PAST TIME ON PNEUMATIC TIRES.

Bicycle Fleet at Union Driving Park First Time.

The Moore & Ellis bicycle meet at the Union Driving Park yesterday afternoon was an unusually complete success from every standpoint, including even the attendance.

Conditions were perfect for the meet. The weather was just the brand desired by racers and patrons of outdoor sports.

The temperature was hovering about 90 mark, and there was just enough to bring relief to the spectators and not interfere with the riders.

The list of entries was large, the riding fast, and nothing lacking in the event of thoroughly successful and enjoyable. Credit for it is due to the enterprise of Moore & Ellis and Harry K. Smith, who promoted the event.

The race was won by Harry K. Smith, who, assisted in the management, the club officials were: Reiere, C. E. Parsons, Council Bluffs; starter, George F. Kunnell, Council Bluffs; clerk, H. C. Percey, Council Bluffs; judges, John W. Parish, Omaha; F. H. Sierken, Omaha; E. H. Henderson, Omaha; Max Heichenberg, Omaha; R. P. Robinson, Council Bluffs; announcer, C. B. Handlett, Council Bluffs.

There were 120 people on the grounds and in the grandstand when the races were called, and the number was considerably increased by the later arrivals.

The first event, one-quarter mile open, amateur, brought out thirteen starters: Joe J. Boyne, Council Bluffs; H. C. Hattenhauer, Council Bluffs; Harry K. Smith, Council Bluffs; C. O. Brown, Council Bluffs; James Mack, Omaha; Virgil Hall, Omaha; R. D. Gammon, Denver; Gus Holton, Omaha; E. L. Duquette, Council Bluffs; W. P. Sapp, Council Bluffs; E. L. Potter, Omaha; R. T. White, Omaha; Ralph Brown, Omaha.

The starters filed the track well and got off in a bunch. Harry K. Smith went to the front. All were in a group at the eighth, and then Boyne and Ellis started out to make a race. It was a wild dash for the tape, and Harry K. Smith won by a second place, but Potter of Omaha made a wonderful spurt, and took second place, crowding Boyne out just before the wire.

There were an even dozen starters in the half mile open professional. It was a straight sprint, and Harry K. Smith won by a wide margin. He was followed by Donnan, McCall and Gasko who headed for home abreast, when the terrible Swede commenced to "yump" and pushed the other boys back. Harry K. Smith won by an inch, Davis of Chicago second and Gasko third. Time: 1:08 1/2.

Following this event W. F. Sager of Denver went to the state record for one mile, unpaired. The record has been held by Stevens of Ottumwa at 2:20. Sager was in a fine condition and took the track with a new burst of speed. Harry K. Smith started and increased it with every turn of the wheel for the mile, lapping off eight seconds from the start. Harry K. Smith won by 2:12. He was generously applauded.

The one mile club team race brought out J. J. Boyne, H. C. Hattenhauer and E. L. Duquette, Council Bluffs; Harry K. Smith, Council Bluffs; C. O. Brown, Council Bluffs; James Mack, Omaha; Virgil Hall, Omaha; R. D. Gammon, Denver; Gus Holton, Omaha; E. L. Duquette, Council Bluffs; W. P. Sapp, Council Bluffs; E. L. Potter, Omaha; R. T. White, Omaha; Ralph Brown, Omaha.

The two mile amateur, open, paced, was a warm event. The starters were: J. J. Boyne, Council Bluffs; H. C. Hattenhauer, Council Bluffs; Harry K. Smith, Council Bluffs; C. O. Brown, Council Bluffs; James Mack, Omaha; Virgil Hall, Omaha; R. D. Gammon, Denver; Gus Holton, Omaha; E. L. Duquette, Council Bluffs; W. P. Sapp, Council Bluffs; E. L. Potter, Omaha; R. T. White, Omaha; Ralph Brown, Omaha.

The three mile tandem race was declared off for lack of entries and in its place George Phillips of Omaha, a messenger boy, gave an exhibition of marvelous trick riding. All the professionals were in the one mile, open event. Old Dad Holton of Omaha won, McCall second and the Swede third. Time: 2:14 2/5.

The best of the wine was saved for the last of the feast and the five mile open, amateur, paced, was the hottest race of the afternoon. The starters were: J. J. Boyne, Council Bluffs; H. C. Hattenhauer, Council Bluffs; Harry K. Smith, Council Bluffs; C. O. Brown, Council Bluffs; James Mack, Omaha; Virgil Hall, Omaha; R. D. Gammon, Denver; Gus Holton, Omaha; E. L. WAS IN A HURRY TO MARRY AGAIN

Arrested on Suspicion of Having Administered Strychnine to His Wife and Aged Grandmother Very Recently.

WEBSTER CITY, Ia., Aug. 15.—(Special Telegram)—James Paul, who resides between Homer and Stratford, was arrested this morning by Sheriff Sinclair on the charge of murdering his wife and his aged grandmother.

July 2 Mrs. Maria Dulin died at her home in Homer after an illness of two days. Paul had been at her house the Saturday before and the old woman was taken sick after eating supper that night.

It is reported that she complained about the tea being bitter at that meal. She had several convulsions before she died Monday night and showed some symptoms of strychnine poisoning.

She was the grandmother of Jim Paul's wife, who has been in the city three weeks previous. On the Saturday following Mrs. Dulin's death and about four weeks after his wife was buried Paul married a girl living in his neighborhood. He was suspected of having killed both his wife and his grandmother and the symptoms in both cases were those of strychnine poisoning.

He commenced an investigation, but concluded there were not grounds to justify holding the suspect, but developments since that time have been such as to point to Paul's guilt, and Thursday the body of Mrs. Dulin was exhumed and the stomach sent to Des Moines to be analyzed by the state chemist.

It is believed that Paul administered the poison, but in the chemist's opinion there was evidence of poison and as a precautionary measure Paul was arrested.

Paul was taken to the race track during the past week and was found dead in one of the stalls at noon today. Coroner Eberie determined the cause of his death. It developed that the woman's name was William Barpes of Cedar Rapids, 35 years old. He seems to have been a sane man, but for several years has been a hanger-on about race tracks. The evidence showed that he was addicted to the use of liquor.

Port Teachers Graduated. The close of the Normal school last evening was celebrated by a graduation of a class of nearly forty. This is a custom somewhat new in educational work in Iowa, each teacher who takes up and completes the regular course of study, and receives a diploma after four years, receiving a diploma. This diploma states the proficiency of the teacher in various branches, and is a sort of certificate of fitness for the position of teacher of the state, or another state. The custom of yearly graduating such a class is becoming very popular and other counties are beginning to follow.

SIoux CITY, Aug. 15.—(Special Telegram)—A special train from Sioux Falls brought over 100 members of the Order of Elks to this city this morning and today the Sioux City and Sioux Falls Elks, with a number of their wives and children, had a grand picnic and clam bake at Riverside park with games and amusements of all kinds. They were accompanied by a band of music from Baltimore company for this purpose.

POINTED TOES MUST GO. The pointed toe shoe is going out of style. Such is the decree of fashion and when fashion dictates few men or women dispute it. The pointed toe shoe has been a leading shoe dealer of New York is confirmed the statement that in its place is appearing the more comfortable round-toed shoe.

The exodus of the "toothpick" marks an epoch in the history of footwear. The ultra-fashionable shoe of the past few years, standing squarely upon their own feet, instead of bearing down upon their neighbors' feet, is being abandoned.

There have been many styles of shoes worn by different styles of men, but the pointed toe shoe has been the most popular. It is a shoe that has been worn for many years, and it is a shoe that has been worn for many years.

A WILD WESTERN FREAK.

Exploited a Bit of Personal Experience in the East.

A reporter of the New York Sun was standing at the counter in the office of a commercial hotel in town, admiring the iridescent brilliance of the clerk's diamond, which had just come from the country, and at the same time listening to the Inquisitive Man's questions of everybody he dared to tackle.

Leaning up against the cigar case over near the wall stood a man in a slouch hat, and bearing other evidences of occidental associations, also listening to the Inquisitive Man, and at last he approached and spread his hands before him.

"Do you see them hands?" he inquired of the Inquisitive Man.

"Well," continued the interloper, evidently satisfied with the reply, "them hands might be an indication for you as to what I reckon, any other reply would have been prevarication, and the Inquisitive Man was veraciously smiling.

"What about your hands?" ventured the reporter of the Inquisitive Man.

"Well, sir," responded the man in the slouch hat, "I got them hands in a mighty unexpected manner, as the Kentucky colored man, when he got his mouth full of water, and it happened in the great state of Colorado about twenty years ago or such a matter."

"And you don't do any more of that kind of a thing?" asked the reporter.

"No, sir," responded the man in the slouch hat, "I got them hands in a mighty unexpected manner, as the Kentucky colored man, when he got his mouth full of water, and it happened in the great state of Colorado about twenty years ago or such a matter."
