September Liquidation Was, However, the Feature, the Frar of Liberal Deliveries the First Being an Argument.

CHICAGO, Aug. 12 - All the speculative produce markets were weak and demoral-ized with liquidation, particularly of nearby deliveries. Wheat for September closed at 50%, or 1% below yesterday. Corn. provisions and onts closed lower.

There was a preity good trade in wheat early, chiefly in the way of liquidation. after which the market became a little excited, the range for the day being from to 2c. The tone developed was weak, and the market again sold off, Scotteniber declining to from 5% or 5% or 5% or and Decom-ber to 5% or the spread between these fu-tures widening to 2% or Final figures showed a loss of from 1% to 50. Calles came lower, local receipts overran the esnates and northwestern receipts were large for this time of year, all of which tended to depress the price. The Septem ber inquidation was, however, the feature ber Hquidation was however, the feature, the fear of possible liberal deliveries the first of the coming month being talked of as one of the bear arguments Corn was weak and lower, still further declines taking place. He says he intended to give it to his father, and was on his way to his parent's office when he suddenly became curious to know the value of his find. Dropping into the pawn shop of M. Mar-rowitz, located on North Sixteenth street, he asked for a little light on the subject. He was considerably surprised by being informed by the man in charge that he was a thief and had stolen the diamond ring. The ring is still in the possession of the pawnbroker and Weeks has informed the police of the matter. Its owner is un-known. 14

of the Constitution of the State of Nebraska. Nebraska by adding a new section to article relating to compensation of supreme and district court judges. The soldiers are all pretty tired of their bicycles as they are busy repairing them, for they are constantly getting out of order. It seems as if the bicycle companies have Be it resolved by the Legislature of the State of Nebraska; ucceeded in flooding the post with the very the prices of them. Many of the men have 68 feeders.... 940 3 25 let their wheels go back rather than keep up the payments. They lose a great deal by that, but they think it better so.

Be it resolved by the Legislature of the State of Nebraska: Section 1. That section thirteen (13) of article six (6) of the Constitution of the State of Nebraska be amended so as to read as follows: Sec. 13. The judges of the supreme and district courts shall receive for their ser-vices such compensation as may be pro-vided by law, payable quarterly. The legislature shall at its first session after the adoption of this amendment, three-fifths of the members elected to each house concurring, establish their compensation. The compensation so es-tablished shall not be changed afterer than once in four years and in ac event unless two-thirds of the members elected to each house of the legislature concur therein. Approved March 20, A. D 1895. The calisthenic drill tactics that are used in the Twenty-second infantry are the most complete of any in the army, especially the ones used in company F. Sergeant Heavy McBurney is the calisthenic drillmaster of the company, who uses the West Point tactics, which are taken from the best home chance to loosen all his joints and put i good muscle on himself. After three years of that kind of drill a person is pretty near perfect in form.
