of state that the only way the candidates for the new national party can appear on the ticket this fall is by petitio and as individuals, not as candidates of the new national party. This also applies to any electors whom the new party might choose in the state convention

MAXEY COBE'S ESTATE.

Mrs. Carrie Cobb today filed with the probate court an inventory of the assets of the estate of her husband, Maxey M. Cobb. deceased, late treasurer of Lancanster deceased, late treasurer of Lancanster county. Among these assets are checks from a dozen of more persons in this city for various sums, given for taxes, notes which Cobb signed for people who are not worth a dollar, and had to pay, memoranda of accounts of money loaned to a number of political backs and some ex-officials whose partices are not eved of any of the backs of political macks and some ex-officials whose names are not good at any of the banks, together with the certificates of deposit in the Lincoln Savings bank and the \$13,000 note of C. T. Boggs. The \$6,000 certificate is secured by warrants of the city of Hot Springs, S. D., but the \$10,000 certificate is unsecured. The Boggs note, which took German National bank, is secured by a mortgage on some property at Thirteenth and M streets and by six Lincoln park

Today Judge J. H. Broady began suit in the district court against Captain J. E. Hull. Judge Broady claims \$10,009 as due him for attorney's fees in the case brought by the state against Captain Hill to recover the sum lost in the Capital National bank failure. When asked about the matter this afternoon Captain Hill said he had already paid Judge Broady \$2,000 for his services in the matter.

A call was issued by Mayor Graham, chair-man of the Abraham Lincoln statute committee, for a meeting to be held at the Lin-coln hotel tonight. The members of the committee who gathered pursuant to this Board of Public Lands and Buildings. Omaha people in Lincoln: At the Lin-dell-F. S. Lewis, J. N. Marsh, R. O. Malley, John H. Harberg. companied with a great display of light-The State Board of Irrigation today alning and some wind which blew much lowed the following claims for water rights: Butcher & Greibel, Custer county, water from the Middle Loup river; Loo ditch, Cherry county, water from the North Loup shocked grain down. Lightning struck and killed a fine mare for Mrs. A. B. Baugh, and also struck the Huckfeldt house in town, but did no damage except to tear off a few shingles and frightened the occupants. The ground is full of water, and corn is matur-ing finely. The crop is simply immense.

Governor Holcomb today issued commis-sions to Horace F. Jeffrey, first lieutenant ing finely. company E. Second regiment, Nebraska Na-tional Guards, North Platte, and Herbert HILDRETH, Neb., July 28.—(Special).— A heavy rain storm visited the north part of Franklin county Sunday night, accom-panied by a fine display of electricity. Some). Evans, captain of the same company. Leonardo Kluftinger, German consul to damage was done south of this place by wind overturning stacks, and some corn was leid flat, but a vast amount of benefit Bolougne, Italy, was a caller today on Gov-ernor Holcomb. Herr Kluftinger is an uncle of Attorney Matt Gering of Plattswas done to corn, which is looking remark-ably fine and needed this rain to make a heavy crop. Some threshing is being done

The supreme court has been asked to pass upon the case of George Washington out of the shock. Wheat is yielding fairly well, but onts are ruined, except the late pieces, which are good. A large quantity of corn is being moved from this station since Davis, the man convicted after two trials of having wrecked the Rock Island passenger train in 1894, by which disaster cleven lives were lost and many others inthe freights have been lowered. BANCROFT, Neb., July 28.-(Special.)-The crops that looked so promising a few jured. The document presented to the clerk of the supreme court today was pre-pared by Attorneys Adams and Altschuler weeks since will come far short of the aver-age year in this locality. Oats are dam-aged greatly by rust and army worms, some and covers 100 pages of closely written legal cap and alleges 202 errors on the part of the trial court.

Silver Delegates Selected.

ALBION, Neb., July 28 .- (Special.)-The combined forces of free silver held a mass county convention in the court room Saturday. There was not to exceed fifteen men from outside the city present, and the con-vention, whose total attendance aggregated about thirty persons, was largely worked up of county officials of the populist persua-The following delegates were elected sion. to the Norfolk convention: Democrats: Tom Williamson, T. H. Barkley, F. J. Mack; republicans: H. Rice, Knode Glodom, George Inman; prohibitionists: A. G. Mansfield, F. R. Dickinson, J. N. Marble; populists: W. A. Paynter, Jim Smith, F. M. Sillik.

To Purchase Water Works PLATTSMOUTH, Neb., July 28.-(Special.) At the meeting of the city council last PLATTSMOUTH, Neb., July 28 .- (Special.) night the matter of the city purchasing the gas and electric light plant was thoroughly call were, aside from the chairman. Dr. Lowry, James Stephenson, C. H. Gere, Por-ter Hedge and Eugene Moore. The commit-tee decided to turn the matter over to the lighting, and yet the service is not so satdiscussed and the entire council appeared isfactory as it ought to be, and the citizens have been agitating the question of city acted upon without further delay.

Army worms seem to be leaving oats now to go into fields of corn. BEAVER CITY, Neb., July 28.—(Special Telegram)-A somewhat protracted drouth was broken this afternoon by two and a half inches of rain. This county will have an enormous corn crop as a result. ORLEANS, Neb., July 28 -(Special Telegram.)-A fine rain fell bere Sunday night, but considerable damage was done by the heavy wind blowing down the wagon bridge This The wind today blew down a school house, two

Both army and cut worms are at work in it.

On ground where corn was raised last year it lies flat, being eaten off at the roots by

cut worms and on all land not fall plowed.

miles south of town. These rains insure the corn crop. Serious Results of a Fall.

PLATTSMOUTH, Neb., July 28 .- (Special.) -Last week John Hall was tinning a roof when the indder upon which he stood slipped ownership. The mayor has appointed a com-mittee of three to investigate the matter and to make a report, so that it can be up, and his knce was sprained, but he went Senator R. F. Petigrew of South Dake to work again, not thinking he was seriously injured. Saturday, however, he had to take to his bed and his life has been despaired of, owing to internal injuries received in his fall. This afternoon the doctor has hopes of his pltimate recovery. FRUIT PEDDLER IN A SAD PLIGHT.

Sent to Jail and His Family Left to Shift for Themselves.

doorways or any other nook where she could stow her wasted frame away. Last David Kolomitz, a fruit peddler, was fined \$1 and costs in police court yesterday mornnight the patrolman at Sixteenth and Haring because he failed to have a card tacked ney found her crouched in an outhouse, the to his wagon. He explained that he was using in a piece of newspaper which she told the blacksmith shop. License Inspector Hurst.

who made the arrest, weakened this claim alleging that it is a common practice of peddlers to run several wagons on one curd and to make the same excuses as did Kolomitz when arrested.

It appears, however, that Kolomitz was sincere in his statement. He is the owner of only one wagon and that is now being repaired. By his peddling he obtains barely sufficient to support his wife and five children, and has no bank deposit upon which to draw to pay fines. He was therefore compelled to go to jail and his wife and children have been left to get along as

best they can until he gets out.

came up town. As proof of his statements McElhatton showed a number of cuts and bruises about his face and body which had fair week, at which time a number of extra been inflicted by his assailants.

Captain Palmer said: "The present amount of money in the police fund, even when he arrived at the station, a small armory in the shape of a bowie knife about with this reduction, will not carry us through the year, and we have no method a foot long and a big bulldog revolver that resembled in outline a small mountain howitzer. As McElhatton was considerably of replenishing it before January 1. There is a balance now of about \$42,000 in the expenses easily foot up \$7,500 excited over the event the police thought Including the July pay roll best to lock him up until the case might fund, and our expenses easily foot up \$7,590 per month. Including the July pay roll this would make the expense of maintainthis would make the expense of maintain-ing the police department for the balance of the year \$45,000, thus making a deficit of A few minutes after the arrival of Mcthe year \$45,000, thus making a deficit of Ethatton another man, wearing a worried look, fell down the stairs leading into the It is possible that we may about \$3,000.

be obliged to reduce the police still more before the end of the year." He did not state where the retrenchment that he had just been the subject of an ax would again fall, but it is understood that it will be in the vicinity of the detective force, and that possibly two of the men will tance from McElhatton. He said he passed
