the Voence's Case. The coroner's jury, which has been inestimating the death of Robert Vocacek, eached a verdict yesterday afternoon, after having been engaged in hearing testimony all day. The verdict censured the electric light company for allowing the guy wire to remain in a dangerous condition, after having been notified that a current was passing through it. Every witness examined was put through a thorough questioning by the coroner, the attorneys for the parents of the dead man and the legal representative of the electric light company. It was proven that children had been playing with the dre, and many had received mild shocks. The company set up the plea that the light trimmer, Roy Davis, was not the proper person to report such nfatters to, and showed

n inclination to shift the responsibility on that ground. The verdict was a great surprise to the friends of the deceased, who fully expected the jury to recommand that Roy Davis he held for criminal negligence, A local firm of attorneys has the case for the Vocacek family, and will commence suit against the company at once.

Engineer and Fireman of a Stationary

Engine Injuced. COZAD. Neb., July 7.-(Special Telegran.)-Kinnan Bros. attempted to cross the Platte river bridge south of town this afternoon with a steam thresher. The bridge gave way beneath the engine which, together with the water wagon attached, fell into the river. The engineer and Bre-man went down with the engine and both were injured. Chick Atkinson, the engi-neer, was badly scalded and his ankle crushed. His injuries are not believed to be fatal. Charles Kinnan's back was hurt. Atkinson owes his life doubtless to the cold water from the water wagen pouring over him and counteracting the steam from the engine. One whole span of the bridge went down.

Street Car Lines to Be Extended. BEATRICE, July 7.--(Special.)-The Beatrice Electric company has announced some important changes soon to be made. The machinery in the two plants is to be consolidated at once, after which the tracks west and south of the Blue river will be taken up and a new line run out to the State Institute for Feeble Minded Youth. The track to the Chautauqua grounds will be rebuilt and straightened up, the work to be completed before the opening of the Gage county fair. It will be about ten days before the machinery will permit of starting up the motor cars on the main lines again.
