COSTA RICA TO ABANDON SILVER.

Government Announces Gold as the Basis of Its Currency.

(Copyright, 1896, by Press Publishing Company.)

COLON, Colombia, July 15.—(New York World Cablegram—Special Telegram.)—Costa Rica has decided to adopt gold as the basis of its currency. The inhabitants of Port Limon are preparing to celebrate the event on a grand scale. The entire country is in ecstasies because the present silver currency is to be called in.

Monument to Shakespeare Editors.

LONDON, July 15.—The monument which has been erected in St. Mary's church, Aldermanbury, to John Heminge and Henry Condell, who collected and first published Shakespeare's writings after the death of the famous dramatist, was unveiled this afternoon. Sir Walter Wilkin, lord mayor of London, officiated in full state. An address was made by the United States ambassador, T. F. Bayard.

Balloon Not Ready to Go North.

LONDON, July 15.—A dispatch received here from Hammerfest, Norway, says a party of tourists who arrived there from Danes Island today, report that Herr Andree's balloon, in which he has planned to set out on his voyage to the north pole, will not be ready before August 7. It was expected to be ready early in July.

Blood Poison.

Contagious Blood Poison has been appropriately called the curse of mankind. It is the one disease that physicians cannot cure; their mercurial and potash remedies only bottle up the poison in the system, to surely break forth in a more virulent form, resulting in a total wreck of the system.

Mr. Frank B. Martin, a prominent jeweler at 926 Pensylvania Ave., Washington, D.C., says: I was for a long time under treatment of two of the best physicians of this city, for a severe case of blood poison, but my condition grew worse all the while, notwithstanding the fact that they charged me three hundred dollars. My mouth was filled with eating sores; my tongue was almost eaten away, so that for three months I was unable to taste any solid food. My hair was coming out rapidly, and I was in a horrible fix. I had tried various treatments, and was nearly discouraged, when a friend recommended S.S.S. After I had taken four bottles, I began to get better, and when I had finished eighteen bottles, I was cured sound and well, my skin was without a blemish, and I have had no return of the disease. S.S.S. saved me from a life of misery." S.S.S. (*guaranteed purely vegetable*) will cure any case of blood poison. Books on the disease and its treatment, mailed free by Swift Specific Co., Atlanta, Ga.

HAVERFORD FINALLY BEATEN

Uppingham School Piles Up a Tremendous Score for Six Wickets.

VISITORS THEN QUICKLY DISPOSED OF

Barker and Wilson Bowl Too Cunningly to Allow the Attempt for a Draw to Even Approach Success.

UPPINGHAM, Eng., July 15.—(New York World Cablegram—Special Telegram.)—The American collegiate cricketers met with an unexpected defeat here today, for Uppingham School gained a victory over Haverford College by 216 runs. Notwithstanding the intense heat, there was a large crowd to see the play of the visitors, who are becoming great favorites. The home team gave a grand exhibition and the visitors were kept in the field during the great heat of the day. They had plenty of leather chasing in the broiling sun, and by the time they had got to the wickets they were completely baked out. The game was notable for the compilation of the first century against the visitors, T. L. Taylor, captain of the Uppingham eleven, making 106 before being disposed of. H. R. Parkes helped his captain to put in 100 for the first wicket, and C. E. Wilson almost added another century to the large score with a hard hit inning of ninety-two. The innings were declared closed with the total of 347 for six wickets. Haverford had no time to make the runs, and played for a draw. They made a good start in this attempt, J. A. Lester and D. H. Adams playing carefully and well for their respective scores of 53 and 21, but the combination of Barker and Wilson was also too much for the other men, who tumbled into the trap set for them, and the inning was over for 131. Following is the score:
