Value of Omaha Realty Gradually Becoming More Settled.—Several Causes Operating to Produce This Result.

In speaking of real estate matters, present, past and future, E. C. Garrison, one of the prominent dealers of the city, yesterday said:

There are thousands of men who have all their capital invested in Omaha realty. It may represent hundreds of thousands of dollars in a business block or valuable lots, or a few hundred dollars in a home.

The owner of a home may not desire to sell it, yet it is a source of satisfaction to him to think that if compelled to he can realize on his investment.

When a home is fixed market value may one can realize on property by offering it at a trifle less than the adjoining property is held at, but such a risk as a swap is unwise.

THE CONTINENTAL
Pantaloons of Extra Worth.
The kind that are retailed for \$5.00—\$5.50 and \$6.00—more than 2000 pairs from Rosenwald & Weil of Chicago—bought at less than half actual net cost—we've made 5 lots of these pantaloons to sell at—

1.50 2.00 2.50 3.00 3.50
If you're really after good trousers—fine worsted trousers—these are just what you want—no use paying 5.00 or 6.00—these are just as good—they are the \$5.00 and \$6.00 kind—the sizes are still unbroken—although we sold lots of them yesterday—Besides that desire for exclusive styles is easily gratified in this purchase of really fine pantaloons.
