forces from other insurgent hands while on the way west and it is said he will try to fight his way into the province of Pinar del Rio in order to reorganize the Spanish forces.

It is considered probable here that General Bradley Johnson, who has been acting as the correspondent of a New York newspaper in Havana, will be sent to the United States on account of the reports which he has sent to the United States regarding Cuban affairs.

General Weyler has yielded to persistent requests to extend until August the time for remaining in the island allowed Jose Yznaga, the American newspaper correspondent, retained in handcuffs.

SILVER MEN LEFT GUESSING

Leaders Call on Chairman Harritt but Get No Satisfaction.

WILL PREPARE TO ACT INDEPENDENTLY

Insist on Having a Friend or Free Colleague as Temporary Chairman—Fight on Two-Thirds Rule Being Dropped.

CHICAGO, July 1.—Today's developments give some little shape to the struggle between the two factions for control of the democratic national convention, which convenes on Tuesday next. A secret conference was held today between the leaders of the free silver force, represented by Senators Jones, Daniel, Turpie and Governors Altgeld and Stone, and the executive committee of the national committee, which is looked upon by the gold standard advocates as holding the key to the situation. The conference did not result entirely as the silver men wished, and they are now laying their plans to be able to control the convention, irrespective of the action of the "machine."

Hon. William F. Harritt, chairman of the national democratic committee, arrived in the city today and made his appearance at the Palmer house a few minutes before 12 o'clock, the hour set for the meeting of the executive committee. Mr. Harritt was accompanied by his committee awaiting him. When asked as to the status of the permanent platform before the convention, Mr. Harritt said he had no information to give on that question. "I can only say," he continued, "I have no information to give on that question. I have no information to give on that question. I have no information to give on that question."

Whether the matter will be harmonized with the silver men or what the outcome will be is yet to be seen. Mr. Harritt, however, had no opportunity to confer with the leaders and will be able to say more later.

The executive committee of the democratic national committee convened at the Palmer hotel promptly at 12 o'clock, with Chairman Harritt and Messrs. Wall, Stearns, Sherry, Prather and Wallace present. Mr. Cable being the only absentee. The committee went immediately into executive session, with a cordon of guards at the various doors.

The proceedings were in a confidential character, and while there was no acrimony displayed on either side, the conversation was very earnest in character. There were no formal speeches, but the views of the character of a general conversation.

It was also stated on behalf of the national committee that the tickets would be distributed by the committee according to the established custom.

The principal part of the conference was devoted to the selection of a temporary chairman and upon this point no understanding was reached.

Chairman Harritt stated that he had had no opportunity to confer with the members of the national committee, and he did not feel prepared to declare the policy of the committee. He said he would be pleased to confer with the members of the committee and asked them to meet the committee next Monday, if not before, by which time he would be able to speak authoritatively.

HOBBART VISITS MCKINLEY

Future President Receives His Colleague at His Home.

REPUBLICAN NOMINEES HOLD CONFERENCE

Generally Believed that Neither of the Candidates Will Take the Stump During the Coming Campaign.

CANTON, O., July 1.—Governor McKinley drove to the Fort Wayne station shortly after 10 o'clock this morning to personally meet and greet his invited guest, Hon. Garrett A. Hobbart, who wired yesterday from his home in Paterson, N. J., that he would call on the governor today. He went, as is usual on such occasions, in the modest family carriage, drawn by a single horse, and driven by his nephew, Samuel Saxton.

There was a large crowd of people gathered at the station to witness the meeting of the two distinguished men, although the affair was informal in every respect. Governor McKinley waited in his carriage while the big crowd at the station divided at the train yard, leaving an open space for him to pass through, which he did, escorted, as a private citizen, reaching the train just as the car carrying Mr. Hobbart stopped in front of the governor. McKinley quickly extended his hand and stepped sprightly to the car step and the recognition was equally prompt on Mr. Hobbart's part. McKinley took him by the arm and they walked side by side to the carriage amidst the applause of the great throng.

The Associated press reporter on the drive from the station to the McKinley home, who was with them, says that before the response was quick. Governor McKinley had known Mr. Hobbart for many years, recalling meeting him at a large political gathering in Newark, N. J., where Mr. Hobbart had known Major McKinley twenty years past. It is understood that at the meeting of the Ohio Republican convention today it was mutually agreed as far as present intentions are concerned that neither of them will depart from their homes for any length of time.

It is believed this morning that Governor McKinley has virtually decided to give up any idea of complying with the wishes of the party to take the stump. He is reported to have been in a proposed visit to the Osborne house near Boston. The governor never appeared in better health than when he was in Canton, and he is reported to be in no better health than when he was in Canton, and he is reported to be in no better health than when he was in Canton.
