HOLTON LANDS FIRST PRIZE

Exciting Close of the Six Day Amateur

FINAL SPRINT WAS A LIVELY ONE

White Makes a Desperate Effort to Gain a Lap and is Taken from the Track in a Paint_Case of Too Many Apples.

The great six-day amateur bicycle race closed last night in a veritable whirl of excitement. It was little less than a two-hour spurt, and the big crowd was fairly beside itself with enthusiasm. At the very jumpaway young White, the popular Western Union boy, set out with the determination of cinching the lead. He rode with the speed of a rocket, and inch by inch he gained upon the field until be had almost a quarter of a lap to the good. But abused nature was unequal to the task. The boy put in a half hour in the evening before the start filling his stomach with apples. He could not have done a more indiscreet thing, and the result was inevitable. The end came while in his seventh mile. He was in the midst of another daring spurt, when suddenly he began to wabble, then his body swayed from side to side, and just as he was about to tumble headlong from his wheel his trainer dashed onto the track and caught him. In a dead faint he was carried out on the lawn and a physician called. A second, Lady Hamilton (5 to 1) third. Time:

Mr. Lincoln Nelson, of Marshfield, Mo., writes: "For six years I have been a sufferer from a scrofulous affection of physicians in Washington, D. C., Springfield, Ill., and St. Louis failed to reduce the enlargement. After six months' constant treatment here, my physician urged me to submit to a removal of the gland. At this critical moment a friend recommended S.S.S., and laying aside a deep-rooted prejudice against all patent medicines, 1 began its use. Before I had used one bottle the enlargement began to disappear, and now it is entirely gone, though I am not through with my second bottle yet. Had I only used your S.S.S. long ago, I would have escaped years of misery and saved over \$150."

on the lawn and a physician called. A little vigorous chafing an I rubbing, however, quickly brought him back to consciousness, and he was carried into the dressing room. He was a decidedly sick lad for an hour or so, but before the race was over he had entirely recovered. The young fellow had the sympathies of the crowd. He was tied for first prize and was a decided favorite.

White out of the race left Holton in undisputed possession of first place by a lap, but all the excitement did not end here, for the other competitors kept him on the hustle until the last lap was reeled off. The final spurt was a rattling good one, Holton coming in first, Hall second, Parker third, McGlyern fourth and Coffin fifth, and in this order the prizes were awarded. The score:

CHICAGO CRICKET TOURNAMENT.

Minnesotas Make a Feeble Showing Against Chicago Association. CHICAGO, July 27.—The cricket game toment, was between the Minnesota cricketers and the Chicago Cricket association and was delayed on account of rain. The Minnesotas went to bat first, having won the toss, but owing to the excellent bowling of Langham and Kinney were all disposed of for twenty runs. The team work of Chicago was fine. Chicago scored 107 against Minnesota. The field work and bowling of Minnesota was also good and equal to their opponents, but as the wicket improved under the heat of the sun the Chicagos had the better of it in batting. Minnesota went in a second time and made a decidedly better showing, putting together 113 runs. Vaughn played a spiendid inning of 45, including one 5 hit and four 48. Napler played a very careful inning for 18.

Union Pacific Busy Improving the Nebraska Division. The Union Pacific is busily engaged these days in perfecting its roadbed along the Nebraska division. For several years the western end of the road has been ballasted with gravel from the pits at Sher-man, Wyo., and now this end of the line is receiving the same form of improvement. Speaking of the matter yesterday morning Superintensent McConnell said: "We are now at work on the roadbed between Omaha and Grand Island and expect to reach beyond Columbus with the gravel before the end of the year. At present we are as far west as the seventy-second mile post or about half way between here and Grand Island. We are using a car and a half of this material to every rail length, so that you can see what large quantities will be demanded. However, there is no danger that the demand will exceed the supply. We are taking from eighty to 100 cars of
